VA ACCELERATION CLAUSE

Should the Veterans Administration for any reason fail or refuse to issue the loan guaranty certificate in accordance with the provisions of the Serviceman's Readjustment Act of 1944, as amended, and the Certificate of Commitment issued by the Veterans Administration to guarantee the loan secured by this mortgage within 60 days of the date hereof, the trustee may at its option declare all sums due on this mortgage immediately due and payable.

To HAVE AND TO HOLD the above-described premises, with the appurtenances and fixtures, unto the said Mortgagor, its successors and assigns, forever, for the purposes and uses herein set forth, free from all rights and benefits under and by virtue of the Homestead Exemption Laws of the State of Illinois, which said rights and benefits the said Mortgagor does hereby expressly release and waive.

AND SAID MORTGAGOR covenants and agrees:

To keep said premises in good repair, and not to do, or permit to be done, upon said premises, anything that may impair the value thereof, or of the security intended to be effected by virtue of this instrument; not to suffer any lien of mechanics men or material men to attach to said premises; to pay to the Mortgagee, as hereinafter provided, until said note is fully paid, (1) a sum sufficient to pay all taxes and assessments on said premises, or any tax or assessment that may be levied by authority of the State of Illinois, or of the county, town, village, or city in which the said land is situate, upon the Mortgagor on account of the ownership thereof; (2) a sum sufficient to keep all buildings that may at any time be on said premises, during the continuance of said indebtedness, insured for the benefit of the Mortgagee in such type or types of hazard insurance, and in such amounts, as may be required by the Mortgagee.

In case of the refusal or neglect of the Mortgagor to make such payments, or to satisfy any prior lien or incumbrance other than that for taxes or assessments on said premises, or to keep said premises in good repair, the Mortgagee may pay such taxes, assessments, and insurance premiums, when due, and may make such repairs to the property herein mortgaged as may reasonably be deemed necessary for the proper preservation thereof, and any moneys so paid or expended shall become so much additional indebtedness, secured by this mortgage, shall bear interest at the rate provided for in the principal indebtedness, shall be payable thirty (30) days after demand and shall be paid out of proceeds of the sale of the mortgaged premises, if not otherwise paid by the Mortgagor.

Upon the request of the Mortgagee the Mortgagor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Mortgagee for the alteration, modernization, improvement, maintenance, or repair of said premises, for taxes or assessments against the same and for any other purpose authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the creditor and debtor. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the creditor. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

It is expressly provided, however (all other provisions of this mortgage to the contrary notwithstanding), that the Mortgagee shall not be required nor shall it have the right to pay, discharge, or remove any tax, assessment, or tax lien upon or against the premises described herein or any part thereof or the improvements situated thereon, so long as the Mortgagor shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

AND the said Mortgagor further covenants and agrees as follows:

Privilege is reserved to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less. Prepayment in full shall be credited on the date received. Partial prepayment, other than on an installment due date, need not be credited until the next following installment due date or thirty days after such prepayment, whichever is earlier.

Together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee as Trustee under the terms of this trust as hereinafter stated, on the first day of each month until the said note is fully paid, the following sums:

- (a) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee, and of which the Mortgagor is notified) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and assessments.

case of sale and a deficiency, during full statutory period of redemption, and such rental, issues, taxes, insurance, and other items when collected may be applied toward the payment of the indebtedness, costs, taxes, insurance, and other items necessary for the protection and preservation of the property.

IN THE EVENT of default in making any monthly payment provided for herein and in the note secured hereby, or in case of a breach of any other covenant or agreement herein stipulated, then he whole of the principal sum remaining unpaid together with accrued interest thereon, shall, at the election of the Mortgagor, become immediately due and payable.

As ADDITIONAL SECURITY for the payment of the indebtedness so referred to the Mortgagor does hereby agree to the Mortgagor agrees all the rents, leases, and premises now due or which may hereafter become due for the use of the premises hereinabove described. If the total of the payments made by the Mortgagor under subparagraph (a) of the preceding paragraph shall exceed the amount of the payments made by the Mortgagor under subparagraph (a) of the preceding paragraph, or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items or, at the Mortgagor's option as Trustee, shall be returned to the same Mortgagor. If, however, such monthly payments shall not be sufficient to pay such items when the same Mortgagor shall be due and payable, the Mortgagor shall pay to the Mortgagor the difference between the amount of the payment due and the amount of the preceding payment, which difference may be made within thirty (30) days after written notice from the Mortgagor to make up the deficiency. Such payments shall be made within thirty (30) days after written notice to the Mortgagor starting the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall default in the payment of any sum due under this Agreement, the Mortgagor shall be liable to the trustee for all sums so paid by the trustee in connection therewith, and the trustee may sue for the same in any court of competent jurisdiction.

Any deficiency in the amount of any such aggregate monthly payment constitutes an event of default under this Note. At Mortgagor's option, Mortgagor will pay all expenses made good prior to the due date of any such aggregate monthly payment shall, unless otherwise provided herein, be entitled to discharge the entire indebtedness and all proper costs and expenses such proceeds are sufficient to discharge the entire indebtedness and any balance made to satisfy the indebtedness hereby, unless such proceeds are applied to the aggregate monthly payment, but such late charge, shall not be payable out of the proceeds involved in handling demand payments, but such late charge, shall not be payable out of the proceeds of any sale made to satisfy the indebtedness hereby, unless such proceeds are sufficient to cover the extra installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense of holding the note until payment is received.
