Notes:

Note 1: Incorporators are authorized to dissolve a corporation ONLY before any shares have been issued AND before any directors have been named or elected. The signatures of a majority of the incorporators must appear on these Articles of Dissolution.

Note 2: Directors are authorized to dissolve a corporation ONLY before any shares have been issued. In the event there are no officers, the signatures of a majority of the directors or such directors as may be designated by the board must appear on these Articles of Dissolution.

Note 3: All dissolutions not authorized by the incorporators or the directors must be authorized by the shareholders.

Shareholders may authorize dissolution by their unanimous written consent. This does not require any action of the board of directors and does not require a shareholders' meeting. Shareholder authorization may also be by vote at a shareholders' meeting or by less than unanimous consent in writing, without a meeting.

To be effective, the dissolution must receive the affirmative vote or consent of the holders of at least 2/3 of the outstanding shares entitled to vote on dissolution, and, if class voting applies, then also at least 2/3 of the votes within each class.

If the Articles of Incorporation so provide, the 2/3 vote requirement may be superseded by any smaller or larger vote requirement, not less than a majority of the outstanding shares, entitled to vote and not less than a majority within each class when class voting applies.

When shareholder authorization is by less than unanimous written consent, all shareholders must be given notice of the proposed dissolution action at least five days before the consent is signed. Shareholders who have not signed the consent must be given prompt notice that dissolution was duly authorized.
