This Assignment includes and establishes a present absolute and primary transfer and assignment of all rents, earnings, income, issues and profits of the premises, but so long as no event of default shall exist under the Note or the Mortgage and no event shall exist which by lapse of time or service of notice, or both, has or would become an event of default thereunder, the Assignors shall have the right and license to collect, use and enjoy all rents and other sums due or to become due under and by virtue of any Lease as they respectively become due, but not more than 30 days in advance.

The Assignors hereby irrevocably consent to and authorize and direct that the tenant or other obligor under any Lease upon demand and notice from the Assignee of the Assignee's right to receive rencs and other sums hereunder, shall pay such rents and other sums to the Assignee without any obligation on the part of such tenant or other obligor to determine the actual existence of any default or event claimed by the Assignee as the basis for the Assignee's right to receive such rents or other sums and notwithstanding any office from or claim of the Assignors or any of them to the contrary. The Assignors hereby waive any right or claim against any tenant or other obligor for any such rents and other sums paid by tenant or other obligor to the Assignee.

carry on the business thereof as the Assignee shall deem proper or (ii) with or without taking possession of the premises, Assignee may proceed to enforce the Leases and collect all sums due or to become due thereunder and by so doing Assignee shall not be deemed a mortgagee in possession nor to have assumed or become responsible or liable for any obligations of Assignors arising thereunder or in respect thereof.

Any sums received by Assignee under or by virtue of this Assignment shall be applied to the payment of or on account of the following in such order and manner as Assignee may elect:

- to the payment of all proper charges and expenses, including the just and reasonable compensation for the services of Assignee, its attorneys, agents, clerks, servants and others employed in connection with the operation, management and control of the premises and the conduct of the business thereof and, if the Assignee shall elect, to the establishment of a reserve which shall be sufficient in Assignee's judgment to indemnify it against any liability, loss or damage on account of any matter or thing done in good faith and in pursuance of the rights and powers contained herein;
- to the payment of any sum secured by a lien or encumbrance upon the premises;
- (c) to the cost of completing any improvements being constructed on or about the premises; and
- (d) to the reduction of the indebtedness hereby secured, whether or not the same may then be due or be otherwise adequately secured.

The manner of application of such Sums and the items which shall be credited or paid out of same shall be within the sole discretion of Assignee and nothing herein contained shall obligate Assignee to use any such sums for a purpose other than reducing the indebtedness hereby secured unless it shall elect so to do. Assignee shall be subrogated to any lien discharged out of the rents, income and profits of the premises.

The Assignors hereby further covenant that the Assignors will upon request of the Assignee execute and deliver such further instruments and do and perform such other acts and things as the Assignee may reasonably effectively vest in and secure to the Assignee to the Assignee hereunder. Assignors further covenant and agree not to amend, modify or terminate any of the Leases without the prior written consent of Assignee, provided that unless and until an event of default or any event which with the lapse of time, the giving of notice, or both would constitute such an event of default has occurred under the terms of the Mortgage or Notes, Assignors may enter into amendments and modifications to Leases which do not adversely affect the security thereof and may terminate Leases is substantially concurrent with such termination, they shall have entered into a new Lease of the space which was the subject of the terminated Lease upon terms and conditions no less beneficial to them than those contained in the terminated Lease and with a lessee of at least equal creditworthiness to the terminated lessee, provided that the foregoing to the contrary notwithstanding no Lease shall be terminated if such termination would reduce the amount which any lender is then colligated to fund under any commitment issued to provide financing for the premises. Assignors further covenant and agree that they will, at the request of Assignee, submit the executed originals of all Leases to Assignee.
