23. Rider A-10: This Security Instrument, if one or more riders are executed by Borrower and recorded together with this Security Instrument, shall be incorporated as if the rider(s) were a part of this Security Instrument.

19. **Accessibilities:** Remmedis, Borrower and Lender further concur in the following provisions:

NON-UNIFORM COVENANTS. Borrower and Lender further concur in the following provisions:

of any covenant or agreement in this Security Instrument (but not prior to acceleration following Borrower's breach of any provision in this Security Instrument) The notice shall specify: (a) the default to cure the default within 30 days from the date the notice is given to Borrower; by which the default must be cured; (c) a date, not less than 30 days from the date the notice is given to Borrower to cure the default; and (d) that failure to cure the default on or before the date specified by Lender to cure the default will result in acceleration of the sum secured by this Security Instrument, notwithstanding any notice may result in acceleration of the sum secured to cure the default on or before the date specified by Lender to cure the default. The notice shall specify: (a) the default to cure the default within 30 days from the date the notice is given to Borrower; by which the default must be cured; (b) the action required to cure the default within 17 days from the date the notice is given to Borrower to cure the default; and (c) a date, not later than 30 days from the date the notice is given to Borrower to cure the default.

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30 day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

* A CHARGE ASSESSED BY THE LENDER IN CONNECTION WITH BORROWER'S ENTERING INTO THIS SECURITY INSTRUMENT TO PAY THE COST OF AN INDEPENDENT TAX REPORTING SERVICE SHALL NOT BE A CHARGE FOR PURPOSES OF THE PRECEDING SENTENCE.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note. The parties hereto shall have been given notice of this governing provision of the Note.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) to any person, it is agreed that the original Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument, and Borrower must pay all sums secured by this Security Instrument to the transferee within ten (10) days from the date of the transfer.

18. Borrower's Right to Remonstrate. If Borrower notices certain conditions, Borrower shall have the right to have remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Security Instruments. (a) If any note or instrument of any kind is delivered to the Lender in payment of any debt, the Lender may, at its option, require payment in full of all sums secured by this Security Instrument, and Borrower must pay all sums secured by this Security Instrument to the Lender within ten (10) days from the date of delivery of the note or instrument.

20. Acceleration of the Note. If Borrower fails to pay the sums due under this Note, Lender may invoke any remedy permitted by this Security Instrument.

21. Notice of Default. If Borrower fails to pay the sums due under this Note, Lender may invoke any remedy permitted by this Security Instrument.

22. Remedies. If Borrower fails to pay the sums due under this Note, Lender may invoke any remedy permitted by this Security Instrument.

23. Governing Law; Severability. This Security Instrument shall apply in the case of acceleration under paragraph 17.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amounts of the sums secured by before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If Leader requires reinsurance, he shall pay the premium as a condition of making the loan secured by this Security Instrument.

ADJUSTABLE RATE LOAN RIDER

Notice to Borrower: This Rider contains 2 special features: (1) The interest will change periodically based on changes in an Index. Your scheduled monthly payment will also change periodically. (2) The outstanding principal balance of the loan may increase over time. This will happen if your scheduled monthly payment is not large enough to pay all of the interest due and the Lender lends you the difference under the terms of the Note.

This Rider is made this 28th day of SEPTEMBER , 1988 , and is incorporated into, and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to CITY FEDERAL SAVINGS BANK , (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at 7129 N. MCALPIN AVENUE, CHICAGO, IL 60646

Modifications. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE CHANGE

The Note has an "Initial Interest Rate" of 7.500 %. The Note interest rate may be increased or decreased on the first day of the month beginning on APRIL 1, 1989 , and every ONE month thereafter. The dates on which the interest rate may change are called the "Interest Rate Change Dates."

Changes in the interest rate will be based on changes in a measure of the cost of money called the "Index". The Index will be stated as a percentage figure. The Index at the beginning of this loan is the one following the box which is marked:

The Federal Home Loan Bank of San Francisco's Monthly Weighted Average Cost of Funds for the Eleventh District Savings Institutions.

The Lender may substitute a new measure of the cost of money as the index if at any time the index being used ceases to be publicly announced by its source. The substituted index will be used to determine changes in the interest rate beginning with the first interest rate change after the substitution. Any substituted index will be beyond the control of the Lender and will be readily available to and verifiable by Borrower.

Changes in the interest rate will not cause the interest rate to be greater than 13.625 % or to be less than 6.000 % during the life of the loan.

To set each new interest rate, the Note Holder will first determine the "Current Index" figure. The Current Index figure is the one available on the last business day of the month preceding each Interest Rate Change Date.

Before each Interest Rate Change Date, the Note Holder will calculate the new interest rate by adding TWO AND ONE HALF percentage points (2.500 %) to the current unrounded index. The Note Holder will round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be the new interest rate until the next Interest Rate Change Date.

B. MONTHLY PAYMENT CHANGES: CAPITALIZED INTEREST

The secured indebtedness is payable in monthly installments. Monthly payments will be applied first to the interest due and then to principal. The interest due may be greater than the current amount of Borrower's scheduled monthly payment.

In that case, the interest due which is greater than the Borrower's scheduled monthly payment will be advanced on Borrower's account by Lender and added to the outstanding principal balance under the Note, unless otherwise paid by Borrower. Such capitalized interest is part of the indebtedness for which the Security Instrument secures repayment.

UNOFFICIAL COPY

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

By signing this Rider, Borrower agrees to all of the above.

(ii) all of any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent; Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercisable by Lender if exercisable is prohibited by federal law as of the date of this Security Instrument. Lender shall also not be liable for any loss or expense resulting from the exercise of this option.

TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

!! Landlord determines that all or any part of the sums secured by this Security instrument are subject to a lien which has priority over this Security instrument, Landlord may send Borrower a notice detailing that lien. Borrower shall promptly act with regard to that lien as provided in Paragraph 4 of this Security instrument, or shall promptly agree in a form satisfactory to Landlord to subordinate that lien to this Security instrument.

PRIOR LIENS

It could be argued that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and interest or other legal charges collected or to be collected in connection with the loan, would exceed permitted limits. This is the case, then (A) Any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) Any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note, or by making a direct payment to Borrower.

LOAN CHARGES

The Lender will set aside monthly payments until such time as the amount paid equals the amount of interest capitalized as provided above since the beginning of the loan payment at any time the total of the amount of interest capitalized as provided above since the beginning of the loan reaches \$ 10,800.00.

On the 11th Monthly Payment Adjustment Date and on each succeeding 11th Monthly Payment Adjustment Date thereafter, the Borrower will begin paying the Full Payment as Borrower's monthly payment until the monthly payment is fully paid in full. Borrower will also begin paying the final monthly payment as Borrower's monthly payment on the 11th Adjustment Date. Borrower will also begin paying the final monthly payment as Borrower's monthly payment on the 11th Adjustment Date. The Borrower will also begin paying the final monthly payment as Borrower's monthly payment on the 11th Adjustment Date. The Borrower will also begin paying the final monthly payment as Borrower's monthly payment on the 11th Adjustment Date.

On the minimum voluntary payment requirement, the voluntary payment changes will be limited to an increase of decreases of 7½% from the prior year's payment except as noted below.

- (a) The business lending principal balance,
 (b) The then current interest rate,
 (c) The remaining term of the loan.

On NOVEMBER 1, 1989 and every 12 months thereafter (the "Monthly Payment Adjustment Date"), Borrower's monthly payment will also be reset. In reselling the monthly payment on those dates, the Lender will determine the amount of the monthly payment on the basis of the following factors:

Borrower's monthly payment for the first 12 months will be in the amount of U.S. \$ 755.16
