Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the property and that the property is unencumbered, except for encumbrances of record. Borrower, unless Borrower is an Illinois land trust, warrants and will defend generally the title to the property against all claims and demands, subject to any encumbrances of record.

Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest.** Borrower shall promptly pay when due by the terms of the Agreement the principal of and interest accrued on the indebtedness evidenced by the Agreement, together with any other fees, charges or premiums imposed by the Agreement or by this Mortgage.

2. **Line of Credit Loan.** This Mortgage secures a Line of Credit Loan Agreement. Borrower will enjoy access to that Line of Credit during the term hereof.

3. **Agreed Periodic Payments.** During the term hereof, Borrower agrees to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle (each Billing Cycle will be approximately one month). The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycle.

If, on the Maturity Date, Borrower still owes amounts under the Agreement, Borrower will pay those amounts in full on the Maturity Date.

4. **Finance Charges.** Borrower agrees to pay interest (a "Finance Charge") on the Outstanding Principal Balance of Borrower's Preferred Line Account as determined by the Agreement. Borrower agrees to pay interest at the Annual Percentage Rate of 14.40 %.

Lender reserves the right, after notice to Borrower, to change the Annual Percentage Rate, the Credit Limit, or cancel Borrower's Preferred Line Account.

5. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Agreement and this Mortgage shall be applied as provided in the Agreement. Charges incurred pursuant to paragraph 7 hereof will be treated as Finance Charges for purposes of application of payments only.

6. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attain priority over this Mortgage, and leasehold payments or ground rents, if any. Borrower shall promptly furnish to Lender receipts evidencing these payments.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or there is a legal proceeding that may significantly affect Lender's rights in the property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or Regulations), then Lender may do and pay for whatever is necessary to protect the value of the property and Lender's rights in the property. Lender's action may include paying any sums secured by a lien which has priority over this Mortgage, appearing in court, paying reasonable attorneys' fees and entering on the property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate provided in the Agreement and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

the 1960's, the U.S. government was faced with a major challenge to its credibility and authority. The Cuban Missile Crisis, the assassination of President John F. Kennedy, and the Vietnam War all contributed to a sense of national decline and uncertainty. The Space Race, which began in the early 1950's, provided a much-needed source of national pride and hope. The Soviet Union's launch of Sputnik in 1957 demonstrated that the United States was not the only superpower capable of launching a satellite into space. This led to a sense of competition and determination among Americans to catch up with the Soviets.

The 1960's also saw significant progress in civil rights. The Civil Rights Act of 1964 and the Voting Rights Act of 1965 were passed, making significant strides towards equality and justice. The Civil Rights Movement, led by figures like Martin Luther King Jr., Malcolm X, and Rosa Parks, played a crucial role in this progress.

Another important aspect of the 1960's was the counterculture movement. Figures like Bob Dylan, Jimi Hendrix, and Janis Joplin helped to define a new generation's attitudes towards society and politics. The Beatles' "Let It Be" and "All You Need Is Love" became anthems of the era, symbolizing a desire for peace and understanding.

The 1960's also saw significant technological advancements. The Space Race, led by the United States and the Soviet Union, resulted in the first moon landing in 1969. The development of the personal computer in the late 1960's and early 1970's also had a profound impact on society, leading to the rise of the Internet and the digital revolution.

The 1960's were a time of great social change and political protest. The Civil Rights Movement, the anti-war movement, and the women's rights movement all played a role in challenging traditional norms and values. The 1960's also saw the rise of environmentalism, as people began to realize the impact of industrialization and urbanization on the planet.
