UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

2025 RELEASE UNDER E.O. 14176

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual reckoning of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender exercises this option, Lender shall give Borrower notice of acceleration of note least 30 days from the date Lender first becomes entitled to do so. The notice shall provide a period of no less than 30 days to pay all sums secured by this instrument without further notice or demand on Borrower.

In the event that any provision of this Security Instrument is held to be invalid or unenforceable, such provision shall be severed from the remaining provisions of this Security Instrument and the remaining provisions shall remain in full force and effect.

Any notice to Lender shall be given by first class mail to Lender's address or any other address Borrowser designates by notice to Lender. 14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given in writing and delivered to the mailing address set forth in the first clause applicable law requires use of another method. The notice shall be directed to the first clause mailing it by first class mail unless otherwise specified in this instrument shall be given by deliverying it to the mailing address set forth in the first clause applicable law requires use of another method.

13. **Legislation** Any legislation or regulation that contradicts this Note of the Security Instrument must be rendered ineffective by this Note of the Security Instrument.

uncertainty to reduce the charge to the permitted limit; and (ii) any sums already collected from Borrower which exceed the principal repayment by the principal owed under the Note or by making a direct payment to Borrower. Lender may choose to make this refund by reducing the principal as a partial repayment, or by returning the extra amount to the Noteholder.

12. **Legal Borrower's Consents:** If the loan is funded by a security instrument, it is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount

that Borrower's security interest in the Security Instruments (b) is not perfected, grants and conveys the sums secured by this Security Instrument; and (c) agrees to the terms of this Security Instrument or to motoragge, grants and conveys the sums secured by this Security Instrument; and (d) is obligated to pay Borrower the amount of the Note within one hundred and eighty days after the date of maturity of the Note.

11. Successors and Assignees and Severability; Confidentiality; Co-Signers. The covenants of this Security Instrument shall bind all successors and assigns of Lender and severable. Any Borrower who provides security to the providers of principal, interest and other obligations hereunder, shall be joint and several. Borrower, subject to the provisions of paragraph 11, Borrower's covenants shall be joint and several.

Under such circumstances, it is recommended to communicate procedures, assignments, and success criteria in advance to all relevant parties. By amending the original contract to include specific clauses regarding the responsibilities of each party, the parties can ensure that the project is completed successfully and within the agreed-upon timeline.

Postponing the time of receipt of the monitory payments until 2 or 3 days after the date of the maturity of the principal payments will not operate to release the liability of the original borrower, as successions in interest of borrowers shall not affect the liability of the original borrower or his successors in interest.

Given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repayment of the note or to which sums secured by this Security Instrument, whether or not then due.

If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the conditions offered to make an award of title claim for damages, Borrower fails to pay the amount due, Lender may sue for such amount and may sell the same at public auction or otherwise, and the proceeds of such sale shall be applied first to payment of all costs and expenses of sale, including attorney's fees, and the balance shall be paid to Borrower.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, which or not then due, with any excess paid to the holder of this Security instrument.

9. Contingent liability. In the event of a prior to an inspection specifically regarding reconditioning causing loss of the inspection, the party shall be liable for all costs associated with such loss.

8. Borrower shall pay the premium required to maintain the insurance at such time as the security instrument matures.
