UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment and Principal and Interest. Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Agreement, and late charges as provided in the Agreement, and the principal of and interest on any Future Advances secured by this Mortgage.

2. Payment of Taxes, Insurance and Other Charges. Borrower shall pay all taxes, hazard insurance premiums, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any, by Borrower making payment when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph and Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall send Borrower notice identifying such lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within ten days of giving of notice.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Agreement and paragraph 1 hereof shall be applied by Lender first in payment of interest payable on the Agreement, then to the unpaid balance of the Agreement.

Lender may choose to make this reduction by reducing the principal owed under the Agreement or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment under the Agreement.
