Uniform Covenants, Borrower and Lender covenants in this Agreement follows:

1. PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, any prepayment and late charges provided in the Note and all other sums secured by this Instrument.

2. FUNDS FOR TAXES, INSURANCE AND OTHER CHARGES. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly installments of principal or interest are payable under the Note (or on another day designated in writing by Lender), until the Note is paid in full, a sum (herein "Funds") equal to: (a) the yearly water and sewer rates and taxes and assessments which may be levied on the Property; (b) the yearly ground rents (if any); (c) the yearly premium installments for fire and other hazard insurance, rent loss insurance and such other insurance covering the Property as Lender may require pursuant to paragraph 5 hereof; (d) the yearly premium installments for mortgage insurance, if any; and (e) if this Instrument is on a leasehold, the yearly fixed rents, if any, under the ground lease, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Any waiver by Lender of a requirement that Borrower pay such Funds may be revoked by Lender in Lender's sole discretion at any time upon notice in writing to Borrower. Lender may require Borrower to pay to Lender in advance such other Funds for other taxes, charges, premiums, assessments and impositions in connection with Borrower or the Property which Lender shall reasonably deem necessary to protect Lender's interests (herein "Other Impositions"). Unless otherwise provided by applicable law, Lender may require Funds for Other Impositions to be paid by Borrower in a lump sum or in periodic installments at Lender's option.

The Funds shall be held in an institution(s) the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said rates, rents, taxes, assessments, insurance premiums and Other Impositions so long as Borrower is not in breach of any covenant or agreement of Borrower in this Instrument. Lender shall make no charge for withholding and applying the Funds, analysing said account for verifying and compiling said assessments and bills, unless Lender pays Borrower interest, earnings or profits on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made, if applicable law requires interest, earnings or profits to be paid, Lender shall not be required to pay Borrower any interest, earnings or profits on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds in Lender's normal format showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Instrument.

If the amount of the Funds held by Lender at the time of the annual accounting thereof shall exceed the amount deemed necessary by Lender to provide for the payment of water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, such excess shall be credited to Borrower in the next monthly installment or installments of Funds due. If at any time the amount of the Funds held by Lender shall be less than the amount deemed necessary by Lender to pay water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may apply, in any amount and in any order as Lender shall determine in Lender's sole discretion, any Funds held by Lender at the time of application, to pay rates, rents, taxes, assessments, insurance premiums and Other Impositions which are then or will hereafter become due or to use as a credit against sums secured by this Instrument. Upon payment in full of all sums secured by this Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender from Borrower under the Note or this Instrument shall be applied by Lender in the following order of priority: (a) amounts payable to Lender by Borrower under paragraph 2 hereof; (b) interest payable on the Note; (c) principal of the Note or any interest payable on advances made pursuant to paragraph 3 hereof; (d) principal of advances made pursuant to paragraph 3 hereof; (e) interest payable on any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the amounts of interest payable on the Future Advances in such order as Lender, in Lender's sole discretion, may determine; (f) principal of any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the principal balances of the Future Advances in such order as Lender, in Lender's sole discretion, may determine; and (g) any other sums secured by this Instrument in such order as Lender, at Lender's option, may determine, provided, however, that Lender may, at Lender's option, apply any sums payable pursuant to paragraph 3 hereof prior to interest on and principal of the Note, but such application shall not otherwise affect the order of priority of application specified in this paragraph 3.

4. CHARGES; LIENS. Borrower shall pay all water and sewer rates, rents, taxes, assessments, premiums, and Other Impositions affecting the Property at Lender's option in the manner provided under paragraph 2 hereof, if not paid in such manner, by Borrower making payment when due, directly to the payee thereof, or in such other manner as Lender may designate in writing. Borrower shall promptly furnish Lender a notice of amounts due under this paragraph 4, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has or may have priority over or equality with the lien of this Instrument, and Borrower shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Property Without Lender's prior written permission. Borrower shall not allow any lien inferior to this Instrument to be perfected against the Property.

5. HAZARD INSURANCE. Borrower shall keep the improvements now existing or hereafter erected on the Property insured by carriers at all times satisfactory to Lender against loss by fire, hazards included within the term "extended coverage", rent loss and such other hazards, casualties, liabilities and contingencies as Lender (and, if this Instrument is on a leasehold, the ground lease) shall require and in such amounts and for such periods as Lender shall require. All premiums on insurance policies shall be paid at Lender's option, in the manner provided under paragraph 2 hereof, or by Borrower making payment, when due, directly to the carrier, or in such other manner as Lender may designate in writing.

All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy in form satisfactory to Lender. If this Instrument is on a leasehold, Borrower shall furnish Lender a duplicate of all policies, renewal notices, renewal policies and receipts of paid premiums if, by virtue of the ground lease, the originals thereof may not be supplied by Borrower to Lender.

In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and empowers Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Lender's expenses incurred in the collection of such proceeds, provided however, that nothing contained in this paragraph 5 shall require Lender to incur any expense or take any action hereunder. Borrower further authorizes Lender, at Lender's option, (a) to hold the balance of such proceeds to be used to reimburse Borrower for the cost of reconstruction or repair of the Property or (b) to apply the balance of such proceeds to the payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof (subject, however, to the rights of the lessor under the ground lease if this Instrument is on a leasehold).

If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its original condition or such other condition as Lender may approve in writing. Lender may, at Lender's option, condition disbursement of said proceeds on Lender's approval of such plans and specifications of an architect satisfactory to Lender, contractor's cost estimates, architect's certificates, waivers of liens, sworn statements of mechanics and materialmen and such other evidence of costs, percentage completion of construction, application of payments, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this Instrument, any such application of proceeds to principal shall not extend or postpone the due dates of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amounts of such installments. If the Property is sold pursuant to paragraph 27 hereof or if Lender acquires title to the Property, Lender shall have all of the right, title and interest of Borrower in and to any insurance policies and unearned premiums thereon and in and to the proceeds resulting from any damage to the Property prior to such sale or acquisition.

6. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOLDS. Borrower (a) shall not commit waste or permit impairment or deterioration of the Property, (b) shall not abandon the Property, (c) shall restore or repair promptly and in a good and workmanlike manner all

14. ESTOPPEL CERTIFICATE. Borrower shall within ten days of a written request from Lender furnish Lender with a written statement, duly acknowledged, setting forth the sums secured by this Instrument and any right of set-off, counterclaim or other defense which exists against such sums and the obligations of this instrument.

15. UNIFORM COMMERCIAL CODE SECURITY AGREEMENT. This Instrument is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Property which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and Borrower hereby grants Lender a security interest in said items. Borrower agrees that Lender may file this Instrument, or a reproduction thereof, in the real estate records or other appropriate index, as a financing statement for any of the items specified above as part of the Property. Any reproduction of this Instrument or of any other security agreement or financing statement shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, upon Lender's request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of this Instrument in such form as Lender may require to perfect a security interest with respect to said items. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said items, including replacements and additions thereto. Upon Borrower's breach of any covenant or agreement of Borrower contained in this Instrument, including the covenants to pay when due all sums secured by this Instrument, Lender shall have the remedies of a secured party under the Uniform Commercial Code and, at Lender's option, may also invoke the remedies provided in paragraph 27 of this Instrument as to such items. In exercising any of said remedies, Lender may proceed against the items of real property and any items of personal property specified above as part of the Property separately or together and in any order whatever, without in any way affecting the availability of Lender's remedies under the Uniform Commercial Code or of the remedies provided in paragraph 27 of this Instrument.

16. LEASES OF THE PROPERTY. As used in this paragraph 16, the word "lease" shall mean "sublease" if this Instrument is on a leasehold. Borrower shall comply with and observe Borrower's obligations as landlord under all leases of the Property or any part thereof. Borrower will not lease any portion of the Property for non-residential use except with the prior written approval of Lender. Borrower, at Lender's request, shall furnish Lender with executed copies of all leases now existing or hereafter made of all or any part of the Property, and all leases now or hereafter entered into will be in form and substance subject to the approval of Lender. All leases of the Property shall specifically provide that such leases are subordinate to this Instrument; that the tenant attorns to Lender, such attornment to be effective upon Lender's acquisition of title to the Property, that the tenant agrees to execute such further evidences of attornment as Lender may from time to time request; that the attornment of the tenant shall not be terminated by foreclosure; and that Lender may, at Lender's option, accept or reject such attornments. Borrower shall not, without Lender's written consent, create, modify, surrender or terminate, either orally or in writing, any lease now existing or hereafter made of all or any part of the Property providing for a term of three years or more, permit an assignment or sublease of such a lease without Lender's written consent, or request or consent to the subordination of any lease of all or any part of the Property to any lessor subordinate to this Instrument. If Borrower becomes aware that any tenant proposes to do, or is doing, any act or thing which may give rise to any right of set-off against rent, Borrower shall (i) take such steps as shall be reasonably calculated to prevent the accrual of any right to a set-off against rent, (ii) notify Lender thereof and of the amount of said set-offs, and (iii) within ten days after such accrual, reimburse the tenant who shall have acquired such right to set-off or take such other steps as shall effectively discharge such set-off and as shall assure that rents thereafter due shall continue to be payable without set-off or deduction.

Upon Lender's request, Borrower shall assign to Lender, by written instrument satisfactory to Lender, all leases now existing or hereafter made of all or any part of the Property and all security deposits made by tenants in connection with such leases of the Property. Upon assignment by Borrower to Lender of any leases of the Property, Lender will have all of the rights and powers possessed by Borrower prior to such assignment and Lender shall have the right to modify, extend or terminate, all existing leases and to execute new leases in Lender's sole discretion.

17. REMEDIES CUMULATIVE. Each remedy provided in this Instrument is distinct and cumulative to all other rights or remedies under this Instrument or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatever.

18. ACCELERATION IN CASE OF BORROWER'S INSOLVENCY. If Borrower shall voluntarily file a petition under the Federal Bankruptcy Act, as such Act may from time to time be amended, or under any similar or successor Federal statute relating to bankruptcy, insolvency arrangements or reorganizations, or under any state bankruptcy or insolvency act, or file an answer in an involuntary proceeding admitting insolvency or inability to pay debts, or if Borrower shall fail to obtain a vacation of stay in an involuntary proceeding brought for the reorganization, dissolution or liquidation of Borrower, or if Borrower shall be adjudged a bankrupt, or if trustee or receiver shall be appointed for Borrower or Borrower's property, or if the Property shall become subject to the jurisdiction of a Federal bankruptcy court or similar state court, or if Borrower shall make an assignment for the benefit of Borrower's creditors, or if there is an attachment, execution or other judicial seizure of any portion of Borrower's assets and such seizure is not discharged within ten days, then Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable without prior notice to Borrower, and Lender may invoke any remedies permitted by paragraph 27 of this Instrument. Any attorney's fees and other expenses incurred by Lender in connection with Borrower's bankruptcy or any of the other aforesaid events shall be added to the additional indebtedness of Borrower secured by this Instrument pursuant to paragraph 8 hereof.

19. TRANSFERS OF THE PROPERTY OR BENEFICIAL INTERESTS IN BORROWER; ASSUMPTION. On sale or transfer of all or any part of the Property, or any interest therein, or on beneficial interests in Borrower (if Borrower is not a natural person or persons but a corporation, partnership, trust or other legal entity), Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable, and Lender may invoke any remedies permitted by paragraph 27 of this Instrument. This option shall not apply in case of:

- (a) transfers by devise or descent, or by operation of law, upon the death of a joint tenant or a partner;
- (b) sales or transfers when the transferee's creditworthiness and management ability are satisfactory to Lender, and the transferee has executed prior to the sale or transfer a written assumption agreement containing such terms as Lender may require, including, if required by Lender, an increase in the rate of interest payable under the Note;
- (c) the grant of a leasehold interest in a part of the Property of three years or less, or such longer lease term as Lender may permit by prior written approval, not containing an option to purchase, except an interest in the ground lease, if this Instrument is on a leasehold;
- (d) sales or transfers of beneficial interests in Borrower provided that such sales or transfers, together with any prior sales or transfers of beneficial interests in Borrower, but excluding sales or transfers under subparagraphs (a) and (b) above, do not result in more than 49% of the beneficial interests in Borrower having been sold or transferred since commencement of amortization of the Note; and
- (e) sales or transfers of fixtures or any personal property pursuant to the last paragraph of paragraph 9 hereof.

20. NOTICE. Except for any notice required under applicable law to be given in another manner, (i) any notice to Borrower provided for in this Instrument or in the Note shall be given by mailing such notice by certified mail addressed to Borrower at Borrower's address stated herein or at such other address as Borrower may designate by notice to Lender as provided herein, and (ii) any notice to Lender shall be given by certified mail, return receipt requested, to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Instrument or in the Note shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

21. SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY; AGENTS; CAPTIONS. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 19 hereof. All covenants and agreements of Borrower shall be joint and several. In exercising any rights hereunder or taking any actions provided for herein, Lender may act through its employees, agents or independent contractors as authorized by Lender. The captions and headings of the paragraphs of this Instrument are for convenience only and are not to be used to interpret or define the provisions hereof.

22. UNIFORM INSTRUMENT; GOVERNING LAW; SEVERABILITY. This form of instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property and related fixtures and personal property. This Instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision of this Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Instrument or the Note which can be given effect without the conflicting provisions, and to this end the provisions of this
