B In order to provide for the payment of taxes, assessments, insurance premiums, and other annual charges upon the property securing this indebtedness, and other insurance required or accepted, I promise to pay to the Mortgagee, a prorata portion of the current year taxes upon the disbursement of the loan and to pay monthly to the Mortgagee, in addition to the above payments, a sum estimated to be equivalent to one-twelfth of such items, which payments may, at the option of the Mortgagee, (a) be held by it and commingled with other such funds or its own funds for the payment of such items; (b) be carried in a savings account and withdrawn by it to pay such items; or (c) be credited to the unpaid balance of said indebtedness as received, provided that the Mortgagee advances upon this obligation sums sufficient to pay said items as the same accrue and become payable. If the amount estimated to be sufficient to pay said items is not sufficient, I promise to pay the difference upon demand. If such sums are held or carried in a savings account, or escrow account, the same are hereby pledged to further secure this indebtedness. The Mortgagee is authorized to pay said items as charged or billed without further inquiry.

C This mortgage contract provides for additional advances which may be made at the option of the Mortgagee and secured by this mortgage, and it is agreed that in the event of such advances the amount thereof may be added to the mortgage debt and shall increase the unpaid balance of the note hereby secured by the amount of such advance and shall be a part of said note indebtedness under all of the terms of said note and this contract as fully as if a new such note and contract were executed and delivered. An Additional Advance Agreement may be given and accepted for such advance and provision may be made for different monthly payments and a different interest rate and other express modifications of the contract, but in all other respects this contract shall remain in full force and effect as to said indebtedness, including all advances.

D That in case of failure to perform any of the covenants herein, Mortgagee may do on Mortgagor's behalf everything so covenanted; that said Mortgagee may also do any act it may deem necessary to protect the lien hereof; that Mortgagor will repay upon demand any moneys paid or disbursed by Mortgagee for any of the above purposes and such moneys together with interest thereon at the highest rate for which it is then lawful to contract shall become so much additional indebtedness secured by this mortgage with the same priority as the original indebtedness and may be included in any decree foreclosing this mortgage and be paid out of the rents or proceeds of sale of said premises if not otherwise paid; that it shall not be obligatory upon the Mortgagee to inquire into the validity of any lien, encumbrance or claim in advancing moneys as above authorized, but nothing herein contained shall be construed as requiring the Mortgagee to advance any moneys for any purpose nor to do any act hereunder; and the Mortgagee shall not incur any personal liability because of anything it may do or omit to do hereunder.

E That it is the intent hereof to secure payment of said note and obligation whether the entire amount shall have been advanced to the Mortgagor at the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage contract.
