In case of the refusal or neglect of the Mortgagor to make such payments, or to satisfy any prior lien or incumbrance other than that for taxes or assessments on said premises, or to keep said premises in good repair, the Mortgagee may pay such taxes, assessments, and insurance premiums, when due, and may make such repairs to the property herein mortgaged as in its discretion it may deem necessary for the proper preservation thereof, and any moneys so paid or expended shall become so much additional indebtedness, secured by this mortgage, to be paid out of proceeds of the sale of the mortgaged premises, if not otherwise paid by the Mortgagor.

It is expressly provided, however (all other provisions of this mortgage to the contrary notwithstanding), that the Mortgagee shall not be required nor shall it have the right to pay, discharge, or remove any tax, assessment, or tax lien upon or against the premises described herein or any part thereof or the improvements situated thereon, so long as the Mortgagor shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

And the said Mortgagor further covenants and agrees as follows:

That privilege is reserved to pay the debt in whole, or in part, on any installment due date.

That, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

(a) An amount sufficient to provide the holder hereof with funds to pay the next mortgage insurance premium if this instrument and the note secured hereby are insured, or a monthly charge (in lieu of a mortgage insurance premium) if they are held by the Secretary of Housing and Urban Development, as follows;

(i) If and so long as said note of even date and this instrument are insured or are reinsured under the provisions of the National Housing Act, an amount sufficient to accumulate in the hands of the holder one (1) month prior to its due date the annual mortgage insurance premium, in order to provide such holder with funds to pay such premium to the Secretary of Housing and Urban Development pursuant to the National Housing Act, as amended, and applicable Regulations thereunder; or

(ii) If and so long as said note of even date and this instrument are held by the Secretary of Housing and Urban Development, a monthly charge (in lieu of a mortgage insurance premium) which shall be in an amount equal to one-twelfth (1/12) of one-half (1/2) per centum of the average outstanding balance due on the note computed without taking into account delinquencies or prepayments;

(b) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments; and

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note

secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be apied by the Mortgagee to the following items in the order set forth:

- (I) premium charges under the contract of insurance with the Secretary of Housing and Urban Development, or monthly charge (in lieu of mortgage insurance premium), as the case may be;
- (II) ground rents, if any, taxes, special assessments, fire, and other hazard insurance premiums;
- (III) interest on the note secured hereby;
- (IV) amortization of the principal of the said note; and
- (V) late charges.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed four cents (4¢) for each dollar (\$1) for each payment more than fifteen (15) days in arrears, to cover the extra expense involved in handling delinquent payments.

If the total of the payments made by the Mortgagor under subsection (b) of the preceding paragraph shall exceed the amount of the payments actually made by the Mortgagee for ground rents, taxes, and assessments, or insurance premiums, as the case may be, such excess, if the loan is current, at the option of the Mortgagor, shall be credited on subsequent payments to be made by the Mortgagor, or refunded to the Mortgagor. If, however, the monthly payments made by the Mortgagor under subsection (b) of the preceding paragraph shall not be sufficient to pay ground rents, taxes, and assessments, or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of subsection (a) of the preceding paragraph which the Mortgagee has not become obligated to pay to the Secretary of Housing and Urban Development, and any balance remaining in the funds accumulated under the provisions of subsection (b) of the preceding paragraph. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under subsection (b) of the preceding paragraph as a credit against the amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall have been made under subsection (a) of the preceding paragraph.

And as additional security for the payment of the indebtedness aforesaid the Mortgagor does hereby assign to the Mortgagee all the rents, issues, and profits now due or which may hereafter become due for the use of the premises hereinabove described.

That he will keep the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made hereinbefore. .

ADJUSTABLE RATE RIDER

For use only with an Adjustable Rate Mortgage, Deed of Trust or Security Deed insured under section 203(b), 203(k) (first lien only) or 234(e) of the National Housing Act, using the Margin method.

THIS ADJUSTABLE RATE RIDER is made this 21ST day of JULY 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Mortgage"), of even date herewith, given by the undersigned ("Mortgagor") to PRINCIPAL MUTUAL LIFE INSURANCE COMPANY ("Note"), of even date herewith, to 5000 CARRIAGEWAY #104, MORTGAGOR covering the premises described in the Mortgage and located at MEADOWS, IL 60008.

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agree to the following:

NINE AND 00000/100000

1. Under the Note, the initial stated interest rate of per centum (. 00%) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of JANUARY, 19 . . . (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Mortgage ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H. 15 (519)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:
 - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
TWO AND 000/1000
 - (b) percentage points (. %; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
 - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
 - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
 - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percent points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
 - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
 - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).
 - (d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap, the new adjusted interest rate will be limited to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.
 - (e) Mortgagee will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted interest rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.
 - (f) The method set forth in this Paragraph 3 of this Adjustable Rate Rider, for determining whether or not an adjustment must be made to the Existing Interest Rate incorporates the effects of the provisions of 24 CFR 203.49(e)(1) and 234.79(e)(1) which require that changes in the Index in excess of one percentage point must be carried over for inclusion in adjustments to the Existing Interest Rate in subsequent years.
 - (g) If the Index is no longer available, Mortgagee will be required to use any index prescribed by the Department of Housing and Urban Development. Mortgagee will notify Mortgagor in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.

5. Notching contained in this Adjustable Rate Rider will permit Mortgagor to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through a mortgage adjustment. Changes to Mortgagor's monthly installments of principal and interest, as provided for herein.

(c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced and (ii) Mortgage paid to give the Adjusted Notice when required, and (iii) Mortgagor, consistently, has made any monthly installment payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Mortgagor, at Mortgagor's sole option, may either (1) demand that "sum from Mortgagee (who for the purpose of this sentence will be deemed to be the mortgagor, or mortgaggee, who received such Excess Payments, whether or not any such mortgagor subsequently assigned the Mortgage) of \$100, any portion of such Excess Payments, which interest accrued at a rate equal to the index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Mortgagor to Recipient, or (2) request that all or any portion of such Excess Payments, together with all interest thereon calculated as provided above, be applied as payments against principal.

Mortgagor will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Mortgagor to the lender until the first payment which occurs at least thirty (30) days after Mortgagor receives Notice to pay the adjusted monthly installment amount to Mortgagor. Mortgagor will continue to pay any additional monthly payment less than thirty (30) days after Mortgagor receives Notice to pay the adjusted monthly payment which occurs at least thirty (30) days after the first payment which occurs at least thirty (30) days after the adjusted monthly payment begins on the date specified in the Note to pay the adjusted monthly payment to Mortgagor.

(a) If the Existing Interests Rate changes on any Change Date, Mortgagor will recalculatethe monthly instalment payments of principal and interest to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Note have been taken into account), at the new Existing Interests Rate, in equal monthly payments. On or before the Change Date, Mortgagor will give Mortgagor written notice ("Adjustment Notice"), of any change in the Existing Interests Rate and of the revised amount of the monthly instalment of principal and interest, calculated as provided above. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date and (iii) the new Existing Interests Rate as adjusted on the Change Date, calculated as provided above. The Existing Interests Rate will be Mortgagor's monthly payment of principal and interest, calculated as provided above, plus the monthly instalment of principal and interest, calculated as provided above, less the monthly payment of principal and interest, calculated as provided above.
