24. Acceleration. Lender shall give notice to Borrower prior to acceleration following Borrower's
breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17
unless specifically law otherwise); (a) the notice shall specify; (b) the action required to cure the
default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured;
and (d) later failure to cure the default on or before the date specified in the notice may result in acceleration of the sums
secured by this Security Instrument, foreclose by judicial proceeding and sale of the Property. The notice shall inform
Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-
extinction of the debt specified in the notice or other debt or obligation incurred in purposing this Security
Instrument without further demand and may foreclose this Security Instrument in full or all sums secured by
this Security Instrument after acceleration and the right to assert in the foreclosure proceeding the non-
extinction of the debt specified in the notice or other debt or obligation incurred in purposing this Security
Instrument. Lender shall provide the remedies provided in this paragraph 19, including,
but not limited to, reasonable attorney's fees and costs of title evidence.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

UNOFFICIAL COPY

If Lender required ~~mortgage insurance~~ as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

E. TRANSFER OF THE PROPERTY; ASSUMPTION

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

17. Transfer of the Property; Assumption. If all or any part of the Property or an interest therein is sold or transferred by Borrower without Lender's prior written consent, excluding (a) the creation of a lien or encumbrance subordinate to this Security Instrument which does not relate to a transfer of rights of occupancy in the property, (b) the creation of a purchase money security interest for household appliances, (c) a transfer by devise, descent or by operation of law upon the death of a joint tenant or (d) the grant of any leasehold interest of three years or less not containing an option to purchase, Lender may, at Lender's option, declare all the sums secured by this Security Instrument to be immediately due and payable.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may put the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 18 hereof.

Lender may consent to a sale or transfer if: (1) Borrower causes to be submitted to Lender information required by Lender to evaluate the transferee as if a new loan were being made to the transferee; (2) Lender reasonably determines that Lender's security will not be impaired and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable; (3) interest will be payable on the sums secured by this Security Instrument at a rate acceptable to Lender; (4) changes in the terms of the Note and this Security Instrument required by Lender are made, including, for example, periodic adjustment in the interest rate, a different final payment date for the loan, and addition of unpaid interest to principal; and (5) the transferee signs an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument, as modified or required by Lender. To the extent permitted by applicable law, Lender also may charge a reasonable fee as a condition to Lender's consent to any sale or transfer.

Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

F. BORROWER'S RIGHT TO REINSTATE

Non-Uniform Covenant 19 ("Borrower's Right to Reinstate") is amended to read as follows:

19. Borrower's Right to Reinstate. Notwithstanding Lender's acceleration of the sums secured by this Security Instrument, Borrower shall have the right to have any proceedings begun by Lender to enforce this Security Instrument discontinued only if applicable law so provides. Any right to reinstate shall be exercised in the manner required by such law.

G. NO FUTURE ADVANCES

Non-Uniform Covenant 21 of the Security Instrument ("Future Advances") is deleted.

H. LOAN CHARGES

If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed permitted limits, then (1) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; and (2) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment under the Note.

I. LEGISLATION

If, after the date hereof, enactment or expiration of applicable laws have the effect either of rendering the provisions of the Note, the Security Instrument or this Adjustable Rate Rider (other than this paragraph I) unenforceable according to their terms, or all or any part of the sums secured hereby uncollectable, as otherwise provided in the Security Instrument and this Adjustable Rate Rider, or of diminishing the value of Lender's security, then Lender, at Lender's option, may declare all sums secured by the Security Instrument to be immediately due and payable. The parties hereto agree that such an enactment or expiration of applicable laws would produce a mutual mistake in law.

IN WITNESS WHEREOF, Borrower has executed this Adjustable Payment Rider.

UNOFFICIAL COPY

I will make my monthly payments at Great American Federal Savings & Loan Association, 1001 Lake Street, Oak Park, IL 60301, or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$. . . **646.09** The Note Holder will change my monthly payment as required by Section 4(C) below on the **.9TH** Interest Change Date and on that day every **.60TH** month thereafter. Each of these dates is called a "Payment Change Date." The Note Holder will also change my monthly payment on any Interest Change Date if Section 5(B) below requires me to pay the Full Monthly Amount.

(C) Calculation of Monthly Payment Changes

Before each Payment Change Date, the Note Holder will calculate a new monthly payment sufficient to repay the unpaid principal balance on my loan in full over the remaining amortization period at the Payment Rate in substantially equal payments. The "Payment Rate" is the Index on the most recent Interest Change Date plus **TWO AND ^{750/1000THS} 2.750%**.

I will pay the amount of my new monthly payment until the next Payment Change Date unless Section 5(B) below requires me to pay the Full Monthly Amount.

(D) Effective Date of Payment Changes

Until my monthly payment is again changed, I will pay the amount of my new monthly payment each month beginning on the first monthly payment date after the Payment Change Date, or Interest Change Date if I am required to pay the Full Monthly Amount.

5. UNPAID PRINCIPAL BALANCE

(A) Changes in My Unpaid Principal Balance

My monthly payment could be less than the amount of the interest portion of the first Full Monthly Amount I owe or less than the interest portion of my first Full Monthly Amount after an Interest Change Date. If so, the Note Holder will subtract the amount of my monthly payment from the amount of interest I owe and will add the difference to my unpaid principal balance each month until the next Interest Change Date. The Note Holder will also add interest on the amount of this difference to my unpaid principal balance each month. Until the next Interest Change Date when the Note Holder determines my new rate of interest on my then unpaid principal balance, the rate of interest on the interest added to principal will be the rate determined in Section 2 above.

My monthly payment could be more than the amount of the Full Monthly Amount. If so, the Note Holder will subtract the difference from the unpaid principal balance of my loan each month until the next Interest Change Date as if I had made a partial prepayment under Section 7 below.

(B) Limit on Unpaid Principal Balance; Required Full Monthly Amount

My unpaid principal balance can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed. If my paying the amount of my monthly payment after any Interest Change Date would cause the unpaid principal balance to exceed that maximum amount at any time, I must pay instead the Full Monthly Amount as my monthly payment until the next Payment Change Date.

6. NOTICE OF CHANGES

The Note Holder will mail or deliver to me a notice of any changes in the Full Monthly Amount and my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents; if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall send Borrower notice identifying such lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within ten days of the giving of notice.

C. NOTICE

Uniform Covenant 14 of the Security Instrument is amended to read as follows:

14. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

D. UNIFORM MORTGAGE; GOVERNING LAW; SEVERABILITY

Uniform Covenant 15 of the Security Instrument is amended to read as follows:

15. Uniform Mortgage; Governing Law; Severability. This form of Security Instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Note are declared to be severable.
