Lender of the placement of any liens on the subject property. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

4. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. Borrower shall furnish a copy to Lender of the insurance policy covering the property; and if Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

5. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

10. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument

... of the provisions of the Security Instrument, subject to the provisions of the Note and the Security Instrument, shall be joint and several.

... Any notice to Borrower provided for in the Security Instrument shall be given by delivery to the Borrower at the address specified in the Security Instrument. If the Borrower is a corporation, partnership, or other entity, notice shall be given to the person designated by notice to the Borrower. If the Borrower is an individual, notice shall be given to the Borrower at his or her last known address. Any notice provided for in the Security Instrument shall be deemed to have been given if it is given as provided in this paragraph.

... This Security Instrument shall be governed by Federal law and the law of the State in which the Property is located. In the event that the provisions of the Security Instrument of the Note conflict with applicable law, such conflict shall not affect the provisions of the Security Instrument of the Note which can be enforced without the conflicting provision. To this end, the provisions of the Security Instrument and the Note are intended to be severable.

... Borrower shall be given one copy of the Note and of this Security Instrument.

... If the Borrower is a Beneficial Interest in the Property or any part of the Property or any interest in the Property, the Borrower shall execute a deed or other instrument, as required, to transfer the Property to the Lender without Lender's prior written consent, and the deed or other instrument shall be recorded in full compliance with the Security Instrument. Lender, or its assignee, shall not be required by Lender to exercise its right to foreclose on the Property if the deed of this Security Instrument is recorded.

... Lender shall give notice to Borrower of the date of the expiration of the Security Instrument. The notice shall provide a period of 30 days from the date the notice is given to the Borrower within which Borrower must pay all amounts due to Lender. If Borrower fails to pay the amounts due to Lender by the expiration of this period, Lender may exercise the rights permitted by this Security Instrument without further notice or demand on Borrower.

... If Borrower seeks to reinstate, Borrower shall have the right to have the Security Instrument discontinued at any time by paying to Lender all amounts due to Lender and by executing a deed (or such other instrument as may be required) for reinstatement) before any of the following events: (a) entry of a judgment enforcing this Security Instrument; (b) entry of a judgment enforcing this Security Instrument; (c) entry of a judgment enforcing this Security Instrument; (d) entry of a judgment enforcing this Security Instrument. The conditions are that Borrower: (a) pay all amounts due to Lender; (b) pay all amounts due to Lender; (c) pay all amounts due to Lender; (d) pay all amounts due to Lender.

and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred.

11. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 10 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured, and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 11, including, but not limited to, costs of title evidence.

12. Lender in Possession. Upon acceleration under paragraph 11 or abandonment of the Property, Lender (by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument.

13. Release. Upon payment of all sums secured by this Security Instrument, Lender shall discharge this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

14. Advances to Protect Security. This Security Instrument shall secure the unpaid balance of advances made by Lender, with respect to the Property, for the payment of taxes,
