LOAN NO. 051807874

DATE NOVEMBER 29, 1988

THIS ADDENDUM TO ADJUSTABLE RATE LOAN RIDER is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Loan Rider(the "Rider") to the Mortgage, Deed of Trust or Security Deed(the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned(the "Borrower") to secure Borrower's Adjustable Rate Note with Addendum To Adjustable Rate Note to ST. PAUL FEDERAL BANK FOR SAVINGS, (the "Lender") and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

5124 W HENDERSON, CHICAGO IL 60641 (Property Address)

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further convenant and agree as follows:

#### A. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows.

1. Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise at any time unless I am in default or this Section At or Section A3 oxlow will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to a fixed rate.

The conversion will be of extive on the first day of any month when a payment is due provided I have given the notice set forth below. The date on which the conversion will be effective is called the "Conversion Date".

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that:(a) I must give the Note Holder notice that I am doing so at least 15 days before the next Conversion Date; (b) on the Conversion Date, I am not In default under the Note or the Security (c) by the Conversion Date I must pay the Note Holder a conversion fee equal to Instrument; -TWO PERCENT (2.0%) ---- of the unpaid principal I am expected to owe on that the report and I have paid the appraisal fee and any amount necessary to reduce unpaid principal; and (e) I must sign and give the Note Holder any documents the Note Holder require to effect the conversion.

#### 2. Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal Home Lran Mortgage Corporation's required net yield for 30-year, fixed rate mortgages covered by 60-day nandatory delivery commitments in effect as of the date 15 days before the Conversion Date, plus THREE EIGHTHS At no time shall the interest rate at con-

version be above 13.5% per annum. If this required net yield is not available, the Note Holder will determine my interest rate by using a comparable figure.

Reduction of Principal Balance Before Conversion; Appraisal

If the unpaid principal I am expected to owe on the Conversion Date will be greater than the original principal amount of my loan, the Note Holder may require an appraisal report on the value of the property described in the Security Instrument. The appraisal report must be prepared by a qualified appraiser chosen by the Note Holder. I will pay the Note Holder a reasonable fee for this appraisal report.

The unpaid principal I am expected to owe on the Conversion Date could be an amount greater than 95% of the appraisal report's stated value of the property securing my loan. If so, I cannot exercise the Conversion Option unless I pay the Note Holder an amount sufficient to reduce my unpaid principal to an amount equal to 95% of the stated value of the property.

4. Determination of New Payment Amount

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full by the final payment date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the final payment date.

#### **B. ASSUMPTION OPTION**

The provisions of Uniform Covenant 17 of the Security Instrument provides as follows;

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any Interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower lails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Notwithstanding the provisions of Uniform Covenant 17 of the Security Instrument, Lender shall waive such option to a conferate and shall release Borrower from all obligations under the Security Instrument and the Note provided that prior to the sale or transfer, (a) Borrower is not in default of the terms and conditions of the Security Instrument and the Note, (b) the credit of the person to whom the Property is to be sold or transferred is satisfactor; to Lender, (c) Lender is paid Lender's then applicable assumption fee, (d) the person to whom the proporty is to be sold or transferred executes an assumption agreement acceptable to Lender wherein such person agrees to assume all of the Borrower's obligations under the Security Instrument and the Note.

BY SIGNING BELOW, Borrower recepts and agrees to the terms and covenants contained in this Addendum To Adjustable Rate Loan Rider.
