UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remonstrate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable) for specific performance or (b) entry of a judgment enjoining this Security instrument. This Security instrument may be discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable) for specific performance or (b) entry of a judgment enjoining this Security instrument. These conditions are set forth below:

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered to pay all sums due without further notice or demand by Lender or Securitry Lender. If Borrower fails to pay these sums prior to the date of demand, Lender may invoke any remedies permitted by law.

16. Borrower's Copy. Borrower shall be given one conformed copy of this Note and of this Security Instrument.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note and the Note will remain in effect notwithstanding any such conflict.

provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Notices. Any notice to Bortower provided for in this Security Letter shall be given by mailing it by first class mail unless otherwise required by law or of another method. The notice shall be delivered to Bortower at his address set forth in the first paragraph of this letter.

may recommend immediate payment in full or all sums secured by this security instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

12. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it interferes with other loan charges collected or to be collected in connection with the loan except the permitted limits, (hereinafter referred to as "any such loan charge") it shall be reduced by the amount necessary to reduce the loan charge to the permitted limits; and (b) any sums already collected from Borrower which exceed the permitted limits will be refunded by this Note or by making a direct payment to Borrower. If a note to make this refund by the principal owed under the Note or by making a direct payment to Borrower, Lender may choose to make this refund by reducing the principal owed partial prepayment without any prepayment charge under the Note.

13. **Legal Disputation After Closing.** If enaction, or application of applicable laws has the effect of rendering any provision of this Note or this Security Instrument ineffective according to its terms, Lender, at his option,

11. Successors and Assignees; Bound; Joint and Several Liability; Co-Signers. The covemants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17, Borrower's covemants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument shall be liable to the holder of this Security Instrument for all sums secured by this Security Instrument and any other sum which may become due under this Security Instrument, and shall remain liable until all such sums shall have been paid in full.

by the original Borrower or Successors in interest. Any noncompliance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments. 10. Borrower Not Responsible; Responsibility of Securityholder Not a Waiver. Extension of the time for payment of the sums secured by this Securityholder to another or to a third party shall not otherwise affect the rights of the securityholder under this Agreement.

Given the above, Lennder is authorized to collect and apply the proceeds, as its option, either to restoration or repair of the property or to the sums received by this Security Instrument, whether or not them due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to provide the services specified in (c) the unit market value of the property immediately before the date of abandonment is paid to Borrower.

Boilermakers shall pay the premiums required to maintain the insurance in the amount and for the same period of time as security instruments, except as otherwise provided in the agreement.

Bi-WEEKLY PAYMENT RIDER
(For Security Instrument)

Loan No. 9295-14

rd

THIS BI-WEEKLY PAYMENT RIDER is made this 14th day of December, 1987, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to

FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION OF WESTCHESTER
(the "Lender") of the same date and covering the property described in the Security Instrument and located at:
2300-06 West Lake Street, Melrose Park, Illinois 60160
(Property Address)

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Funds for Taxes and Insurance

Uniform Covenant 2 of the Security Agreement is amended to read as follows:

Funds for Taxes and Insurance. Subject to the applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day bi-weekly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twenty-sixth of: (a) yearly taxes and assessments which may attain priority over this Security Agreement; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items". Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or State agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future bi-weekly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on bi-weekly payments of Funds. If the amount of Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under Paragraph 19 the property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

B) PAYMENT OF PRINCIPAL AND INTEREST; REPAYMENT AND LATE CHARGES

3. PAYMENTS

A) Time and Place of Payments

I will pay principal and interest by making payments every two (2) weeks ("Bi-Weekly").

I will make my bi-weekly payments beginning January 13, 1988. I will make these payments every 2 weeks until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My bi-weekly payments will be applied to interest before principal. If on June 28, 2000 I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date".

I will make my bi-weekly payments at First Federal Savings and Loan Association of Westchester or at a different place if required by the Note Holder.

B) Amount of Bi-Weekly Payments

My bi-weekly payment will be in the amount of U.S. \$ 464.27.

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment". When I make a prepayment, I will tell the Note Holder in writing that I am doing so.

I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will use all of my prepayments to reduce the amount of the principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my bi-weekly payment unless the Note Holder agrees in writing to those changes.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any bi-weekly payment by the end of 5 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5 % of my overdue bi-weekly payment of principal and interest. I will pay this late charge promptly, but only once on each late payment.
