**NON-UNIFORM COVERNANTS**, Bottower and Lender further covenant and agree as follows:

# UNOFFICIAL COPY

UNIFORM COVENANTS. Borrower and Lender consent to all of the following:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Leander exercises his option, Leander shall provide a period of notice of acceleration. The notice shall provide a period of time during which Leander may exercise his option. If Leander does not exercise his option within such period, the security interest will become absolute.

16. Borrower's Copy. Borrower shall be given one copy of this Note and of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the property or any interest or a beneficial interest in Borrower is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at his option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by law.

15. Governing Law; Separability. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which Property is located. In the event that any provision or clause of this Security Instrument conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To the extent that any provision of this Note Note are declared to be enforceable.

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivery in or by mail to the first class mail unless applicable law requires use of another method. The notice shall be directed to the property address or any other address Borrower designates by notice to Lender. Any notice to Borrower shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower at Lender's address given as provided for in this instrument.

13. Legislation Affecting Landlords. If landlords' rights, or application of applicable laws has the effect of rendering any provision of the Note or this Security instrument ineffective according to its terms, Landlord, at his option, may require immediate payment in full of all sums secured by this Note. Landlord shall take the steps specified in the second paragraph of this section to collect such amounts.

12. **Loan Charges.** If the loan is secured by a security instrument it is subject to a law which sets maximum loan charges, and that law is usually interpreted so that the interests or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, i.e., (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits, and (b) any sums already collected from Borrower over and above the amount necessary to reduce the charge to the permitted limits will be refundable to Borrower. Under the Note or by prepayment any prepayment charge under the Note will be treated as a partial prepayment without reducing the principal, if a refund reduces principal, the reduction will be treated as a partial prepayment without reducing the principal.

11. Security instruments shall be joint and several liability, co-signers; i.e., co-signers and beneficiaries shall be liable for all debts and expenses of Lender and Borrower, subject to the provisions of Paragraph 17. Borrowers' covenants and agreements of Lender and Borrower, subject to the terms of this Security instrument shall be joint and several liability, co-signers; i.e., the successors and assigns of Lender and Borrower, subject to the terms of this Security instrument shall be joint and several liability, co-signers.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or postpone the date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments. 10. Borrower Not Released; Forgiveness By Lender Not A Waiver. Extension of the time for payment of any sum secured by this security instrument granted by Lender to any successor in modification of amortization of the sums secured by this security instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower's successors in interest from the obligations in this security instrument. 11. Borrower Otherwise Agree In Writing, Any Application Of Proceeds To Principal Shall Not Extend Or Postpone The Date Of The Monthly Payments Referred To In Paragraphs 1 And 2 Or Change The Amount Of Such Payments. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or postpone the date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply those proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whichever of note then due.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument or to the Lender's account of paid to Lender.

If Lender requires premium mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premium required to maintain the insurance in effect until such time as the premium instrument for the insurance terminates in accordance with its terms.

## ADJUSTABLE RATE RIDER

(3 Year Treasury Index—Rate Caps—Fixed Rate Conversion Option)

THIS ADJUSTABLE RATE RIDER is made this 10th day of February 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Glenview State Bank (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

9349 Ridgeway Avenue, Evanston, Illinois 60203

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.500 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

##### (A) Change Dates

The interest rate I will pay may change on the first day of March 1991, and on that day every 36th month thereafter. Each date on which my interest rate could change is called a "Change Date."

##### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 3 years, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

##### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO & one quarter percentage points (.2500 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full at the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

##### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.500 % or less than 7.500 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 36 months. My interest rate will never be greater than 15.500 %.

##### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

##### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

### 5. FIXED INTEREST RATE OPTION

##### (A) Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section 5A will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate to a fixed rate.

The conversion can only take place on the first or second Change Date. Each Change Date on which my interest rate can convert from an adjustable rate to a fixed rate also is called the "Conversion Date." I can convert my interest rate only on one of these two Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I am doing so at least 15 days before the next Conversion Date; (ii) on the Conversion Date, I am not in default under the Note or the Security Instrument; (iii) by the Conversion Date, I must pay the Note Holder a conversion fee equal to U.S. \$ 500.00; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

BOSTON  
(Seal)

BY SIGNING BELOW, Borrower accepts to the terms and conditions contained in this Adjustable Rate Rider.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Transfer of the Proprietary or a Beneficial Interest in Borrower, if all or any part of the Proprietary or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) to any other person, the security interest in this Security Instrument shall not be exercised by Lender; if exercise of this Security Instrument is prohibited by federal law, as of the date of this Security Instrument.

2. If Borrower exercises the Convergesion Option under any conditions stated in Section B of this Adjustable Rate Mortgage to convert to Uniform Convergesion I of the Security instrument shall insected be in effect, as follows:

If Lender's exercise of this option to require immediate prepayment shall give Borrower notice of acceleration.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferor to assume the obligations under this Note and this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument until such instruments are paid in full in this Security Instrument. Lender and Lender's successors and assigns shall have all the rights and powers set forth in this Note and this Security Instrument.

Transferring or giving away a beneficiary interest in a Borroower's loan is illegal. If you do so, you may be liable for the debt.

Sold or transferred (or if a beneficiary interest is sold or transferred and Borroower is not a natural person) sold or transferred (or if a beneficiary interest is sold or transferred and Borroower is not a natural person)

within Leender's power to consent, Leender may, at its option, require immediate payment in full of all sums secured by this Security Interest. However, this option shall not be exercised by Leender if exercise is prohibited by federal law as of the date of this Security Instrument. Under this option, Leender shall not be entitled to exercise this option if:

- (a) Borrower causes to be submitted to Leender information required by Leender to evaluate the transfer of the security interest; and
- (b) Leender reasonably determines that Leender's security interest will not be impaired by the loan to the transferee; and

to the transferee and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Leender.

1. **Utility** Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate

C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payments that would be sufficient to carry the unpaid principal I am expected to owe on the Conversion Date in full as the maturity date at my new rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount of my monthly payments.

My new, fixed interest rate will be equal to the General Mortgagel National Mortgagel Association's required net yield for 30-year, fixed rate mortgages covered by applicable 30-day mandatory delivery commitments in effect as of the date 35 days before the Convergence Date, plus five-eighths of one percent ( $0.625\%$ ). If this required net yield is not available, the Note Holder will determine my interest rate by using a comparable figure.
