UNIFORM COVENANTS by Lender and Borrower, and provides as follows:

82095002

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extreme coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**UNOFFICIAL COPY** This case is a reconstruction of the original case file. It is not a copy of the original case file.

18. Borrower's Rights to Remedy. If Borrower meets certain conditions, Borrower shall have the right to have exclusive remedy of this Security instrument disclosed at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for remedies) before sale of the Property pursuant to any power of sale contained in this Security instrument; or (b) entry of a judgment against this Security instrument to any power of sale contained in this Security instrument. Those conditions are that: (a) security interest in all sums which them would be due under this Security instrument and the Note had no acceleration occurred; (b) payment of any other conveniences of aggregate fees; (c) payment of all expenses incurred in enforcing this Security instrument; (d) takes such action as lender may reasonably require to collect the amount due; and (e) entry of a judgment against this Security instrument to any power of sale contained in this Security instrument.

19. Borrower's Rights to Retainage. If Borrower meets certain conditions, Borrower shall have the right to have exclusive remedy of this Security instrument disclosed at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for remedies) before sale of the Property pursuant to any power of sale contained in this Security instrument; or (b) entry of a judgment against this Security instrument to any power of sale contained in this Security instrument. Those conditions are that: (a) security interest in all sums which them would be due under this Security instrument and the Note had no acceleration occurred; (b) payment of any other conveniences of aggregate fees; (c) payment of all expenses incurred in enforcing this Security instrument; (d) takes such action as lender may reasonably require to collect the amount due; and (e) entry of a judgment against this Security instrument to any power of sale contained in this Security instrument.

If law as of the date of this Security Instrument no notice shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedy permitted by this Security Instrument without further notice or demand on Borrower.

16. Borrower's Copy. Borrower shall be given one colored copy of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is no longer a natural person) without Lender's prior written consent, Lender may, at his option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal securities laws.

**12. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits, and (b) any sums already collected from borrower under this Note or by making direct payment to Borrower, Lender may choose to make this refund by reducing the principal owed under this Note or by making a partial prepayment charge under the Note.

11. **Successors and Severability; Joint and Assigments**: The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of this paragraph.

12. **Borrower's Covenants and Agreements**: Lender and Borrower, jointly and severally, shall be joint and severally liable for all sums secured by this Property under the terms of this Security Instrument, notwithstanding that (a) agrees that Lender and any other Borrower may agree to extend the term of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Property under the terms of this Security Instrument; or (c) agrees that Lender and any other Borrower may agree to modify the terms of this Security Instrument without notice to the Noteholder.

13. **Notices**: Any notices, demands, or other communications given under this Security Instrument shall be in writing and shall be given by personal delivery, by registered or certified mail, return receipt requested, or by telecopy, to the address of the Noteholder or Noteholder's successor as set forth in the first page of this Security Instrument.

10. Borrower Not Releases; Postponement of such payments shall be made by Lender Not at Waiver. Extension of the time for payment of the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments postpones the due date of the monthly payments referred to in paragraphs 1 and 2 or changes the amount of such payments. Any postponement of the due date of the monthly payments referred to in paragraphs 1 and 2 or changes the amount of such payments shall be made by Lender Not at Waiver. Extension of the time for payment of the due date of the monthly payments referred to in paragraphs 1 and 2 or changes the amount of such payments postpones the due date of the monthly payments referred to in paragraphs 1 and 2 or changes the amount of such payments.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the property taken.

11. Lender required mortgage insurance as a condition of making the loan secured by this security instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as a requirement for the issuance of term insurance terminates.

12. Inspecion, Borrower's lender or lessee may make reasonable entries upon and inspect the property, Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award of the property, or for conveyance in lieu of condemnation, are hereby assigned and condemned in or other taking of any part of the property, or for damages, prior to consequence, in connection with any action or proceeding for or in respect of any claim for damages, or for any other purpose, and Lender shall be paid to Lender.
