ADJUSTABLE RATE OFFIC AL 4 CONPOSAVINGS* MORTGAGE CONVERSION RIDER

Loan Number: 001013929

THIS ADJUSTABLE RATE MORTGAGE CONVERSION RIDER is made this <u>8th</u> day of <u>September. 1988</u>, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Citicorp Savings of Illinois, a Federal Savings and Loan Association (the "Lender") and covering the property described in the Security Instrument located at:

618 A SOUTH LAFLIN

CHICAGO, ILLINOIS 60607

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender agree as follows:

The Adjustable Rate Note Conversion Rider to Borrower's Note contains provisions that allow the Borrower to convert the Adjustable Rate Note to a fixed rate Note. That Rider provides as follows:

A. Fixed Interest Rate Option

1. Option to Convert to Fixed Rate.

I have an option, (the "Anversion Option") which I can exercise to convert the interest rate I am required to pay by the $N \cup \nu$ from an Adjustable Rate to a Fixed Rate calculated under Section A (4) below for the remaining term of my Loan unless sections A(1) or A(2) of this Rider will not permit me to do so.

The conversion can only take place on a date specified by the Note Holder during the period of time (the "Conversion Period") beginning or the <u>First</u> Change Date and ending on the <u>Fifth</u> Change Date of my Note. Each date on which my adjustable interest rate can convert to a new fixed rate is called a "Conversion Date". I can convert my interest rate only on one of these Conversion Dates.

If I want to exercise the Conversion Option, I must rirst meet certain conditions. Those conditions are that: (a) I am not in default or foreclosure under the Note or the Security Instrument on the date I give the Lender notice that I want to exercise the Conversion Option, or on the date the Lender receives my signed Notice of Conversion; (b) I are not in default or foreclosure under the Note or the Security Instrument on the date on which my interest rate converts from an adjustable rate to a fixed rate (the "Conversion Date"); (c) I have not been assessed for more than one (1) late charge in the twelve (12) months immediately preceding the date I give the Lender notice that I want to exercise the Conversion Option, and I am not assessed a live charge from the time I give such notice to the Conversion Date; (d) within the times described below in Section A(2) I (i) give Lender notice of my desire to exercise the Conversion Option; (ii) say a non-refundable fee (the "Conversion Fee") equal to \$ 250.00 ; (iii) properly complete and return to the Lender the Notice of Conversion after I obtain from the Lender the information necessary to complete it; and (iv) I give Lender any additional documents and meet any additional requirements that may be necessary for exercise of the Conversion Option; and (e) no assumption of my loss has occurred. (If my loan is assumed, as may be permitted under certain conditions specified in ar Assumption Certificate that may have been delivered to me by the Lender, my loan will no longer be convertible to a fixed rate loan). My rights under this Rider are not assignable.

2. Exercise of Conversion Option

I may not begin the conversion process earlier than the month immediately preceding the First Change Date. My last opportunity to begin the conversion process is the month immediately preceding the Final Change Date to occur during the Conversion Period. I may begin the conversion process during any month between these months.

To begin the conversion process in a particular month, I must telephone Lender during regular business hours sometime from the opening of business on the first business day of that month through the close of business on the fourth business day of that month at Lender's Customer Service Department (312-977-5770) or at such other number as Lender may advise me. Lender will advise me of the fixed rate then available to me and give me instructions on completing my Notice of Conversion.

SAUSEDER

If I decide to exercise my Conversion Option, I must complete my Notice of Conversion and return it to Lender together with the Conversion Fee. The properly completed and signed Notice of Conversion and the Conversion Fee MUST be received by Lender no later than the seventh business day of that month. The Notice of Conversion and Conversion Fee must be received by Lender at its office specified during my telephone conversation required above. Delivery to one of Lender's other offices does not satisfy this delivery requirement, and may result in a delay that will render my attempted exercise of my Conversion Option null and void.

3. Effective Date of Fixed Interest Rate.

If I satisfy all of the conditions for exercising the Conversion Option described in Section A(2) above, the new fixed interest rate will go into effect on the first day of the month following Lender's receipt of the Notice of Conversion and Conversion Fee. This date is called the "Conversion Date". If I do not satisfy all of these conditions for exercising my Conversion Option, or I improperly complete or sign my Notice of Conversion, any attempted exercise of my Conversion Option will be of no effect. If I have timely satisfied all of these conditions for exercising my Conversion Option, I may cancel my exercise of my Conversion Option by notice signed by all Borrowers and received by Lender before the Conversion Date. If I do cancel however, my Conversion Option will become null and void, and my Note will remain an adjustable rate note until maturity.

4. Calculation of Fixed Rate

My new fixed interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I deliver my Notice of Conversion and Conversion Fee to Lender, and will be equal to the Federal National Mortgage Association's 30 year A/A 60 day delivery required net yield for fixed rate morton p is as quoted with no commitment fee (the "FNMA 60-Day Rate") plus 5/8 percentage points (the "Margin").

If the FNMA 60-Day Rate is not available when I exercise my Conversion Option, Note Holder will choose a substitute rate which is based on comparable information. If I exercise my Conversion Option, any limits on interest rate changes on any Change Date or over the full term of my Note will not apply when the fixed rate is established. However, the fixed interest rate will not exceed a maximum rate of 14.000 c_0 .

5. Determination of New Payment Amount.

If I choose to exercise the Conversion Option, the New Holder will determine the amount of the monthly payment that would be sufficient to repay the provided principal I am expected to owe on the Conversion Dato in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

B. Transfer of the property or a Beneficial Interest in Borrower

If the adjustable interest rate of my Note is converted to a fixed rate under this Conversion Option, all of the assumption rights available under the terms of any Assumption Certificate provided to me to supplementing the Note and Security Instrument will terminate on the Conversion Date, and the terms under which I may be required to pay in ful all emounts I owe under the Note which are described in the section of the Note captioned "Uniform Secured Note" shall continue to be in full force and effect without exception.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Mortgage Conversion Rider.

NOTICE: The Security Instrument secures a Note which contains a provision allowing for changes in the interest rate. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

This Rider is made this 8th day of September , 19 88 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Citicorp Savings of Illinois, A Federal Savings and Loan Association.

(the "Lender"), of the same date (the "Note") and covering the property described in the Security Instrument and located at

А.	INCORPORE	KALE	ADO	COL 4	ILTIV	LAAME	nt Changes	м

The Note has an "Initip" interest Rate" of 1st day of the man, the beginning on 2st day of the man, the beginning on 3st day of the man, the beginning on 3st day of the man, the beginning on 3st day of the month every 12st day

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: [Check one box to indicate Index.]

- (1) X * The weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year(s), as made available by the Federal Reserv. Board.
- (2) "The weekly auction average (investment) yield on six month United States Treasury Bills.
- (3) * Other:

In no event over the full term of the Note will the interest rate be increased more than Five and 3/8 percentage points (5.375 %) from the Initial Rate of Interest.

Before each Change Date the Note Holder will calculate the new interest rate by adding Three and 1/8 percentage points (3.125 %) to the Current Inter However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than Two percentage points (2 %) from the rate of interest currently being poid.

If the Interest rate changes, the amount of Borrower's monthly payments will class; e as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. Loan Charges

It could be that the loan secured by the Security Instrument is subject to a law which rels maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or by naking a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

C. Prior Liens

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to the priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower hall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in form satisfactory to Lender subordinating that lien to this Security Instrument.

D. Transfer of the Property

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) an increase in the limit on the amount of interest rate change over the full term of the Note, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

*If more than one box is checked, or if no box is checked, and Lender and Borrower do not otherwise agree in writing, the first Index named will apply to Notes with Change Date one year or more apart and the Second Index will apply to Notes with Change Dates less than one year apart.
