obligation of Borrower (or of any successor or interest of Borrower to such property) due to Lender (whether created hereby or otherwise by absolute or contingent assignment, whether due or not, whether otherwise secured or not, or whether existing at the time of the execution of this Mortgage or arising thereafter, the exercise of such option to be evidenced by a notice in writing to Borrower or any successor or interest of Borrower. (8) Performance of all agreements of Borrower to pay fees and charges to the Lender whether or not herein set forth. (9) Payment of charges, as allowed by law when such charges are made, for any statement regarding the obligation secured hereby.

TO PROTECT THE SECURITY OF THIS MORTGAGE, BORROWER AGREES:

(1) **Construction or Improvements.** To complete in good and workmanlike manner any building or improvement or repair relating thereto which may be begun on such property or contained by the loan secured hereby, to pay when due all costs and liabilities incurred therefor, and not to permit any mechanic's lien against such property, nor any stop notice against any loan proceeds, Borrower also agrees, anything in this Mortgage to the contrary notwithstanding: (a) to promptly commence work and to complete the proposed improvements promptly; (b) to complete same in accordance with plans and specifications as approved by Lender; (c) to allow Lender to inspect such property at all times during construction; (d) to replace any work or materials unsatisfactory to Lender, within fifteen (15) days after written notice from Lender; such fact, which notice may be given to Borrower by certified mail, return receipt requested, or by personal service of the same; and (e) to perform all other obligations of Borrower under any building loan agreement relating to such property.

(2) **Repair and Maintenance of Property.** To keep such property in good condition and repair, not to substantially alter, remove or demolish any buildings thereon to restore promptly and in good workmanlike manner any buildings which may be damaged or destroyed including, but not limited to, damage from termite and earth movement to pay when due all claims for labor performed and materials furnished in connection with such property and not to permit any mechanic's lien against such property, to comply with all laws affecting such property or relating to improvements to be made thereon, not to commit, suffer or permit any act upon such property in violation of law, to cultivate, irrigate, fertilize, fumigate and prune; and to do all other acts that from the character or use of such property may be reasonably necessary to keep such property in the same condition (reasonable wear and tear excepted) as at the date of this Mortgage.

(3) **Fire and Casualty Insurance.** To provide and maintain in force at all times fire and other types of insurance with respect to such property as may be required by Lender. Each policy of such insurance shall be in an amount, for a term and in form and content and by such companies, as may be satisfactory to Lender. Each policy of such insurance shall be delivered to Lender, and remain in possession of Lender as further security for the faithful performance of these covenants. Borrower shall also furnish Lender with written evidence showing payment of all premiums therefor. At least thirty (30) days prior to the expiration of any insurance policy, a policy renewing or extending such existing insurance shall be delivered to Lender with written evidence showing payment of the premium therefor, and, in the event any such insurance policy and evidence of payment of the premium are not so delivered to Lender, Borrower by executing this Mortgage specifically requests Lender to obtain such insurance. Lender, but without obligation so to do, without notice to or demand upon Borrower and without releasing Borrower from any obligation hereon, may obtain such insurance through or from any insurance agency or company acceptable to Lender and pay the premium therefor. Lender shall not be charged with obtaining or maintaining such insurance or for the collection of any insurance monies or for any insolvency of any insurer or insurance underwriter. Lender, from time to time, may furnish to any insurance agency or company, or to any other person, any information concerning the loan secured hereby, Borrower hereby assigns to Lender all unearned premiums on any such policy, and agrees that any and all unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the property conveyed by any said policy hereunder pursuant to the foreclosure of this Mortgage.

(4) **Life, Health or Accident Insurance.** If Borrower shall maintain an accident or health insurance and Lender shall be the owner or holder of any policy of such insurance as further security hereunder, Lender may elect to pay any premiums thereon as to which Borrower shall be in default and any amount so paid may be secured hereby.

(5) **Taxes and Other Sum Due.** To pay, satisfy and discharge: (a) at least ten (10) days before delinquency, all general and special taxes affecting such property; (b) when due, all special assessments for public improvements; (c) on demand of Lender but in no event later than the date such amounts become due; (1) all encumbrances, charges and liens, with interest, on such property, or any part thereof, which are, or appear to be, payable to, or suspended or hereof; (2) all costs, fees and expenses of this mortgage or not described herein; (3) all fees or charges for any statement regarding the obligation secured hereby in any amount demanded by Lender not to exceed the maximum amount allowed by law therefor at the time when such request is made; (4) such other charges as the Lender may deem reasonable for services rendered by Lender and Lender's agents and successors in interest under the terms of the instrument or instruments creating such leasehold; and (5) all payments and monetary obligations required of the owner of such property under any declaration or covenants or conditions or restrictions pertaining to such property or any modification thereof. Should Borrower fail to make any such payment, Lender without consulting the validity of amount or date of such payment, together with any costs, expenses, fees or charges relating thereto, Borrower agrees to notify Lender immediately upon receipt by Borrower or notice of any increase in the assessed value of such property. Borrower agrees to notify Lender and appropriate taxing authorities immediately upon the happening of any event which does or may affect the value of such property, the amount or basis of such property, or the availability of any exemption to which Borrower is or may be entitled.

In the event of the passage of any law deducting from the value of real property for the purposes of taxation any lien thereon, or changing in any way the laws for the taxation of mortgages or debts secured by mortgages for state or local purposes, or the manner of the collection of any such taxes including, but not limited to, the postponement, or of the payment for all or any part of any real or personal property taxes, so as to affect this Mortgage, the holder of this Mortgage and of the obligations which it secures shall have the right to declare the principal sum and the interest due on a date to be specified by not less than (3) days' written notice to be given to Borrower by Lender, provided, however, that such election shall be ineffective if Borrower pays the whole of such tax in addition to all other payments required hereunder and if prior to such specified date, does pay such tax and agrees to pay any such tax when hereafter levied or assessed against such property, and such agreement shall constitute a modification of this Mortgage.

(6) **Impounds.** To pay to Lender, if Lender shall so request in addition to any other payments required hereunder, monthly advance installments, as estimated by Lender, for taxes, insurance or premiums, ground rents or other obligations secured by this Mortgage (hereinafter referred to as "such obligations") for the purpose of establishing a fund to insure payment when due, or before delinquency, of any or all of such obligations required to be paid on such property. If the amounts paid to Lender under the provisions of this paragraph are insufficient to discharge the obligations of Borrower to pay such obligations as the same become due or delinquent, Borrower shall pay to Lender, upon its demand, such additional sums necessary to discharge Borrower's obligation to pay such obligations. All monies paid by Lender under this paragraph may be intermingled with other monies of Lender and shall not bear interest, except as required by law. Lender may pay such obligations whether or after the time they become due and payable in the event of a default in the payment of any monies due on the indebtedness secured hereby, default of any obligation secured hereby, or default in the performance of any of the covenants and obligations of this Mortgage, then any balance remaining from monies paid Lender under the provisions of this paragraph may, at the option of Lender, be applied to the payment of principal, interest or other obligations secured hereby in lieu of being applied to any of the purposes for which the impound account is established. Lender will make such reports of impounds as are required by law.

(7) **Condemnation and Injury to Property.** All sums due, paid or payable to Borrower or any successor in interest to Borrower of such property, whether by way of judgment, settlement or otherwise; (a) for injury or damage to such property, or (b) in connection with any condemnation for public use or injury to such property, or any part thereof, are hereby assigned and shall be paid to Lender. All causes of action or being to Borrower, whether accrued before or after the date of this Mortgage, for damage or injury to such property, or any part thereof, or in connection with the transaction financed in whole or in part by the funds loaned to Borrower by Lender, or in connection with or affecting said property or any part thereof, including causes of action arising in tort or contract and causes of action or claims arising therefrom as its expenses, including reasonable attorneys' fees, may apply such proceeds to the sums secured by this Mortgage, or, if any deficiency under this Mortgage or may release any monies so received by it or any part thereof, as Lender may elect, Lender may, at its option, appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement thereof. Borrower agrees to execute any further assignments and other instruments as from time to time may be necessary to effectuate the foregoing provisions and as Lender shall request.

(8) **Disposition of the Proceeds of any Insurance Policy, Condemnation or Other Recovery.** The amount received by Lender pursuant to this Mortgage under any fire or other insurance policy, in connection with any condemnation for public use or injury to such property, for injury or damage to such property or in connection with the transaction financed by the loan secured hereby, at the option of Lender may be applied by Lender to any indebtedness secured hereby and in such order as Lender may determine, or without reducing the lender's security secured hereby, may be used to replace, restore, or reconstruct such property to a condition satisfactory to Lender or may be released to Borrower, or any such amount may be apportioned and allocated in any manner to any one or more of such uses. No such application, use or release shall cure or waive any default or notice of default hereunder or invalidate any action or proceeding pursuant to such notice. Borrower shall defend this trust in any action or proceeding purporting to affect such property whether or not it affects the lien hereof, purporting to affect the lien hereof and shall file and prosecute all necessary claims and actions to prevent or recover for any damage to or destruction of such property, and Lender hereby authorizes, without obligation so to do, to prosecute or defend any such action, whether brought by or against Borrower or Lender, or with or without suit to exercise or enforce any other right, remedy, or power available or conferred hereunder, whether or not judgment be entered in any action or proceeding; and Lender may appear or intervene in any action or proceeding, and retain counsel therefor, and take such action as either may be deemed necessary or advisable, and may settle, compromise or pay the same or any other claims and, in so doing, may expend and advance such sums of money as either may see fit. Whether or not Borrower so appears or defends, Borrower on demand shall pay all costs and expenses of Lender, including costs of evidence of title, in any such action or proceeding in which Lender may appear by virtue of being made a party defendant or otherwise, and irrespective of whether the interest of Lender in such property or their respective rights or powers hereunder may be affected by such action, including, but not limited to, any action for the condemnation or partition of such property and any suit brought by Lender to foreclose this Mortgage.

(9) **Litigation.** Borrower shall defend this trust in any action or proceeding purporting to affect such property whether or not it affects the lien hereof, purporting to affect the lien hereof and shall file and prosecute all necessary claims and actions to prevent or recover for any damage to or destruction of such property, and Lender hereby authorizes, without obligation so to do, to prosecute or defend any such action, whether brought by or against Borrower or Lender, or with or without suit to exercise or enforce any other right, remedy, or power available or conferred hereunder, whether or not judgment be entered in any action or proceeding; and Lender may appear or intervene in any action or proceeding, and retain counsel therefor, and take such action as either may be deemed necessary or advisable, and may settle, compromise or pay the same or any other claims and, in so doing, may expend and advance such sums of money as either may see fit. Whether or not Borrower so appears or defends, Borrower on demand shall pay all costs and expenses of Lender, including costs of evidence of title, in any such action or proceeding in which Lender may appear by virtue of being made a party defendant or otherwise, and irrespective of whether the interest of Lender in such property or their respective rights or powers hereunder may be affected by such action, including, but not limited to, any action for the condemnation or partition of such property and any suit brought by Lender to foreclose this Mortgage. If such property includes a leasehold estate, Borrower agrees to comply with all of the terms, conditions, and provisions of the instrument creating such leasehold, or instruments creating such leasehold; and (6) all payments and monetary obligations required of the owner of such property under any declaration or covenants or conditions or restrictions pertaining to such property or any modification thereof. Should Borrower fail to make any such payment, Lender without consulting the validity of amount or date of such payment, together with any costs, expenses, fees or charges relating thereto, Borrower agrees to notify Lender immediately upon receipt by Borrower or notice of any increase in the assessed value of such property. Borrower agrees to notify Lender and appropriate taxing authorities immediately upon the happening of any event which does or may affect the value of such property, the amount or basis of such property, or the availability of any exemption to which Borrower is or may be entitled.

In the event of the passage of any law deducting from the value of real property for the purposes of taxation any lien thereon, or changing in any way the laws for the taxation of mortgages or debts secured by mortgages for state or local purposes, or the manner of the collection of any such taxes including, but not limited to, the postponement, or of the payment for all or any part of any real or personal property taxes, so as to affect this Mortgage, the holder of this Mortgage and of the obligations which it secures shall have the right to declare the principal sum and the interest due on a date to be specified by not less than (3) days' written notice to be given to Borrower by Lender, provided, however, that such election shall be ineffective if Borrower pays the whole of such tax in addition to all other payments required hereunder and if prior to such specified date, does pay such tax and agrees to pay any such tax when hereafter levied or assessed against such property, and such agreement shall constitute a modification of this Mortgage.

(10) **Loan on Leasehold Estate.** If such property includes a leasehold estate, Borrower agrees to comply with all of the terms, conditions, and provisions of the instrument creating such leasehold, or instruments creating such leasehold; and (6) all payments and monetary obligations required of the owner of such property under any declaration or covenants or conditions or restrictions pertaining to such property or any modification thereof. Should Borrower fail to make any such payment, Lender without consulting the validity of amount or date of such payment, together with any costs, expenses, fees or charges relating thereto, Borrower agrees to notify Lender immediately upon receipt by Borrower or notice of any increase in the assessed value of such property. Borrower agrees to notify Lender and appropriate taxing authorities immediately upon the happening of any event which does or may affect the value of such property, the amount or basis of such property, or the availability of any exemption to which Borrower is or may be entitled.

(11) **Loan on Leasehold Estate.** If such property includes a leasehold estate, Borrower agrees to comply with all of the terms, conditions, and provisions of the instrument creating such leasehold, or instruments creating such leasehold; and (6) all payments and monetary obligations required of the owner of such property under any declaration or covenants or conditions or restrictions pertaining to such property or any modification thereof. Should Borrower fail to make any such payment, Lender without consulting the validity of amount or date of such payment, together with any costs, expenses, fees or charges relating thereto, Borrower agrees to notify Lender immediately upon receipt by Borrower or notice of any increase in the assessed value of such property. Borrower agrees to notify Lender and appropriate taxing authorities immediately upon the happening of any event which does or may affect the value of such property, the amount or basis of such property, or the availability of any exemption to which Borrower is or may be entitled.

(1) Construction or Improvements. To complete in good and workmanlike manner any building or improvement or repair relating thereto which may be begun on such property or commenced by a contractor secured hereunder to pay when due all costs and liabilities incurred therefor, and not to permit any mechanic's lien against such property, nor to give notice against any loan proceeds. Borrower also agrees, anything in this Mortgage to the contrary notwithstanding: (a) to promptly commence work and to complete the proposed improvements promptly; (b) to complete same in accordance with plans and specifications as approved by Lender; (c) to allow Lender to inspect such property at all times during construction; (d) to replace any work or materials unsatisfactory to Lender, within fifteen (15) days after written notice from Lender of such fact, which notice may be given to Borrower by certified mail, sent to his last known address, or by personal service of the same; and (e) to perform all other obligations of Borrower under any building loan agreement relating to such property.

(2) Repair and Maintenance of Property. To keep such property in good condition and repair, not to substantially alter, remove or demolish any buildings thereon; to restore promptly and in good workmanlike manner any buildings which may be damaged or destroyed including, but not limited to, damage from termites and earth movement; to pay when due all claims for labor performed and materials furnished in connection with such property and not to permit any mechanic's lien against such property, to comply with all law affecting such property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereon; not to commit, suffer or permit any act upon such property in violation of law; to cultivate, irrigate, fertilize, fumigate and prune; and to do all other acts that from the character or use of such property may be reasonably necessary to keep such property in the same condition (reasonable wear and tear excepted) as at the date of this Mortgage.

(3) Fire and Casualty Insurance. To provide and maintain in force at all times fire and other types of insurance with respect to such property as may be required by Lender. Each policy of such insurance shall be in an amount, for a term and in form and content and by such companies, as may be satisfactory to Lender, with loss payable to Lender, and shall be delivered to, and remain in possession of, Lender as further security for the faithful performance of these covenants. Borrower shall also furnish Lender with written evidence showing payment of all premiums therefor. At least thirty (30) days prior to the expiration of any insurance policy, a policy renewing or extending such expiring insurance shall be delivered to Lender with written evidence showing payment of the premium therefor, and, in the event any such insurance policy and evidence of payment of the premium are not so delivered to Lender, Borrower by executing this Mortgage specifically requests Lender to obtain such insurance. Lender, but without obligation so to do, without notice to or demand upon Borrower and without releasing Borrower from any obligation hereof, may obtain such insurance through or from any insurance agency or company acceptable to it, and pay the premium therefor. Lender shall not be chargeable with obtaining or maintaining such insurance or for the collection of any insurance monies or for any insolvency of any insurer or insurance underwriter. Lender, from time to time, may furnish to any insurance agency or company, or any other person, any information contained in or extracted from any insurance policy theretofore delivered to Lender pursuant hereto, and any information concerning the loan secured hereby. Borrower hereby assigns to Lender all unearned premiums on any such policy, and agrees that any and all unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the property conveyed at any sale held hereunder pursuant to the foreclosure of this Mortgage.

(4) Life, Health or Accident Insurance. If Borrower shall maintain life, accident or health insurance and Lender shall be the owner or holder of any policy of such insurance as further security hereunder, Lender may elect to pay any premiums thereon as to which Borrower shall be in default, and any amount so paid may be secured hereby.

(5) Taxes and Other Sums Due. To pay, satisfy and discharge: (a) at least ten (10) days before delinquency, all general and special Taxes affecting such property; (b) when due, all special assessments for public improvements; (c) on demand of Lender but in no event later than the date such amounts become due: (1) all encumbrances, charges and liens, with interest, on such property, or any part thereof, which are, or appear to Lender to be prior to, or superior hereto; (2) all costs, fees and expenses of this whether or not described herein; (3) fees or charges for any statement regarding the obligation secured hereby in any amount demanded by Lender not to exceed the maximum amount allowed by law therefor at the time when such request is made; (4) such other charges as the Lender may deem reasonable for services rendered by Lender and furnished at the request of Borrower or any successor in interest to Borrower; (5) if such property includes a leasehold estate, all payments and obligations required of the Borrower or his successor in interest under the terms of the instrument or instruments creating such leasehold; and (6) all payments and monetary obligations required of the owner of such property under any declaration of covenants or conditions or restrictions pertaining to such property or any modification thereof. Should Borrower fail to make any such payment, Lender without contesting the validity or amount, may elect to make or advance such payment, together with any costs, expenses, fees or charges relating thereto. Borrower agrees to notify Lender immediately upon receipt by Borrower of notice of any increase in the assessed value of such property. Borrower agrees to notify Lender and appropriate taxing authorities immediately upon the happening of any event which does or may affect the value of such property, the amount or basis of such property, or the availability of any exemption to which Borrower is or may be entitled.

In the event of the passage of any law deducting from the value of real property for the purposes of taxation any lien thereon, or changing in any way the laws for the taxation of mortgages or debts secured by mortgages for state or local purposes, or the manner of the collection of any such taxes including, but not limited to, the postponement of the payment of all or any part of any real or personal property taxes, so as to affect this Mortgage, the holder of this Mortgage and of the obligations which it secures shall have the right to declare the principal sum and the interest due on a date to be specified by not less than 30 days' written notice to be given to Borrower by Lender; provided, however, that such election shall be ineffective if Borrower is permitted by law to pay the whole of such tax in addition to all other payments required hereunder and if, prior to such specified date, does pay such tax and agrees to pay any such tax when hereafter levied or assessed against such property, and such agreement shall constitute a modification of this Mortgage.

(6) Impounds. To pay to Lender, if Lender shall so request, in addition to any other payments required hereunder, monthly advance installments, as estimated by Lender, for taxes, assessments, insurance premiums, ground rents or other obligations secured by this Mortgage (hereinafter in this paragraph referred to as "such obligations") for the purpose of establishing a fund to insure payment when due, or before delinquency, of any or all of such obligations required to be paid as to such property. If the amounts paid to Lender under the provisions of this paragraph are insufficient to discharge the obligations of Borrower to pay such obligations as the same become due or delinquent, Borrower shall pay to Lender, upon its demand, such additional sums as may be necessary to discharge Borrower's obligation to pay such obligations. All monies paid to Lender under this paragraph may be intermingled with other monies of Lender and shall not bear interest, except as required by law. Lender may pay such obligations whether before or after they become due and payable. In the event of a default in the payment of any monies due on the indebtedness secured hereby, default of any obligation secured hereby, or default in the performance of any of the covenants and obligations of this Mortgage, then any balance remaining from monies paid Lender under the provisions of this paragraph may, at the option of Lender, be applied to the payment of principal, interest or other obligations secured hereby in lieu of being applied to any of the purposes for which the impound accounts established. Lender will make such reports of impounds as are required by law.
