Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. THIS ADDENDUM TO ADJUSTABLE RATE RIDER OR GRADUATED PAYMENT RIDER is made this
16TH, day ofMARCH
Adjustable Rate Rider or Graduated Payment Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed
(the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Bor-
rower") to secure Borrower's Adjustable Rate Note or Graduated Payment Note, with Addendum To Adjustable
Rate/Graduated Payment Note, toMID AMERICA FEDERAL SAVINGS
AND LOAN ASSOCIATION (the "Lender")
and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and

ADDITION L COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

[Property Address]

A. FIXED INTEREST RATE OPTION

The Note provides (1) the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

1. Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section A1 or Section A3 below will not permit me to do so. The "Con er ion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate toxa tox detail. With interest rate limits to the fixed rate calculated The conversion can only take place on the third, fourth or fifth Change Date. Each Change Date on which my

interest rate can convert from an adjustable rate to a fixed rate also is called a "Conversion Date." I can convert my interest rate only on one of these three Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I must give the Note Holder notice that I am doing so at least 15 days before the next Conversion Date; (b) on the Conversion Date, I am not in default under the Note or the Security Instrument; (c) by the Conversion Date, I must pay the Note Holder a conversion see equal to one percent (1.0%) of the unpaid principal I am expected to owe on that Section A3 below, the Note Holder has received the report and I have paid the appraisal fee and any amount necessary to reduce unpaid principal; and (e) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

2. Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield for 30year, fixed rate mortgages covered by 30-day mandatory delivery commitments in effect as of the date 45 days before the Conversion Date, plus five-eighths of one percent (0.625%). If this required retyield is not available, the Note Holder will determine my interest rate by using a comparable figure. My new rate calculated under this Section A2 will not be greater than the "Maximum Rate" stated in Section 4D of the Adjustable Rate 3. Reduction of Principal Balance Before Conversion; Appraisal

If the unpaid principal I am expected to owe on the Conversion Date will be greater than the original principal amount of my loan, the Note Holder may require an appraisal report on the value of the property described in the Security Instrument. The appraisal report must be prepared by a qualified appraiser chosen by the Note Holder. I will pay the Note Holder a reasonable fee for this appraisal report.

The unpaid principal I am expected to owe on the Conversion Date could be an amount greater than 95% of the appraisal report's stated value of the property securing my loan. If so, I cannot exercise the Conversion Option unless I pay the Note Holder an amount sufficient to reduce my unpaid principal to an amount equal to 95% of the stated value of the property.

4. Determination of New Payment Amount

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If Borrower exercises the Conversion Option under the Note as stated in Section A of this Addendum To Adjustable Rate/Graduated Payment Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in the Rider shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by sederal law as of the date of this Security Instrument.

A. INTEREST TATE AND MONTHLY PAYMENT CHANGES

4. INTEREST RATA AND MONTHLY PAYMENT CHANGES

(A) Change Dates

(B) The Index

Beginning with the first Change Do'e, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the No e Iclder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

The Note Holder will then determine the amount of the mon.n'y payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full or, the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my rew monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

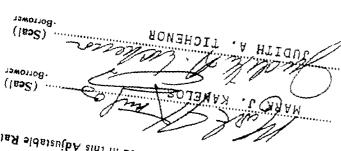

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferce as if a new loan were being made to the transferce; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.
