Lender may require Grantor to post adequate security or surety bond (reasonably satisfactory to Lender) to protect Lender's interest.

Amounts so added shall be payable on demand with interest from the date of expenditure until paid at the Note rate. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property, to proceed with foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the appointment of a receiver shall exist whether or not the mortgagee in possession or receiver may serve without bond if permitted by law.
