UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remisstate. If Borrower meets certain disconnection requirements, Borrower shall have the right to have enforcement of this Security Interest prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reconnection) before sale of the Property pursuant to any power of sale contained in this Security Interest; or (b) entry of a judgment enjoining this Security Interest. Those conditions are that Borrower: (a) pays all sums which then would be due under this Security Interest and the Note had no acceleration occurred; (b) cures any default of any other covenant or agreement; (c) pays all expenses incurred in accelerating this Security Interest; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Interest remains unchallenged. Upon reinstatement by Borrower, this Security Interest shall not apply in the case of acceleration unless effective as if no acceleration had occurred. However, this right to reinstate shall not apply to reinstatement secured hereby as if no acceleration had occurred, this Security Interest shall remain fully effective as if no acceleration had occurred, this Security Interest shall continue unaffected. Upon reinstatement by Borrower, this Security Interest shall remain unaffected. Upon acceleration, this Security Interest shall remain fully effective as if no acceleration had occurred.

11. Lender shall provide a period of notice of five business days to Borrower prior to the delivery of a notice of default or exercise of options. The notice shall provide a period of notice less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without notice or demand on Borrower.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note contains language that is contrary to applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflict being provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conforming copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred to a third party, the Note and this Security Instrument shall remain in full force and effect until paid in full.

Any other notices shall be given by delivery in writing or by mailing it to Lender's address stated herein or by other address designated by notice to Lender. Any notice to Borrower provided for in this Security Lns., unless otherwise specified, shall be deemed to have been given to Borrower or Lender when given as provided for in this Security Lns.

12. **Loan Charges.** If the loan secured by any security instrument is subject to a law which sets maximum loan charges, and other loans interest or other loans charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced to the amount necessary to reduce the charge to the permitted limits; and (b) any sums already collected from Borrower which exceeded the permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a prepayment in full and reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

11. This Security Instrument shall be joint and several liability between Lender and Borrower, subject only to the provisions of paragraph 17. Borrower's successors and assigns of Lender and Borrower, and to the extent the successors and assigns of Lender and Borrower, shall be liable to Lender and severally liable to the other party or parties for all amounts due under this Security Instrument and shall be bound by the terms of this Security Instrument.

Unlike **Lender** and **Borrower** otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments. 10. **Borrower**, Not Released; **Rodgerance** By **Lender**, Not a Waller. Extension of the time for payment or modification of amortization of the sums secured by this Security instrument granted by **Lender** to any successor in interest of **Borrower** shall not operate to release the liability of the original Borrower or **Borrower's** successors in interest or otherwise preclude **Lender** from recovering the sums secured by this Security instrument granted by **Lender** to any successor in interest of **Borrower**. Payment of the sums secured by this Security instrument or the sums secured by this Security instrument by **Lender** shall not be held to commence amortization of the sums secured by this Security instrument or the sums secured by this Security instrument by **Lender** at any time for any reason of any demand made by **Borrower**.

Any balance shall be paid to Borrower.

RIDER FOR ADJUSTABLE RATE NOTE

In addition to the covenants and agreements made in the Adjustable Rate Note, Security Instrument, and the Rider, Borrower and Lender further covenant and agree as follows:

(A) OPTION TO CONVERT TO FIXED RATE; CONDITIONS TO OPTION

I may choose to convert my adjustable rate interest payments to fixed rate interest payments as of the first day of April, 1989 or as of the first day of the same month of each of the following four calendar years. Each date as of which I can choose to convert my interest payments is called a "Conversion Date". The last possible Conversion Date is April, 1993. If I choose to make this conversion, I must give the Lender notice that I am doing so at least 30 days before the next Conversion Date (the "Effective Conversion Date"). I also must sign and give to the Lender a document, in any form that the Lender may require, changing the terms of the Note as necessary to give effect to the conversion. Beginning with the Effective Conversion Date, if such conversion has been chosen, my interest rate will be equal to the Federal Home Loan Mortgage Corporation's published required Net Yield on 30-year, fixed rate mortgages covered by 30 day mandatory delivery commitments that was in effect as of the date 45 days before the Effective Conversion Date, plus five-eighths of one percent (.625%), rounded up to the nearest 1/8 of 1.0 percent. If such required Net Yield is not available, Lender will determine my new fixed interest rate by using a comparable method of rate determination.

(B) DETERMINATION OF NEW PAYMENT AMOUNT

If I choose to convert to a fixed rate of interest as provided in Section A above, the Lender will then determine the amount of a monthly payment that would be sufficient to repay the unpaid principal balance of my loan I am expected to owe on the Effective Conversion Date in full on the maturity date at my new interest rate in substantially equal payments. The results on this calculation will be the new amount of my monthly payment (the "New Payment Amount").

(C) PAYMENT OF NEW PAYMENT AMOUNT; CONTINUATION OF FIXED RATE

Beginning with my first monthly payment after the Effective Conversion Date, I will, if I have chosen the foregoing conversion, pay the New Payment Amount as my monthly payment, and the interest rate I pay will not change from the fixed rate established as of the Effective Conversion Date.

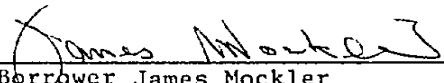

(D) NOTICE BY LENDER

Before the date of my first monthly payment after the Effective Conversion Date, the Lender will mail or deliver to me: a notice of my new interest rate as of the Effective Conversion Date; the amount of my new Monthly Payment; the amount of the conversion fee which will be equal to 1 1/2% of the unpaid principal balance as of the effective conversion date and a date (not later than 15 days from the date the Lender gives me the notice) by which I must sign and give the Lender a document making the changes to the Note that are necessary to provide the new fixed interest rate. The notice will include all information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(E) FAILURE TO CHOOSE CONVERSION

If I do not, at least 30 days before the last possible Conversion Date specified in Section A above, give the Lender notice that I choose to convert my adjustable rate interest payments to fixed rate interest payments and do the other things that I must do under Section A above, within the applicable times specified in such Section, I will no longer have the right to choose such a conversion of interest payments.

By signing this Adjustable Rate Note Rider, Borrower(s) agrees to all terms and conditions contained herein, and the terms and conditions contained in the Mortgage, Adjustable Rate Note, and Adjustable Rate Mortgage Rider which terms and conditions are incorporated herein by reference.
