UNIFORM COVENANTS, BORROWER AND LENDER Covenants and Agreements:

88225700

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to his Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument and the Note are declared to be severable.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Security interest, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument, notwithstanding that this option shall not be exercised by Lender if exercise is prohibited by law as defined in this Security Instrument.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the mailing address set forth in the Borrower's signature block or to the address set forth in the Borrower's signature block if the Borrower has no signature block. Any notice to Lender shall be given by delivery to the address set forth in the Lender's signature block or to the address set forth in the Lender's signature block if the Lender has no signature block.

partial Prepayment without any Prepayment Charge under the Note.

12. Loan Charges. If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it is interpreted to permit other loans charged or to be collected in connection with the permitted limited loans, then: (a) any sums already collected from Borrower which exceeded the amount necessary to reduce the charge shall be reduced by the amount paid to Borrower under Note or by making a direct payment to Borrower; (b) if a refund reduces principal, the reduction will be treated as a premiumited limit will be reduced to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

11. **Security** **Accessors** and **Assigees** **Bounds**; **Joint and Separate Liability**; **Co-signers**. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17, Borrower's covenants and agreements shall be joint and several. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend past the date of the monthly payment referred to in paragraphs 1 and 2 or change the amount of such payments. Postpone the date of the monthly payment referred to in paragraphs 1 and 2 or change the amount of such payments shall not be a waiver of any right or remedy by the original Borrower or Borrower's successors in interest. Any right or remedy by Lender in exercise of any right or remedy shall not be a waiver of any right or remedy by the original Borrower or Borrower's successors in interest.

If the event of a total taking of the Property, the proceeds shall be applied to the sums executed by this Security instrument, unless Borrower paid to Borrower, within any excess, the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be applied to Borrower.

EQUITY LOAN MORTGAGE RIDER (Adjustable Rate and Payment) (Revolving Line of Credit)

THIS EQUITY LOAN MORTGAGE RIDER is made this 7TH day of MAY, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Equity Loan Note to DEERFIELD FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

1920 HIGHLAND AVENUE, WILMETTE, IL 60091
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE. IF THE INTEREST RATE INCREASES, THE BORROWER'S MONTHLY PAYMENTS WILL BE HIGHER. IF THE INTEREST RATE DECREASES, THE BORROWER'S MONTHLY PAYMENTS WILL BE LOWER.

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE, MONTHLY PAYMENT CHANGES AND BILLING NOTICES

Sections 2., 3. and 4. of the Equity Note provide for changes in the interest rate and the monthly payments and for billing notices, as follows:

2. INTEREST

A) Interest Rate

The interest rate may change monthly. Interest rate changes may occur on the first day of any month beginning on JUNE 1ST, 1988 and on the first day of every month thereafter.

1) The Index

Interest rate changes will be based on an interest rate index which will be called the "Index." The "Index" is the Prime Rate, the base rate on corporate loans at large U.S. money center commercial banks as published in the Money Rates section of the Midwest Edition of the Wall Street Journal on the 15th day of each preceding month. If more than one Prime Rate is listed on that day, the Index in effect for borrower's EQUILINE for the next month will be an average of the Prime Rates listed.

If the Index ceases to be made available the Note Holder will choose a new index which is based upon comparable information. The Note holder will give the borrower notice of its choice.

2) Setting the Interest Rate

The interest rate ("Annual Percentage Rate") on the principal sum of the borrower's EQUILINE from time to time outstanding will be computed and will vary based on the average daily balance during the billing cycle in which borrower has an outstanding balance as well as fluctuating with the Index. "The Average Daily Balance" is determined by taking the principal sum outstanding at the beginning of each day, adding any new advances, subtracting any payments or credits, summing the total thus derived for the number of days in the billing cycle, and dividing that grand total by the number of days in the billing cycle for that month.

UNOFFICIAL COPY

For an Average Daily Balance under \$25,000.00, the Annual Percentage Rate for the month on the principal sum shall be the Index rate plus ONE HALF percent (.5 %). For an Average Daily Balance of \$25,000.00 or more, the Annual percentage Rate for the month on the principal sum shall be the Index rate plus ONE HALF percent (.5 %).

B) Interest Calculation

Interest will be charged beginning on the date of each advance of principal and continue until the full amount of principal has been repaid. Interest for a monthly billing cycle shall be calculated by multiplying the Average Daily Balance during the billing cycle by the number of days in the billing cycle and then by the Annual Percentage Rate expressed as a decimal and divided by 365.

The Annual Percentage Rate may change monthly as changes take place in the index and the principal sum due on the Note. There is no maximum limit on changes in the Annual Percentage Rate at any change date except that no interest at more than the maximum rate allowed by law at any time will be charged.

~~THE ANNUAL PERCENTAGE RATE WILL NEVER EXCEED 99%.~~

3. PAYMENTS

Monthly payment shall be due on the first day of each month beginning the first of the month following the first advance under this Note. The Payment Amount Due each month will be:

X 1.25% of the outstanding principal balance or interest due, whichever is greater.

Interest only monthly on the outstanding principal balance.

In no event, however, will the Payment Amount Due be less than \$25.00 (unless the outstanding principal plus interest accrued and unpaid is less than that amount). The payment amount method may be changed only with written consent of the Note Holder.

Advances under this Note will increase the payment and prepayments will reduce the payment unless offset by changes in the interest rate. The interest rate on this Note may change from time to time. An increase in the interest rate will result in an increased payment and a decrease in the interest rate will result in a decreased payment unless offset by prepayments or advances. Prepayment in whole or in part shall be permitted without penalty or fee, but prepayment shall not excuse borrower's subsequent failure to pay principal or interest as it becomes due.

4. BILLING NOTICES

Each month that there is an outstanding principal balance borrower will receive a billing which will show the outstanding principal balance carried forward from the last billing date, the date and amount of additional advance(s) of principal or payment(s) since the last billing date and the amount of interest accrued since the last billing date, the Annual Percentage Rate, periodic rate, payment due, late charge date, new balance, available balance and any other items the Note Holder may choose to disclose.

B. ADDITIONAL NON-UNIFORM COVENANTS

24. Additional Insurance. In the event that any, either or all of the undersigned Borrowers shall elect to secure life or disability insurance or both, or insurance of similar nature, in an amount, form and company acceptable to the Lender as additional security for the indebtedness hereby secured, the Borrowers agree to pay or provide for the payment of all premiums on such insurance policies; and further agree that the Lender may advance any premiums due and payable on such insurance policies, and add the amount so advanced in payment of premiums as additional debt secured hereby, with interest at the Note rate.

25. Release Fee. Notwithstanding Covenant 21 of the Security Instrument to the contrary, this Security Instrument shall be released upon cancellation of the line of credit and payment to the terms hereof and the payment of its reasonable release fee.

26. Prior Mortgage. The Borrowers affirm that they are the obligators under a note secured by a mortgage, in the original sum of 133,000.00 DOLLARS, dated APRIL 18, 1987 and recorded in the Recorder's Office of COOK County, Illinois, as Document No. 87218300 and hereby specifically agree that when and if they permit said note or mortgage to become in default under any of their terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of 17.

27. Deferral of Tax and Insurance Escrows. This mortgage provides for payments to be made for tax and insurance escrows. As long as the mortgage referred to in paragraph 26 is outstanding and all taxes and insurance premiums are paid the escrow provisions in this mortgage will not be enforced. However, should said previous mortgage be repaid, the Borrower will begin making escrow payments in accordance with this mortgage.

28. Default. In the event of any default under the terms of the Mortgage, the Equity Loan Mortgage Rider or the Equity Loan Note, Lender will notify Borrower, in writing, pursuant to Paragraphs 13, 17 and 19 of the Mortgage, of acceleration of this loan. Upon the giving of notice of acceleration, no future advances under the Line of Credit will be permitted. If Borrower cures the default to lender's satisfaction, future advances under the Line of Credit may be made.

29. Line of Mortgage. The line of this Mortgage secures payment of any existing indebtedness and future advances made pursuant to the Equity Loan Note to the same extent as if such future advances were made on the date of the execution of this Mortgage without regard to whether or not there is any indebtedness outstanding at the time any advance is made.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Equity Loan Mortgage Rider.
