# UNOFFICIAL COPY

UNIFORM COVENANTS, Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly lensehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and lensehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation covered by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amount and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Lenseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a lensehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the lensehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

federal law as of the date of this Security Instrument.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.  
17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any  
interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural  
person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums  
secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by  
law.

**15. Governing Law, Severability.** This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note. To the extent that any provision of this Security Instrument is held invalid or unenforceable, the remaining provisions of this Security Instrument shall remain in full force and effect. Note that this provision does not affect the enforceability of the Note.

14. Notices. Any notice to Borrower provided for in this Security Interest shall be given in writing in or by mailing it by first class mail unless otherwise required by law. The notice shall be deemed to have been given to Borrower when given to Borrower or to Lender when given as provided for in this Security Interest.

13. Legal Situation. After consulting with your attorney, you may file a complaint in state or federal court against the manufacturer, distributor, or seller of the product.

12. **Loan Charges.** If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the permitted limits will be repaid to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by making a different payment to Borrower. If a reduction reduces principal, the Note will be treated as a partial payment without any prepayment charges or fees.

11. Successors and Assignees; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and succeed to the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17, Borrower's co-tenants and Agreements shall be joint and several. This Security Instrument is made under the laws of the State of New York.

10. Borrower and Bottower otherwise in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments. 10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment of a loan shall not be a waiver of or release of any sums secured by this Security Instrument or by the original Bottower or otherwise in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of any right or remedy.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower, fails to respond to Lender's written demand to make an award of settle a claim for damages, Borrower, or its, either notice by Lender to Borrower that the condominium offers to give, Lender is authorized to collect and apply the proceeds, either to restoration or repair of the Property or to the ultimate sale of the Property, whichever of the two is determined by Lender.

In the event of a partial taking of the Property, instruments, whether or not taken due, with any excess paid to Borrower and Lender otherwise agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

## ADJUSTABLE PAYMENT RIDER

### RIDER ATTACHED TO MORTGAGE FOR RECORDING

THIS ADJUSTABLE PAYMENT RIDER is made this . . . 4th . . . day of . . . April . . . 19 . . . 88 . . . and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Payment Note to GreatAmerican Federal Savings & Loan Association (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

. . . 11845, BRAMLETT COURT . . . ORLAND PARK, IL . . . 60462 . . .  
(Property Address)

This Note Contains Provisions Allowing For Changes In The Interest Rate And The Monthly Payment And For Increases In The Principal Amount To Be Repaid.

The Note Also Provides For Calculations Of Two Separate Monthly Payment Amounts. One Will Be The Amount That The Borrower Must Actually Pay Each Month. The Other Will Be An Amount That The Borrower Would Pay Each Month To Fully Repay The Loan On The Maturity Date. This Means That The Borrower Could Repay More Than The Amount Originally Borrowed Or That The Borrower Could Repay The Loan Before The Maturity Date.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

#### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial rate of . . . 9.000 . %. Sections 2, 3, 4, 5 and 6 of the Note provide for changes in the interest rate and the monthly payments, as follows:

##### 2. INTEREST

###### (A) Interest Owed

Interest will be charged on that part of principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of principal has been paid.

Beginning on the date of this Note, I will owe interest at a yearly rate of . . . 9.000 . %. The rate of interest I will owe will change on the first day of the month of . . . November . . . 1 . . . 19.88 . . . and on that day every . . . SIXTH . . . month thereafter. Each date on which the rate of interest could change is called an "Interest Change Date." The new rate of interest will become effective on each Interest Change Date.

###### (B) The Index

Any changes in the rate of interest will be based on changes in the Index. The "Index" is the ~~MONTHLY~~ auction average rate on United States Treasury bills with a maturity of . . . SIX . . . months, as made available by the Federal Reserve Board.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

The most recently available Index figure as of the date 30 but not more than 45 days before each Interest Change Date is called the "Current Index."

###### (C) Calculation of Interest Rate Changes

Before each Interest Change Date, the Note Holder will calculate my new rate of interest by adding . . . 2,500 . . . percentage points (. . . 2,500 . . . %) to the Current Index. This amount will be my new rate of interest until the next Interest Change Date.

###### (D) Interest After Default

The rate of interest required by this Section 2 is the rate I will owe both before and after any default described in Section 9(B) below.

#### 3. CALCULATION OF AMOUNTS OWED EACH MONTH

The Note Holder will calculate my Full Monthly Amount. The "Full Monthly Amount" is the amount of the monthly payment that would be sufficient to repay the unpaid principal balance of the loan at the rate of interest I am required to pay by Sections 2(A) and 2(C) above in substantially equal monthly payments over an amortization period of thirty (30) years from the date of this note. The balance of the indebtedness, if not sooner paid, shall be due and payable on . . . May . . . 1 . . . 20.28 . . ., which is called the "maturity date". My first Full Monthly Amount is U.S. One Thousand Three Hundred . . . (\$1,376.11 . . .) Before each Interest Change Date, the Note Holder will ~~Seventy-five and 100/100~~ amount which I will owe each month beginning on the first monthly payment date after the Interest Change Date.

The Full Monthly Amount I owe may be more or less than the amount I am required to pay each month. Section 5 below describes how my unpaid principal balance will change if the amount of my monthly payment and the Full Monthly Amount are different.

#### 4. PAYMENTS

###### (A) Time and Place of Payments

I will pay principal and interest by making payments every month. My monthly payments will be applied to interest before principal.

I will make my monthly payments on the first day of each month beginning on . . . June . . . 19.88 . . . I will make these payments every month until I have paid all the principal and interest and any other charges described below that I may owe under this Note. If I still owe amounts under this Note on the maturity date, I will pay those amounts in full on that date. Those amounts could be greater than the amount of my last monthly payment before the maturity date.

88  
ASSAY  
46

# UNOFFICIAL COPY

I will make my monthly payments at Great American Federal Savings & Loan Association, 1001 Lake Street, Oak Park, IL 60301, or at a different place if required by the Note Holder.

## (B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ . 1375.11 . . . . . The Note Holder will change my monthly payment as required by Section 4(C) below on the 10TH . . . . . Interest Change Date and on that day every 60TH . . . month thereafter. Each of these dates is called a "Payment Change Date." The Note Holder will also change my monthly payment on any Interest Change Date if Section 5(B) below requires me to pay the Full Monthly Amount.

## (C) Calculation of Monthly Payment Changes

Before each Payment Change Date, the Note Holder will calculate a new monthly payment sufficient to repay the unpaid principal balance on my loan in full over the remaining amortization period at the Payment Rate in substantially equal payments. The "Payment Rate" is the Index on the most recent Interest Change Date plus . . . 2,500 . . . percentage points (. . . . .%).

I will pay the amount of my new monthly payment until the next Payment Change Date unless Section 5(B) below requires me to pay the Full Monthly Amount.

## (D) Effective Date of Payment Changes

Until my monthly payment is again changed, I will pay the amount of my new monthly payment each month beginning on the first monthly payment date after the Payment Change Date, or Interest Change Date if I am required to pay the Full Monthly Amount.

## 5. UNPAID PRINCIPAL BALANCE

### (A) Changes in My Unpaid Principal Balance

My monthly payment could be less than the amount of the interest portion of the first Full Monthly Amount I owe or less than the interest portion of my first Full Monthly Amount after an Interest Change Date. If so, the Note Holder will subtract the amount of my monthly payment from the amount of interest I owe and will add the difference to my unpaid principal at a rate each month until the next Interest Change Date. The Note Holder will also add interest on the amount of this difference to my unpaid principal balance each month. Until the next Interest Change Date when the Note Holder determines my new rate of interest on my then unpaid principal balance, the rate of interest on the interest added to principal will be the rate determined in Section 2 above.

My monthly payment could be more than the amount of the Full Monthly Amount. If so, the Note Holder will subtract the difference from the unpaid principal balance of my loan each month until the next Interest Change Date as if I had made a partial prepayment under Section 7 below.

### (B) Limit on Unpaid Principal Balance; Required Full Monthly Amount

My unpaid principal balance can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed. If my paying the amount of my monthly payment after any Interest Change Date would cause the unpaid principal balance to exceed that maximum amount at any time, I must pay instead the Full Monthly Amount as my monthly payment until the next Payment Change Date.

## 6. NOTICE OF CHANGES

The Note Holder will mail or deliver to me a notice of any changes in the Full Monthly Amount and my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

## B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security instrument, and leasehold payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security instrument, Lender shall send Borrower notice identifying such lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within ten days of the giving of notice.

## C. NOTICE

Uniform Covenant 14 of the Security instrument is amended to read as follows:

14. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security instrument shall be given by delivering it or by mailing it by first class mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

## D. UNIFORM MORTGAGE; GOVERNING LAW; SEVERABILITY

Uniform Covenant 15 of the Security instrument is amended to read as follows:

15. Uniform Mortgage; Governing Law; Severability. This form of Security instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property. This Security instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security instrument and the Note are declared to be severable.
