TO SECURE REVOLVING LINE OF CREDIT

THIS INDENTURE made November 22 1988, between Beverly Trust Company a Beverly Trust Company as Trustee to Beverly Bank U/T/A dated 2/15/78 #8-6003 of 10312 S. Cicero Ave., Oak Lawn, Ill. (the "Grantor") and BEVERLY BANK (the "Trustee")

The Note also secures a revolving credit and the lien of the Trust Deed secures payment of any existing indebtedness and future advances made pursuant to the Note to the same extent as if such future advances were made on the date hereof and regardless of whether or not any advance has been made as of the date of this Trust Deed or whether there is any outstanding indebtedness at the time of any future advance. Payments of all accrued interest on the then outstanding principal balance of the Note at 21st per cent above the index rate as hereinafter defined shall commence on the 21st day of December 19 88 and continue on the 21st day of each month thereafter with a first payment of all principal and accrued interest due on November 22 19 93. The "Index Rate" of interest is a variable rate of interest and is defined in this Note as the announced prime rate of interest of Beverly Bank as determined on the first day of each month during the term hereof.

To secure the payment of the principal balance of and all interest due on the Promissory Note and performance of the agreements, terms and conditions of the Line of Credit Agreement, and for other good and valuable consideration, the Grantor does hereby grant, remise, mortgage, warrant and convey to the Trustee, its successors and assigns the following described real estate of Chicago County of Cook and State of Illinois, to wit:

All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees and any other moneys advanced by Trustee or the holder of the Note to protect the Premises and the lien hereof, shall be additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the rate per annum set forth in the Note. Inaction of Trustee or holder of the Note shall never be considered as a waiver of any right according to them on account of any of the provisions of this section. It is hereby agreed that upon foreclosure, whether or not there is a deficiency upon the sale of the Premises, the holder of the Note shall be entitled to any insurance proceeds disbursed in connection with the Premises. The Trustee or the holder of the Note hereby secured hereby authorized to take or cause to be taken any action, suit or proceeding to enforce any bill, statement or estimate procured from the appropriate public office without inquiring into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereon.

4. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, the holder of this Note or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all attorneys' fees and expenses which may be paid or incurred by or on behalf of Trustee or holder of the Note for reasonable attorneys' fees, Trustee's fees, appraiser's fees, costs for documentary and court evidence, stenographic charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all true abstracts of title, title searches and examinations, guarantee policies, Torrens certificates, and similar data and assurances with respect to title as Trustee or the holder of the Note may deem to be reasonably necessary, either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Premises. All expenditures and expenses shall become additional indebtedness secured hereby and immediately due and payable, with interest thereon at the rate per annum when paid or incurred by Trustee or holder of the Note in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which any of the parties to this Trust Deed is a party, either as plaintiff or defendant, by reason of this Trust Deed or any indebtedness hereby secured, or (b) proceedings for the commencement of any suit for foreclosure hereof, after the date of such right to foreclose whether or not actually commenced, or (c) following fifteen (15) day written notice by Trustee to Grantor, or (d) the date of any judicial sale or proceeding which might affect the Premises or the security hereof, whether or not actually commenced.

5. The proceeds of any foreclosure sale of the Premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incurred to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the Note; fourth, any principal to Grantor, its legal representatives or assigns, as their rights may appear.

6. Upon, or at any time after the filing of a bill to foreclose this Trust Deed, the Court in which such bill is filed may appoint a receiver of said Premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby, and without regard to the then value of the Premises or whether the same shall be then encumbered by a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said Premises during the pendency of such foreclosure suit and in case of a sale and a deficiency during the full statutory period of redemption, whether there be redemption or not as well as during any further time when Grantor, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other payments which may be necessary. It is usual in such cases for the protection, possession, control, management and operation of the Premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) the indebtedness secured hereby, or by any decree for foreclosing this Trust Deed, of any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

7. The Trust Deed is given to secure all of Grantor's obligations under both the heretofore described Note and also Line of Credit Agreement executed by Grantor contemporaneously herewith. All the terms of said Note and Line of Credit Agreement are hereby incorporated by reference herein.

8. The proceeds of any award of claim for damages, direct or consequential, in connection with any condemnation or other taking of the Premises, or part thereof, or the extinguishment in lieu of condemnation, are hereby assigned and shall be paid to Trustee or the holder of the Note, subject to the terms of any mortgage, deed or trust or other security agreement with a lien which has priority over this Trust Deed. Grantor agrees to execute such further documents as may be required by the condemnation authority to effectuate the foregoing. Trustee is hereby irrevocably authorized to apply or release such moneys received or make settlement for such moneys in the same manner and with the same effect as provided in this Trust Deed for disposition or settlement of proceeds of hazard insurance. No settlement for condemnation damages shall be made without Trustee's and the Holder's of the Note consenting to same.

9. Extension of the time for payment, acceptance by Trustee or the holder of the Note of payments other than according to the terms of the Note, modification in payment terms of the sums secured by this Trust Deed granted by Trustee to any successor in interest of Grantor, or the waiver or failure to exercise any right granted herein shall not operate to release, in any manner, the liability of the original Grantor, Grantor's successors in interest, or any guarantor or surety thereon. Trustee or the holder of the Note shall not be deemed, by any act of omission or commission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by said party. Any such waiver shall apply only to the extent specifically set forth in the writing. A waiver as to one event shall not be construed as continuing or as a waiver as to any other event. The procurement of insurance or the payment of taxes, other liens or charges by Trustee or holder of the Note shall not be a waiver of Trustee's right as otherwise provided in this Trust Deed or accelerate the maturity of the indebtedness secured by this Trust Deed in the event of Grantor's default under the Trust Deed.

10. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to the respective successors, heirs, legatees, devisees and assigns of Trustee and Grantor. All covenants and agreements of Grantor (or Grantor's successors, heirs, legatees, devisees and assigns) shall be joint and several. Any Grantor who co-signs this Trust Deed, but does not execute the Note, is co-signing this Trust Deed only to encumber that Grantor's interest in the Premises under the lien and terms of this Trust Deed and to

release hereunder shall, if any, (a) if not previously in the Trust Deed, and (c) agree that Trustee and Holder of the Note and any other Grantor hereunder may agree to extend, modify, forbear, or make any other accommodation with regard to the terms of this Trust Deed or the Note, without that Grantor's consent and without releasing that Grantor or modifying this Trust Deed as to the Grantor named in the instrument.

11. Trustee has no duty to examine the title, location, existence or condition of the Premises, nor shall Trustee be obligated to record this Trust Deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.

12. Trustee shall release this Trust Deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the Note representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry.

13. Trustee or the holders of the Note shall have the right to inspect the Premises at all reasonable times and access thereto shall be permitted for that purpose.

14. Trustee may resign by instrument in writing filed in the Office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the Premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.

15. The Note secured hereby is not assumable and is immediately due and payable in full upon transfer of title or any interest in the premises given as security for the Note recited above, or transfer or assignment of the Beneficial Interest of the Land Trust executing this Trust Deed. In addition, if the premises is sold under Articles of Agreement for Deeds by the present title holder or any beneficiary of a title holding Trust, all sums due and owing hereunder shall become immediately due and payable.

16. Any provision of this Trust Deed which is unenforceable or is invalid or contrary to the law of Illinois or the inclusion of which would affect the validity, legality or enforcement of this Trust Deed, shall be of no effect, and in such case all the remaining terms and provisions of this Trust Deed shall subsist and be fully effective the same as though no such invalid portion had ever been included herein.

17. If this Trust Deed is executed by a Trust, Beverly Trust Company executes the Trust Deed as Trustee as aforesaid, in the exercise of the power and authority conferred upon and vested in it as such trustee, and it is expressly understood and agreed by Trustee and the Holder of the Note herein and by every person now or hereafter claiming any right or security hereunder that nothing contained herein or in the Note

secured by this Trust Deed shall be construed as creating any liability on Beverly Trust Company personally to pay said Note or any interest that may accrue thereon, or any indebtedness accruing hereunder or to perform any covenants either express or implied herein contained, all such liability, if any, being expressly waived, and that any liability on this Trust Deed and the Note secured hereby shall be solely against and out of the Premises hereby conveyed by enforcement of the provisions hereof and of said Note, but this waiver shall in no way affect the personal liability of any co-maker, co-signer, endorser or guarantor of said Note
