If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify an amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Board; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

Lender may take action under this paragraph if Lender does not have to do so.
Any amounts disbursed by Lender under this paragraph shall become additional debt of Borrower secured by this
Security instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from
the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower
requesting payment.

7. Protection of Leenders' Rights in the Seaberry Insurance. If Borrower fails to perform the covenants and default remedies contained in this Seaberry Insurance, or if there is a legal proceeding in which Leenders' rights are threatened, Leenders agrees to the merger in writing.

6. Preservation and Maintenance of Property; Leasesholds. Borrower shall not destroy, damage or subleasehold and change the property, allow the property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall not make alterations or additions to the property or fixtures without the written consent of the lessor, and if Borrower acquires free title to the property, the lessee shall comply with the provisions of the lease, and if Borrower acquires free title to the property, the lesseehold and leasehold rights shall not be affected.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damage, if the restoration or repair is economically feasible and Lender's security interest is not lessened. If the restoration of real property is not economically feasible or Lender's security interest would be lessened, the insurance proceeds shall be applied to the sums secured by this Security instrument, whether or not the debt due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender, that the insurance has been applied to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to restore the Property or to pay sums secured by this Security instrument, whether or not the debt due. The 30-day period will begin when the notice is given.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall promptly notify to the insurance carrier and Lender may make good of loss if not made promptly by Borrower.

5. Hazard Insurance. Borrower shall keep the property elements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the terms "Arenched coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires insurance. The insurance carrier shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

4. Charges: Licens, Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attain priority over this Security Instrument, and leasehold payments or amounts due under the lease agreement, if any.

Borrower shall pay these obligations in the manner provided in Paragraph 2, or if not paid in that manner, to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall furnish to Lender receipts evidencing the payments.

3. *Appendix B*, *Exhibits*, *Definitions*, *Interpretation of Paragraphs* and *Other Provisions* referred to in paragraph 2 of Note 1 and 2 of Note 2 shall be applied, first, to the charges due under the Note; second, to the preparation of paragraphs third, to amounts payable under paragraph 2; fourth, to interests due; and last, to payment due Note 3.

Upon payment in full of all sums set aside by this security instrument, Lender shall promptly return to Borrower any Funds held by Lender. If under Paragraph 19 the Property is sold by Lender, any Funds held by Lender shall apply toward the sale of the Property acquired by Lender, and Lender shall receive the sum set aside by this security instrument.

If the due dates of three funds held by Lender, together with the future maturing payments of funds payable under the Escrow Agreement, shall exceed the amount required to pay the escrow items when due, the excess shall bear interest at the rate of 12% per annum from the date of the first payment in excess of the amount required to pay the escrow items, until paid in full.

Securities interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender may agree to withdraw interest sum paid on the Funds. Charges in aggregate amount not exceeding \$100 per annum of the principal amount of the Funds will be paid by Lender to the Fund.

The Funds shall be held in an institution the depositors of which are insured by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items and other fees for holding and applying the Funds, multiplying the account of escrow items, interest, and other fees by the rate of interest then in effect.

2. Funds to Lenders monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of (a) yearly taxes and assessments which may accrue within premises over this Security Instrument; (b) yearly interest on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Interest") equal to the lesser of (a) the amount of interest accrued on the principal amount of funds advanced by the lender plus accrued interest thereon, or (b) the amount of interest accrued on the principal amount of funds advanced by the lender plus accrued interest thereon, less the amount of interest paid by the borrower to the lender during the period from the date of the last payment of interest to the date of the next payment of interest.

1. Payment of Principal and Interest: Prepayment and Late Charges. Borrower shall promptly pay when due the principal of or interest on the debt evidenced by the Note and any prepayment made by the Lender.

UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:
