(a) that the respective percentage of undivided ownership interest in the Common Elements relating to each Unit shall be deemed thereby to be re-conveyed effective upon the recording of each such Amendment and re-allocated among the respective Unit Owners in accordance with the amended and shifted percentages set forth in each such Amendment;

(b) that such deed or other instrument shall be deemed given upon a conditional limitation to the effect that the respective percentages of undivided ownership interest in the Common Elements relating to such Unit shall be deemed divested pro tanto upon the recording of each such Amendment and vested in and re-allocated among the respective Unit Owners in accordance with the amended and shifted percentages set forth in each such Amendment;

(g) that the foregoing provisions of this Declaration and deeds and mortgages of the Units and Common Elements contain and will contain clauses designed to accomplish a shifting of the Common Elements. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Elements can be accomplished.

23. The Developer's right to annex any additional land shall terminate ten (10) years after the recording of this Declaration. If the option to annex additional land is exercised, then thereafter, any contracts for construction and delivery of such additional land and improvements thereon, shall contain a date for the completion of construction and delivery of such improvements and additional land.

24. The Development Parcel is legally described on Exhibit D attached hereto. Any part or parts of the Development Parcel may be annexed within the aforementioned ten (10) year period at such different times and in such order as the Developer determines. 27. There shall be an appurtenant easement over and on the common elements for the benefit of the Developer, its agents, successors and assigns for the purpose of making improvements and constructing buildings and units on the additional land, and for the purpose of doing whatever is reasonably necessary and proper in conjunction therewith.

28. No provision of this Declaration shall be construed to be binding upon or obligate the Developer to exercise the option to make additions to the Property, and the additional land forming a part of the Development Parcel on Exhibit D shall not be bound thereby.

29. Any Amendment to this Declaration adding additional land may contain such complementary additions and modifications of the provisions of this Declaration affecting the additional land which are necessary to reflect the differences in character, if any, of the additional land and the improvements thereto.
