UNIFORM COVENANT BORROWER AND LENDER AGREEMENT AS FOLLOWS:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvement, now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Security Instrument shall have the rights to have no recourse against any specific or general instrument or document of this Security Instrument unless it is delivered to the Lender prior to the date of maturity of the instrument or document.

19. Borrower's Security Instrument shall be deposited at any time prior to the earlier of (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this instrument or (b) entry of a judgment compelling this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration accrued; (b) pays any other amounts of any character than those contained in this instrument; (c) pays all expenses incurred in collecting this security instrument, including, but not limited to, reasonable attorney's fees, and (d) takes such action as Lender may require to assure that the Lien of this Security Instrument shall remain fully effective as if no acceleration had occurred. However, this Security instrument shall remain fully effective as if no acceleration had occurred, this Security instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred.

If Leender exercises this option, Leender shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. Leender reserves the right to foreclose on the property described as Borrower's security if Leender may invoke any of the remedies available to him/her.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) to another person, the right to receive payment under the Note and of this Security Instrument shall be retained by the original Borrower.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security Instrument or the Note are declared to be severable which can be given effect without the conflicting provision. To this end the provisions of this Note which can be given effect without the conflicting provision shall not affect other provisions of this Note which can be given effect without the conflicting provision. The Note instrument or the Note which can be given effect without the conflicting provision of this Note shall remain in full force and effect notwithstanding any provision of this Note which purports to limit the liability of the Note holder or the Note maker.

paraphraph 14. Notices. Any notice to Borrower provided for in this Security instrument shall be given by deliverying it to his address set forth in Paragraph 14.

13. **Liesgårdshamn** Attributing responsibility for prepayment charges under the Note to Lender's Risks. If cancellation of applicable laws has the effect of permitting early exercise of this option, Lender shall take the steps specified in the second paragraph of Article 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of Article 19.

12. **Loan Charges.** If the loan secured by this instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it corrects or other loans charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) if sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as

11. Successors and Assignees; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and affect the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument shall be liable to the successors and assigns of Lender and Borrower, subject to the terms of this Security Instrument, jointly and severally, to the extent of his liability.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemned officers to make an award or settle a claim for damages, Borrower fails to respond to Lender's notice within 30 days after the date the sums so paid by this Security Interest to collect and apply the proceeds, either to restore or repair of the property or to the sum of which such sums shall not exceed \$10,000.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument or paid to Lender:

Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirements for the insurance terminates in accordance with Borrower's written agreement.

ADJUSTABLE RATE RIDER (1 Year Treasury Index—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 9th day of February 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Republic Mortgage Company, an Illinois Corporation, its successors and assigns (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

18401 South John, Country Club Hills, Illinois 60477
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 8.75 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of April 1989, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and three quarters percentage points (2.75 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 10.75 % or less than 6.75 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 14.75 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows.

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

ADDENDUM ADJUSTABLE RATE RIDER
(Fixed Rate Conversion Option)

THIS ADDENDUM TO THE ADJUSTABLE RATE RIDER is made this 9th day of February,
1988, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider (the "Rider") the Mortgage Deed of Trust, or Security Deed (the "Security Instrument") each of which bears the same date shown above and is given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to

Republic Mortgage Company, an Illinois Corporation, its successors and assigns (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

18401 South John, Country Club Hills, Illinois 60477

(Property Address)

IN ADDITION TO THE PROVISIONS CONTAINED IN THE RIDER TO THE SECURITY INSTRUMENT, THIS ADDENDUM MAY PERMIT THE BORROWER TO CONVERT THE ADJUSTABLE RATE LOAN INTO A FIXED RATE, LEVEL PAYMENT, FULLY AMORTIZING LOAN.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider to the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. OPTION TO CONVERT TO FIXED RATE

Except as provided in Section B below and notwithstanding anything to the contrary in the Note or the Rider to the Security instrument, I may choose to convert my adjustable rate interest payments to fixed rate interest payments at any time during the mortgage term.

The interest rate at which this loan will be converted may be obtained from the Lender on the day my conversion takes place. The fixed rate of interest I must pay will be equal to the Freddie Mac 61-day cash price plus .375 with no additional points.

If such a required rate is not available, the Lender will determine my new fixed interest rate by using a comparable figure.

B. CONDITIONS TO OPTION

I will not have the option to convert my adjustable rate interest payments described in Section A above, if I am not current with respect to all payments due or if any payment was not made within the month it was due during the previous 12 months. I must sign a new Mortgage and Note, and any other documents Republic Mortgage Company deems necessary to effect the conversion. The Lender may require my assistance with the reverification of my employment, residential and credit history as well as a new appraisal, all at the expense of the Borrower.

C. DETERMINATION OF NEW PAYMENT AMOUNT

If I choose to convert to a fixed rate of interest as provided in Section A above, the Lender will then determine the amount of a monthly payment that would be sufficient to repay the unpaid principal balance of my loan (assuming timely payment of all amounts due) that I am expected to owe on the first day of the second month after the Closing Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly principal and interest payment (the "New Payment Amount").

D. PAYMENT OF NEW PAYMENT AMOUNT; CONTINUATION OF FIXED RATE

Beginning with my first monthly payment after the Closing Date, I will, if I have chosen the foregoing conversion, pay the New Payment Amount, plus any required escrow payments, as my monthly payment, and the interest rate I will pay will not change from the fixed rate established as of the closing date.

E. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If I choose the Conversion Option and thereafter, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without the Note Holder's prior written consent, the Note Holder may, at his option, require immediate payment in full of all amounts I owe under this Note. However, this option shall not be exercised by the Note Holder if exercise is prohibited by federal law as of the date of this Note.

If the Note Holder exercises this option, the Note Holder shall give me notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which I may pay all amounts I owe.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in the Rider to Adjustable Rate Note.
