

ASSIGNMENT OF LEASES AND RENTS

TWIN OAKS PARCEL

This ASSIGNMENT OF LEASES AND RENTS ("Assignment") is made as of the 4th day of November, 1988, from BALMORAL RIVER PROPERTIES, a general partnership ("Beneficiary"), and LA SALLE NATIONAL BANK, not personally, but as Trustee under Trust Agreement dated December 23, 1986, and known as Trust No. 111928 ("Trustee" - Beneficiary and Trustee collectively known as "Assignor"), to BARCLAYS BANK PLC ("Assignee").

R E C I T A L S :

A. Beneficiary and Assignee are parties to a certain Loan Agreement dated December 30, 1986 ("Existing Loan Agreement"), pursuant to which Assignee made a loan to Beneficiary in the principal amount of \$300,000 ("Original Loan"), subject to the terms and conditions set forth therein.

B. Beneficiary and Assignee have also entered into two forms of Application and Agreement for Standby Letter of Credit dated December 30, 1986 ("Application and Agreement"), relating to two letters of credit ("Letters of Credit") issued by Assignee contemporaneously therewith, one in the amount of \$1,100,000 running in favor of First State Bank of Chicago ("First State L/C"), the other in the amount of \$4,550,000 originally running in favor of Ticor Title Insurance Company of California, as Escrowee (which \$4,550,000 letter of credit was subsequently replaced by a second letter of credit running in favor of Donald E. Stephens, but shall be referred to herein as the "Ticor L/C").

C. At Beneficiary's request, Assignee previously made an additional loan, also subject to the terms and conditions of the Existing Loan Agreement, in the principal amount of \$1,450,000, which loan with the Original Loan was evidenced by an additional promissory note dated April 1, 1987, in the principal amount of \$1,750,000 ("Additional Note"), executed by Assignor and payable to the order of Assignee; and contemporaneously with the making of such loan, the Ticor L/C was reduced in amount to \$3,100,000.

D. At Beneficiary's request, Assignee previously made a second additional loan, also subject to the terms and conditions of the Existing Loan Agreement, in the principal amount of \$500,000, which with the Additional Note was evidenced by an amended and restated promissory note dated July

16, 1987, in the principal amount of \$2,250,000 (the "Amended and Restated Promissory Note") executed and delivered by the Assignor, and payable to the order of Assignee, with the final payment of the entire balance thereof due on December 31, 1988 (such date thereafter extended by amendment to December 31, 1989); and contemporaneously with the making of such loan, the Ticor L/C was reduced in amount to \$2,600,000 .

E. At Beneficiary's request, Assignee previously made a third additional loan in the principal amount of \$1,050,000 which, together with the Amended and Restated Promissory Note was evidenced by a second amended and restated promissory note dated April 1, 1988, in the principal amount of \$3,300,000 (the "Second Amended and Restated Promissory Note"), executed and delivered by Trustee and Beneficiary and payable to the order of the Assignee with a payment of the final balance due on December 31, 1989; and contemporaneously with the making of such loan the Ticor L/C was reduced in the amount to \$1,550,000 (the indebtedness evidenced and secured by the Second Amended and Restated Promissory Note (as amended or restated from time to time) together with the Letters of Credit (as amended, reissued or reduced in amount from time to time) is collectively called the "Original Facility").

F. Beneficiary and Assignee have entered into a Commitment Letter Agreement dated as of February 5, 1988, as amended by amendment of even date herewith ("Letter Agreement"), pursuant to which Assignee has agreed to loan \$9,750,000 to Assignor for the purposes therein set forth (the "Subsequent Facility").

G. Pursuant to the terms of the Letter Agreement, Assignor has executed and delivered to Assignee a promissory note dated as of February 5, 1988, the principal amount of which is \$9,750,000 ("Subsequent Note") to evidence the Subsequent Facility, which amount is not cumulative but is in addition to the amount evidenced by the Second Amended and Restated Promissory Note and the Letters of Credit (the maximum aggregate principal amount of the Original Facility and the Subsequent Facility thus being \$15,700,000) wherein Assignor promises to pay the said principal sum of \$9,750,000 (or as much thereof as has been disbursed and is outstanding from time to time) and interest on the note and in the manner set forth in the Letter Agreement, with a final payment of the entire balance due on December 31, 1989.

H. Beneficiary is the sole beneficiary of Trustee, which in turn has an interest in the "Premises" defined hereinbelow.

1. The execution and delivery of this Assignment of Leases and Rents is a condition to the Assignee's obligation to fund disbursements of the Subsequent Facility pursuant to the Letter Agreement.

## A G R E E M E N T S:

NOW, THEREFORE, in order to secure the payment of the Original Facility (including but not limited to any drawings on either of the Letters of Credit) and the Subsequent Facility and the performance by Assignor of the covenants and agreements contained herein and in the Existing Loan Agreement, the Letter Agreement, the Application and Agreement and all other loan documents described in the Letter Agreement including, without limitation, the "Modified Existing Loan Documents" and the "Subsequent Loan Documents" (both such terms being defined in the Letter Agreement -- all of the foregoing being herein collectively "Loan Documents"), Assignor and Assignee hereby covenant and agree as follows:

1. Assignor hereby sells, assigns and transfers unto Assignee any and all leases, whether written or verbal, and any and all lettings, and any and all agreements for the use or occupancy, of the real property legally described in Exhibit A attached hereto ("Premises"), or any part thereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by Assignee under the powers herein granted (collectively, "Leases"), together with all the rents, issues and profits now due and which may hereafter become due under or by virtue of any Lease, it being the intention hereby to establish an absolute transfer and assignment of all Leases and all the rents, issues, profits and avails thereunder, to Assignee. Assignor hereby irrevocably appoints Assignee its true and lawful attorney in its name and stead (with or without taking possession of the Premises as provided in Section 3 hereof) to rent, lease or let all or any portion of the Premises to any party or parties at such rental and upon such terms as Assignee shall determine, in its sole discretion, and to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, which is now due or may hereafter become due under each and every of the Leases with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity as Assignee would have upon taking possession pursuant to the provisions of Section 3 below.

2. Assignor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than one installment in advance and that the payment of none of the rents to accrue for any portion

of the said Premises has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by Assignor. Assignor waives any rights of set off against any person in possession of any portion of the Premises. Assignor agrees that it will not assign any of the rents or profits of the Premises, except to a permitted purchaser or grantee of the Premises. This assignment and grant shall continue in effect until Assignor's obligations under the Letter Agreement and the Loan Documents are fully performed and satisfied.

3. In the event of a default by Beneficiary under the Letter Agreement or any other Loan Documents evidencing or securing the Original Facility or the Subsequent Facility or the obligations of Assignor under the Letter Agreement, and the expiration of any applicable notice or grace period (the foregoing being hereinafter called a "Default"), Assignor shall, forthwith, upon demand by Assignee, surrender to Assignee, and Assignee shall be entitled to take actual possession of, the Premises or any part thereof personally or by its agent or attorneys. In such event, Assignee in its discretion may, in accordance with law, enter upon and take and maintain possession of all or any part of the Premises together with all documents, books, records, papers and accruals of Assignor or the then owner or party in possession of the Premises relating thereto and may exclude the then owner or party in possession of the Premises relating thereto and may exclude Assignor's or said owner's or party's respective agents or servants wholly therefrom and may, as attorney in fact, as agent for Assignor or in its own name as Assignee, and under the powers herein granted, hold, operate, manage and control the Premises and conduct the business, if any, thereof, either personally or by its agents, and with full power to use such measures, legal or equitable, as in its discretion or in the discretion of its successors or assigns may be deemed proper or necessary to enforce the payment of security of the avails, rents, issues, and profits of the Premises, including actions for the recovery of rent, actions in forcible detainer and actions in distress for rent, and with full power: (a) to cancel or terminate any lease or sublease for any cause or on any ground which would entitle Assignor to cancel the same; (b) to elect to disaffirm any lease or sublease which is then subordinate to this Assignment; (c) to extend or modify any then existing leases and to make new leases, which extensions, modifications and new leases may provide for terms to expire, or for options to lessees to extend or renew terms to expire, beyond the maturity of the Original Facility and the Subsequent Facility pursuant to the Letter Agreement or as described hereinabove, it being understood and agreed that any such leases, and the options or other such provisions to be contained therein, shall be binding upon Assignor and all

persons whose interests in the Premises are subject to this Assignment; (d) to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Premises as to Assignee may seem judicious; (e) to insure and reinsure the same and all risks incidental to Assignee's possession, operation and management thereof; and (f) to receive all of such avails, rents, issues and profits -- Assignor hereby granting full power and authority to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter, without notice to Assignor.

Assignor shall be deemed to have constituted and appointed Assignee its true and lawful attorney-in-fact with full power of substitution either in the name of Assignee or in the name of Assignor, to exercise any of the powers granted to Assignee pursuant to this Section 3. Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any of the Leases. Assignor shall and does hereby agree to indemnify and hold Assignee harmless of and from any and all liability, loss or damage which Assignee may or might incur by reason of its performance of any action authorized under this Section 3 and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements of Assignor. Nothing herein contained shall be construed as constituting Assignee in possession in the absence of the taking of actual possession of the Premises by Assignee pursuant to this Section 3. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by Assignor, its successors and assigns.

4. Assignee, in the exercise of the rights and powers hereinabove conferred upon it by Sections 1 and 3 hereof, shall have full power to use and apply the avails, rents, issues and profits of the Premises to the payment of or on account of the following, in such order as Assignee may determine:

(a) to the payment of the operating expenses of the Premises, including but not limited to the cost of the management and leasing thereof (which shall include compensation to Assignee and its agent or agents, if management be delegated to an agent or agents, and shall include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims

for damages, if any, and premiums on insurance hereinabove authorized;

(b) to the payment of taxes and special assessments now due or which may hereafter become due on the Premises;

(c) to the payment of all repairs, decorating, renewals, replacements, alterations, additions, betterments, and improvements of the Premises, and of placing the Premises in such condition as will, in the judgment of Assignee, make it readily rentable;

(d) to the repayment of principal and interest on the Loan and to the payment of all other sums which Assignor is obligated to pay under the Letter Agreement and all Loan Documents.

5. Although it is the intention of the parties that the assignment contained herein shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that Assignee shall not exercise any of the rights or powers conferred upon it hereby until a Default shall occur or arise. Any avails, rents, issues and profits collected and received by Assignor after the occurrence of a Default shall be deemed collected and received by Assignor in trust for Assignee and Assignor shall account to Assignee for the full amount of such collections and receipts.

6. Assignor further agrees to assign and transfer to Assignee all future Leases upon all or any part of the Premises and to execute and deliver, at the request of Assignee, all such further assurances and assignments in the Premises as Assignee shall from time to time require. Assignor shall pay Assignee the expenses incurred by Assignee in connection with the preparation, execution and recording of any such assignment or agreement.

7. This Assignment is given as collateral security for the indebtedness and obligations described herein and the execution and delivery hereof shall not in any way impair or diminish the obligations of Assignor or any other person under any of the Loan Documents, nor shall this Assignment impose any obligation on Assignee to perform any provision of any Lease or any responsibility for the nonperformance thereof by Assignor or any other person. This Assignment is given as a primary assignment of the rights described herein and such assignment shall not be deemed secondary to any other collateral securing the performance of Assignor's obligations under the Letter Agreement or any of the other Loan Documents. Assignee shall

have the right to exercise any rights under this Assignment before, together with or after exercising any other rights under any of the Loan Documents.

8. Each and all of the covenants and obligations of this Assignment shall be binding upon and inure to the benefit of the parties hereto, and except as herein otherwise specifically provided, their respective successors and assigns, subject at all times nevertheless to all agreements and restrictions contained in the Loan Documents.

9. All notices, demands, deliveries and other communications required under this Assignment or desired by the parties hereto shall be given in the manner provided, and to the addresses specified, in the Letter Agreement.

10. This Assignment shall be construed and interpreted with, and governed by, the internal laws of the State of Illinois (without giving effect to Illinois choice of law principles). Whenever possible, each provision of this Assignment shall be interpreted in such manner as to be effective and valid under the applicable law, but if any provision of this Assignment shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Assignment.

11. This instrument is executed by LA SALLE NATIONAL BANK, not personally but as Trustee aforesaid in the exercise of the power and authority conferred upon and vested in it as such Trustee (and said Trustee hereby warrants that it possesses full power and authority to execute this instrument) and it is expressly understood and agreed that nothing herein contained shall be construed as creating any liability on said Trustee personally to perform any covenant either express or implied contained herein or in any of the other Loan Documents, all such liability, if any, being expressly waived by Assignee and by every person now or hereinafter claiming any right of security hereunder. Trustee's Exoneration Rider Attached Hereto And Made A Part Hereof

It is further agreed by the parties hereto that whenever and wherever the provisions of this ASSIGNMENT OF RENTS contains any reference to the right of the ASSIGNEE to be indemnified, saved harmless, or reimbursed by ASSIGNOR for any costs, claims, loss, fines, penalties, damages or expenses of any nature, including without limitation, attorney's fees, arising in any way out of the execution of this instrument or the relationship of ASSIGNEE - ASSIGNOR under this instrument, then such obligation, if any, on the part of the ASSIGNOR shall be construed to be only a right of reimbursement in favor of ASSIGNEE out of the trust estate held under Trust No. 111928, from time to time, so far as the same may reach; and in no case shall any claim of liability or right of reimbursement be asserted against the LaSalle National Bank individually, all such personal liability, if any, being hereby expressly waived; and this agreement shall extend to and inure for the benefit of the parties hereto, their respective successors and assigns and all parties claiming by, through and under them. In event of conflict between the terms of this rider and of the ASSIGNMENT OF RENTS to which it is attached, or any question of apparent or claimed liability or obligation resting upon the said Trustee, the exculpatory provisions of the rider shall be controlling.
