In the event of default in making any monthly payment provided for herein and in the note secured hereby for a period of thirty (30) days after the due date thereof, or in case of a breach of any other covenant or agreement herein stipulated, then the whole of said principal sum remaining unpaid together with accrued interest thereon, shall, at the election of the Mortgagee, without notice, become immediately due and payable.

And in the event that the whole of said debt is declared to be due, the Mortgagee shall have the right immediately to foreclose this mortgage, and upon the filing of any bill for that purpose, the court in which such bill is filed may at any time thereafter, either before or after sale, and without notice to the said Mortgagor, or any party claiming under said Mortgagor, and without regard to the solvency or insolvency of the person or persons liable for the payment of the indebtedness secured hereby, at the time of such applications for appointment of a receiver, or for an order to place Mortgagee in possession of the premises, and without regard to the value of said premises or whether the same shall then be occupied by the owner of the equity of redemption, as a homestead, enter an order placing the Mortgagee in possession of the premises, or appoint a receiver for the benefit of the Mortgagee with power to collect the rents, issues, and profits of the said premises during the pendency of such foreclosure suit and, in case of sale and a deficiency, during the full statutory period of redemption, and such rents, issues, and profits when collected may be applied toward the payment of the indebtedness,

costs, taxes, insurance, and other items necessary for the protection and preservation of the property.

Whenever the said Mortgagee shall be placed in possession of the above described premises under an order of a court in which an action is pending to foreclose this mortgage or a subsequent mortgage, the said Mortgagee, in its discretion, may: keep the said premises in good repair; pay such current or back taxes and assessments as may be due on the said premises; pay for and maintain such insurance in such amounts as shall have been required by the Mortgagee; lease the said premises to the Mortgagor or others upon such terms and conditions, either within or beyond any period of redemption, as are approved by the court; collect and receive the rents, issues, and profits for the use of the premises hereinabove described; and employ other persons and expend itself such amounts as are reasonably necessary to carry out the provisions of this paragraph.

The overplus of the proceeds of sale, if any, shall then be paid to the Mortgagor.

If Mortgagor shall pay said note at the time and in the manner aforesaid and shall abide by, comply with, and duly perform all the covenants and agreements herein, then this conveyance shall be null and void and Mortgagee will, within thirty (30) days after written demand therefor by Mortgagor, execute a release or satisfaction of this mortgage, and Mortgagor hereby waives the benefits of all statutes or laws which require the earlier execution or delivery of such release or satisfaction by Mortgagee.

ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 19TH day of JUNE, 1987, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Mortgage"), of even date herewith, given by the undersigned ("Mortgagor") to secure Mortgagor's Adjustable Rate Note ("Note"), of even date herewith, to Draper and Kramer, Inc., 33 West Monroe Street, Chicago, Illinois 60603 ("Mortgagee"), covering the premises described in the Mortgage and located at 1660 N. LA SALLE #212 CHICAGO, IL 60614.

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agree to the following:

1. Under the Note, the initial stated interest rate of 9.000 per centum (9.000 %) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted; as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of JULY, 1988 (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter, each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Mortgage ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the **Federal Reserve Bulletin** and made available by the United States Treasury Department in Statistical Release H. 15 (519)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate if any as follows:
 - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
 - (b) 2.50 percentage points (2.50%; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
 - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
 - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
 - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
 - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
 - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point, less than the Existing Interest Rate (subject to the 5% Cap).
