Prepared By: Gar S. Collins, Vice President, The First Chicago Bank of Oak Park

The South 50 feet of Lot 3 in Block 15 in the Subdivision of Blocks 1, 8 through 11, and 14 through 16 in Bogues Addition to Oak Park, a Subdivision of the South East 1/4 of Section 1, Township 39 North, Range 12, East of the Third Principal Meridian in Cook County, Illinois.

This instrument is a Real Estate Mortgage ("Mortgage") to secure a Revolving Line of Credit. The Borrower is:

Joseph C. Lescher and Adelaide A. Lescher

The Lender is: The First Chicago Bank of Oak Park, Village Mall Plaza, Oak Park, IL 60301

Borrower hereby conveys, warrants and mortgages to Lender the real estate described on Exhibit A hereto, together with all the improvements now or hereafter erected on the real estate and all easements, rights, appurtenances, rents, insurance and condemnation proceeds, and fixtures now or hereafter attached to the real estate, all of which are hereinafter referred to as the "Property." As to any Property which does not constitute a fixture, this Mortgage is a Security Agreement under the Uniform Commercial Code. A security interest in such Property is hereby granted to Lender.

This instrument secures to Lender a Revolving Line of Credit indebtedness pursuant to an agreement entitled Second Equity Line-Loan Application and Agreement ("Agreement") and a Promissory Note of even date herewith ("Note") not to exceed the principal sum of \$ 80,000.00, or so much thereof as may from time to time be advanced and outstanding. All future loans or advances shall have the same priority as if such future loans or advances had been made on the date of the execution of this Mortgage. The undertakings of Borrower under the provisions of the Note, the Agreement and this Mortgage (hereafter collectively referred to as "Documents") constitute, collectively, the indebtedness, repayments and undertakings secured by this Mortgage.

Borrower represents, covenants and warrants that Borrower is the lawful owner of the Property and has the right to grant, convey, warrant and mortgage the Property and that the Property is unencumbered except for encumbrances of record.

Borrower and Lender further covenant and agree as follows:

1. Payment of Note. Borrower shall pay promptly the principal, interest and other charges evidenced by the Note. The outstanding balance of the Note, if any, shall in any event, be due and payable twenty (20) years from the date hereof.

2. Other Undertakings of Borrower. Borrower will promptly and diligently perform all of its undertakings under the provisions of the Documents.

3. Funds for Taxes and Insurance. Borrower shall deposit with Lender on the day monthly installments of principal and interest are payable under the Note, an amount equal to one-twelfth of the yearly taxes and assessments payable on the Property and one-twelfth of the yearly premium for hazard insurance, all as reasonably estimated from time to time by Lender. Lender shall make such funds available to Borrower to pay such taxes, assessments and insurance premiums. Lender shall not be required to pay Borrower any interest or earnings on such deposits. If such deposits shall exceed the amount required to pay such taxes, assessments and insurance premiums, the excess shall be repaid to Borrower or credited to Borrower's monthly payments on the Note. If such deposits shall not be sufficient, Borrower shall promptly deposit with Lender the amount necessary to make up the deficiency prior to the date such payments are due.

If this is a second mortgage and such deposits are required and are deposited with the first mortgagor, Borrower shall be excused from making such deposits with Lender.

4. Application of Payments. Payments received by Lender on the Note and this Mortgage shall be applied first in payment of amounts payable to Lender under paragraphs 8 and 25 of this Mortgage, then as provided in the Note.

5. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower will perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement which has or appears to have priority over this Mortgage. Borrower shall pay or cause to be paid, all taxes, assessments and other charges, fines and impositions and any encumbrances, charges, loans, and liens which may attain any priority over this Mortgage. Borrower shall deliver to Lender, upon request, receipts evidencing such payment.

6. Hazard Insurance. Borrower shall keep all improvements on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require, in an amount equal to the greater of the amount of the line of credit secured by this Mortgage plus the outstanding amount of any obligation secured in priority over this Mortgage or the amount necessary to satisfy the coinsurance requirement contained in the insurance policy.

The insurance carrier providing the insurance shall be chosen by Borrower, subject to approval by Lender, which approval shall not be unreasonably withheld. All insurance policies shall be in a form acceptable to Lender and shall include a standard mortgage clause in a form acceptable to Lender. Lender shall have the right to hold the policies subject to the terms of any obligation secured in priority over this Mortgage. Borrower shall promptly furnish to Lender all renewal notices and copies of all receipts of paid premiums. Borrower shall supply the original or copies of all policies and renewals to Lender within 10 days after issuance. In the event of loss, Borrower

(a) **Grace Period.** An Event of Default will occur, if after notice if required, upon the expiration of the applicable grace period, in the event of Borrower's failure to perform any of the obligations set forth in the Note or any other agreement between the parties, or if Borrower fails to pay any amount due under the Note when due. The notice period of this Note will commence, if any, at the time of the first default by either party to cause such breach or violation within the specified grace period; if any, will result in acceleration of the sum so caused to come due on the Note. The nature of Borrower's breach of violation must be cured; and (v) to cause such breach or violation: (i) the nature of Borrower's breach of violation, if any, required or permitted and shall continue the following information: (ii) the section of the Note which was breached; (iii) the date when the Note will become due; (iv) the date when the Note will be given to Borrower in accordance with Paragraph 13 hereof; and (v) the date when the Note will be given to the Lender in accordance with Paragraph 13 hereof.
