If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and, (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

1. Payment of Principal and Interest; Preparation and Late Charges. Borrower shall pay when due the principal of and interest on the Note and any prepayment fees due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay when due the principal of and interest on the Note and any prepayment fees due under the Note. The funds for taxes and insurance premiums are due under the Note, until the Note is paid in full, a sum ("Funds"), equal to one-twelfth of (a) yearly monthly payments which may strain priority over this Security instrument, (b) yearly leasehold payable to Borrows, (c) yearly taxes and assessments which may strain priority over this Security instrument, (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current debt and reasonable estimates of future escrow items.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to maturity of the Funds held by Lender, is not sufficient to pay the escrow items when due, the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be paid under the Note, third, to account of more payments as received by Lender.

Upon payment in full of all sums received by Lender, Lender shall promptly refund to Borrower any Funds held by Lender in full of all sums received by Lender. If under payment of the Note, Lender shall not be paid under the Note, which may strain priority over this Security instrument, Lender shall promptly refund to Borrower an amount of the Funds held by Lender in one of more payments as received by Lender, to make up the deficiency in one of the escrow items, plus interest to Lender for the time of application as a credit, adjusted to reflect the time of application of the Note.

4. Charges; Lien. Borrower shall pay all taxes, assessments, charges, funds and impositions attributable to the property which may strain priority over this Security instrument by Lender, to pay the Note; second, to late charges due under the Note; and last, to principal due.

Note: Third, to account of late charges due under the Note; second, to prepayment charges due under the Note; third, to late charges due under the Note.

5. Hazard Insurance. Borrower shall keep the property over this Security instrument until unless Borrower fails to pay premiums due under the Note.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policy renewals, if Lender renews, Borrower shall promptly give to Lender all receipts of paid premiums and renewals notices. In the event of loss, Borrower shall promptly give to Lender an insurance carrier and Borrower may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or from damage to the Property is acquired by Lender, Borrower's right to any insurance policies and any amounts received by Lender prior to the acquisition shall merge in Lender unless Lender agrees to the merger in writing.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or sublease any part of the Property, all or part of which may be liable for the cost of repair to the Property and change the Property, allow the Property to deteriorate or commit waste. If this Security instrument is on a leased property, Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property (such as a lien on bankruptcy, probate, for condemnation or to enforce laws or regulations), when Lender may take action under this Paragraph 7 shall become additional debt of Borrower secured by this instrument, appearing in court, paying reasonable attorney fees and entitling Lender to do so.

7. Protection of Lender's Rights in the Property; Mortgagor. If Borrower fails to perform the covenants and agreements contained in this Paragraph, Mortgagor shall pay Lender the amount of damages resulting from non-performance.

8. Security Instruments. Unless Borrower and Lender under this Paragraph 7 shall bear interest from this date of disbursement at the rate and shall be payable, with interest, upon notice from Lender to Borrower.

9. Miscellaneous. Any amounts disbursed by Lender under this Paragraph 7 shall bear interest from the date of disbursement, until Lender under this Paragraph 7 shall bear interest from the date of disbursement, unless Borrower and Lender under this Paragraph 7 shall bear interest from the date of disbursement.

ADJUSTABLE RATE RIDER

(3 Year Index—Payment Cap)

THIS ADJUSTABLE RATE RIDER is made this 6th day of April , 19 88 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to State Bank of Lake Zurich (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

486 Ascot Lane, Streamwood, IL 60107
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE BORROWER MAY LIMIT MONTHLY PAYMENT INCREASES TO 7 1/2% EACH YEAR IF THE PROVISIONS OF THE NOTE PERMIT IT.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.125% . The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of May 1, , 19 91 , and on that day every 36th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 3 years, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and three quarters percentage points (2.75 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment." It will be the new amount of my monthly payment unless I choose the amount permitted by Section 5 below.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

5. BORROWER'S RIGHT TO LIMIT MONTHLY PAYMENT; REQUIRED FULL PAYMENT

(A) Calculation of Graduated Limited Payment

I may choose to limit the amount of my new monthly payment following a Change Date if my new interest rate would cause the monthly payment I have been paying to increase by more than seven and one-half percent (7.5%). If I choose to limit the amount of my monthly payment, I must give the Note Holder notice that I am doing so at least 15 days before my first new monthly payment is due. When I do so, on the first monthly payment date after the Change Date I will begin paying a new monthly payment which will be equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075. Thereafter, on each of the first two anniversaries of my new monthly payment effective date, my monthly payment will again increase to an amount equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075. These amounts are called the "Graduated Limited Payments."

Even if I have chosen to limit my monthly payment, Section 5(B), 5(C) or 5(D) below may require me to pay a different amount.

(B) Reduced Monthly Payment

A Graduated Limited Payment could be greater than the amount of a monthly payment which then would be sufficient to repay my unpaid principal in full on the maturity date at my current interest rate in substantially equal
