# UNOFFICIAL COPY

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied, first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remitiate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument conditioned upon payment to the earlier of: (a) 5 days (or such other period as applicable law may specify for remittance) before sale of the Property pursuant to any Power of Sale contained in this Security Instrument; or (b) entry of a judgment entitling this Security Instrument to any Power of Sale if this Security Instrument is not foreclosed by the holder of the Note or by a transferee of the Note.

If Lender exercises this option, Borrower shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

## ADJUSTABLE RATE RIDER

(1 Year Treasury Index—Rate Caps)

### CONVERTIBLE ARM RIDER

THIS ADJUSTABLE RATE RIDER is made this 8th day of December, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to LA GRANGE FEDERAL SAVINGS & LOAN ASSOCIATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

518 Uvedale, Riverside, Illinois 60546

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. ON THE SECOND, THIRD OR FOURTH CHANGE DATES, BORROWER MAY CONVERT THE ADJUSTABLE RATE LOAN INTO A FIXED RATE, LEVEL PAYMENT, FULLY AMORTIZING LOAN.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

#### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.250%. The Note provides for changes in the interest rate and the monthly payments, as follows:

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

##### (A) Change Dates

The interest rate I will pay may change on the first day of January, 1990, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

##### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

##### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and one half percentage points (2.500%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

##### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.250% or less than 7.250%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.250% or less than 7.250%.

##### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

##### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

#### B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

Theodore R. GILL - Bottower  
Debra S. GILL - Bottower

In witness whereof, Borrower has executed this Converitile ARM Rider.

Upon Bottrower's delivery of the executed modification to the Note, paragraph A above shall cease to be effective.

Bottower must execute and deliver to Lender the document evidencing the modification of the Note within the period set in Lender's notice as provided in paragraph G above. If Bottower does not do this within the specified date, Bottower can no longer exercise the option to convert. In this case, the terms of Bottower's Note will continue in effect without any change.

E. BORROWER'S ELECTION NOT TO CONVERT

Lender shall set the fixed rate of interest payable by Borrower at a rate identified to the sum of the Pledged Home Mortgage Corporation's Required Net Yield for 60-day delivery of the unit by year, fixed rate mortgages available as of the day che borrower executes this Agreement to convert to Fixed Interest Rate, plus one-half of one percent (0.50%). If no such Required Interest Rate is available, Lender will determine the fixed interest rate by using a comparable figure. The new interest rate will become effective on the second due date subsequent to signing the above agreement to convert.

D. SELECTION OF INDEX INTEREST RATE AND MONTHLY PAYMENT ADJUSTMENT

Borrower may, at Borrower's option, modify the repayment terms of the indebtedness secured hereby in 5 to 45 days prior to the 2nd, 3rd or 4th Change Dates. At that time, Borrower may convert the Adjustable Rate Loan evidenced by the Note into a fixed rate loan to be fully repaid in equal monthly payments of principal and interest over the remaining term of the loan. The preceding payments prior to conversion must have been made prior to the date on which a late charge would have been incurred. The property must also meet all secondary market requirements at time of conversion. Borrower must execute and deliver to Lender a document in the form required by Lender evidencing the modification of one-half of one per cent (0.500%) of the current conversion fee in the amount of the note to provide a fixed rate, and payment of a portion of the principal balance.

C. BORROWER'S OPTION TO CONVERT

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferor to sign an assumption agreement that Lender and the transferor have entered into prior to the date of the proposed transfer. Lender may invoke any remedies permitted by this Security Instrument without further notice if Lender continues to be obligated under the Note and this Security Instrument unless Lender releases the instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender and the transferor have entered into a written agreement to the contrary.
