20. Lender in Possession. Upon commencement of the Property and at any time prior to the expiration of the period of redemption following Lender's (in person, by agent or by judicial appointment received) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of management costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument without regard to the date of payment.

21. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without regard to Borrower.

22. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

23. Waiver of Instruments. If one or more deeds are executed by Borrower and recorded together with this Security Instrument, the convenants and agreements of each such deed shall be incorporated into and shall amend and supplement this instrument if one or more deeds are executed by Borrower and recorded together with this Security Instrument.

19. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in the acceleration of this Security Instrument, followed by sale of the property. The notice shall further inform Borrower of the right to remanifest acceleration and the right to assert in the proceeding the non-extension of time to cure the default if the default is cured within the period specified in the notice.

20. Remedies. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including:

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

**8. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**10. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify a amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**11. Successors and Assigns Board; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**12. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**13. Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law, and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

## ADJUSTABLE RATE RIDER

(1 Year Treasury Index—Rate Caps—Fixed Rate Conversion Option)

THIS ADJUSTABLE RATE RIDER is made this 28<sup>th</sup> day of April 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to

UNIVERSITY SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:  
5763 S. Harper, Chicago, IL 60637

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.50%. The Note provides for changes in the adjustable interest rate and the monthly payments, as follows:

### 4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The adjustable interest rate I will pay may change on the first day of May 1989, and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and three quarters percentage points (2.75%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.50% or less than 5.50%. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 13.50%, which is called the "Maximum Rate".

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

### 5. FIXED INTEREST RATE CONVERSION OPTION (\*)

#### (A) Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below, effective on the conversion date(s) specified by the Note Holder. The conversion can only take place on a date(s) specified by the Note Holder on the first day of the month following the conversion date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date." *AC*

BY SIGNING BELOW, BORROWER AGREES TO THE TERMS AND CONDITIONS CONTAINED IN THIS AGREEMENT.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

Transfer of the Property or a Beneficial Interest in Borrower, if all or any part of the Property or any interest in Borrower is sold or transferred and Borrower is not a natural person (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

2. If Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, the Amendment to Uniform Covenant 17 of the Security Instruments contained in Section C instead ceases to be in effect, and the provisions of Uniform Covenant 17 of the Security Instruments shall instead be in effect.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice shall further notice of demand on Borrower.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require Lender to keep all promises and agreements made in this Note and in this Security Instrument. Borrower will continue to be obligated under this Note and this Security Instrument unless Lender releases to Lender and that obligee the transfer to sign an assumption agreement that is acceptable to the Lender and Borrower in writing.

Transfer of the Property or a Beneficial Interest in Borrower, if all or any part of the Property or any interest in it is sold or transferred (c), if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of sums secured by this Security interest. However, if Lender may, at its option, require immediate payment in full of sums secured by this Security interest, Lender's prior written consent, Lender's reasonable determination, however, that a transfer of a beneficial interest in Borrower would result in a material impairment of Lender's security interest in Borrower, Lender may, at its option, require immediate payment in full of the amount of such transfer, plus any interest accrued thereon, plus any other amounts due under this Agreement.

Rate Rider, Uniform Convention Schedule, the Convocation Option under the conditions stated in Section B of this Adjustment.

CL TRANSFERS - THE PROPERTY OWNED BY BENEFICIAL INTEREST IN BORROWER

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

(B) Capitalization of Fixed Rate  
Home Loan Mortage Corp.  
My new, fixed interest rate will be equal to the Federal Home Loan Bank Board's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 5 years, or (ii) if it is less than 5 years.  
30-year fixed interest rates covered by applicable 60-day mandatory delivery commitments, plus 125% of the difference between the applicable 60-day mandatory delivery rate and the applicable 30-year fixed interest rate, rounded to the nearest one-eighth of one percentage point (0.625%), or (iii) if it is less than 5 years, plus 125% of the difference between the applicable 60-day mandatory delivery rate and the applicable 15-year fixed interest rate, rounded to the nearest one-eighth of one percentage point (0.625%), or (iv) if it is less than 5 years, plus 125% of the difference between the applicable 60-day mandatory delivery rate and the applicable 1-year fixed interest rate, rounded to the nearest one-eighth of one percentage point (0.625%).  
Term of this Note is 15 years unless otherwise specified, 15-year fixed rate mortgages offered by applicable 60-day mandatory delivery committees, plus 125% of the difference between the applicable 60-day mandatory delivery rate and the applicable 15-year fixed interest rate, rounded to the nearest one-eighth of one percentage point (0.625%), or (v) if it is less than 5 years, plus 125% of the difference between the applicable 60-day mandatory delivery rate and the applicable 1-year fixed interest rate, rounded to the nearest one-eighth of one percentage point (0.625%).  
Section 3(B) will not be greater than the maximum rate stated in Section 4(D) above.
