INTEREST PAT): AND MONTHLY PAYMENT CHANGE The Note provides for an initial interest rate of 6.75 %. The foir provides for a change in the interest rate and the monthly payments as follows: (1) Payment Adjustment Date The earlier of the date I am no longer employed by the Bank or its affiliates, or the date I no longer occupy as my principal residence the Property securing my Employee Preferred Rate Loan, is as led the "Conversion Date." Beginning on the first day of the month following my Conversion Date, the invertible could change is called the "Interest Rate Effective Date." The date on which I must begin to make ny new monthly payment amount is called the "Payment Adjustment Date." (2) The Index Beginning with the Interest Rate Effective Date, my interest rate will be based on an index. The "Index" is the Applicable Federal Rate for below-market rate loans, as made available by the Internal Revenue Service. The Note Holder will then round the result of this addition to the next higher one-eighth of one percentage point. Subject to the limits stated in Section (4) below, this rounded amount will be my new interest rate for the remainder of the loan term. The Note Holder will then determine the unpaid	principal that I am expected to owe on the Payment Adjustment Date, and will calculate the monthly payment amount which will fully amortize that remaining principal by the maturity date, based on the new interest rate. The result of this calculation will be my new monthly payment beginning on the Payment Adjustment Date. (4) Limits on Interest Rate Change The interest rate I am required to pay as of the Interest Rate Effective Date will not be greater than the then-Current Index plus 2.5 %, nor less than the current Index, rounded to the next higher one-eighth of one percentage point. The interest rate will not exceed the rate permissible under applicable law. (5) Effective Date of Change My new interest rate will become effective on the first day of the month following the Conversion Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Interest Rate Effective Date. (6) Notice of Change The Note Holder will deliver or mail to me a notice of any change in my interest rate and the amount of my monthly payment, as well as other information. B.
