and retain, but not prior to thirty (30) days prior to accrual, all rents, issues and profits from the Premises.

Upon or at any time after any default hereunder, under the Note, the Loan Agreement, the Mortgage or any Loan Documents, Assignee, may at its option, collect and receive all such rents, income, revenue, issues and profits, take possession of the Premises, and have, hold, manage, lease and operate the Premises on such terms and for such period of time as Assignee may deem proper, with full power to make alterations, renovations, repairs or replacements thereto as may, in Assignee's judgment, be proper. Assignee shall, after payment of all charges and expenses, credit the net amount of income received by virtue of this Assignment to any amounts due Assignee under the terms and provisions of the Note, the Loan Agreement, the Mortgage, or any of the Loan Documents, in such order as Assignee, in its sole discretion, may determine.

Assignor hereby covenants and agrees with Assignee as follows:

1. That the sole ownership of the entire lessor's interest in the Leases, if any, is vested in Assignor, and that Assignor has not, and shall not, perform any acts or execute any other instruments which might prevent Assignee from fully exercising its rights under any of the terms, covenants and conditions of this Assignment.

2. That the Leases, if any, are valid and enforceable in accordance with their terms and have not been altered, modified, amended, terminated, cancelled, renewed or surrendered nor have any of the terms and conditions thereof been waived in any manner whatsoever except as approved in writing by Assignee.

3. That none of the Leases, if any, shall be altered, modified, amended, terminated, cancelled or surrendered nor any term or condition thereof be waived without the prior written approval of Assignee, which approval shall not be unreasonably withheld.

4. That there are no defaults now existing under any of the Leases, if any, and there exists no state of facts which, with the giving of notice or lapse of time or both, would constitute a default under any of the Leases.

5. That Assignor shall give prompt notice to Assignee of any notice received by Assignor claiming that a default has occurred under any of the Leases on the part of Assignor, together with a complete copy of any such notice.

6. That each of the Leases shall remain in full force and effect irrespective of any merger of the interest of Assignor, as lessor, and any lessee under any of the Leases.

7. That Assignor shall not collect more than one (1) month in advance the rent due or to become due under the Leases.

8. That Assignor will not permit any Lease to become subordinate to any lien other than the lien of the Mortgage.

The parties further agree as follows:

Assignor hereby irrevocably appoints Assignee its true and lawful attorney with full power of substitution and with full power for Assignee in its own name and capacity or in the name and capacity of Assignor, to demand, collect, receive and give complete acquittances for any and all rents, income receipts, revenues, issues and profits accruing from the Premises, and at Assignee's discretion to file any claim or take any other action or proceeding and make any settlement of any claims, either in its own name or in the name of an Assignor or otherwise, which Assignee may deem necessary or desirable in order to collect and enforce the payment of the rents, income receipts, revenues, issues and profits. Lessees of the Premises are hereby expressly authorized and directed to pay any and all amounts due Assignor pursuant to the leases, if any, to Assignee or such nominee as Assignee may designate in writing delivered to and received by such lessees who are expressly relieved of any and all duty, liability or obligation to Assignor in respect of all payments so made.

Assignee is hereby vested with full power to use all means, legal and equitable, deemed by it necessary or proper to carry out this Assignment and to collect the rents, income receipts, revenues, issues and profits assigned hereunder, including the right of Assignee or its designee to enter upon the Premises, or any part thereof, with or without force and with or without process of law, and take possession of all or any part of the Premises together with all personal property, fixtures, documents, books, records, papers and accounts of Assignor relating thereto, and may exclude Assignor, its agents and servants, wholly therefrom. Assignor hereby grants full power and authority to Assignee to exercise all rights, privileges and powers herein granted at any and all times after service of notice as hereinabove provided, without further notice to Assignor, with full power to use and apply all of the rents and other income hereby assigned to the payment of the costs of managing and operating the Premises and of any indebtedness or liability of Assignor to Assignee, including but not limited to the payment of taxes, special assessments, insurance premiums, damage claims, the costs of maintaining, repairing, rebuilding and restoring the improvements on the Premises or of making the same rentable, attorneys' fees incurred in connection with the enforcement of this Assignment, and of principal and interest payments due from Assignor to Assignee on the Note, the Loan Agreement, the Mortgage and the other Loan Documents, all in such order as Assignee may determine. hereunder or to perform or carry out any of the obligations of the lessor under any of the Leases, if any, and does not assume any of the liabilities in connection with or arising or growing out of the covenants and agreements of Assignor in the Leases, if any. It is further understood that this Assignment shall not operate to place responsibility for the control, care, management or repair of the Premises, or parts thereof, upon Assignee, nor shall it operate to make Assignee liable for the performance of any of the terms and conditions of any of the Leases, if any, or for any waste of the Premises by any lessee under any of the Leases or any other person, or for any dangerous or defective condition of the Premises or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any lessee, licensee, employee or stranger.

Waiver of or acquiescence by Assignee in any default by Assignor, or failure of Assignee to insist upon strict performance by Assignor of any covenants, conditions or agreements in this Assignment, shall not constitute a waiver of any subsequent or other default or failure, whether similar or dissimilar.

The rights and remedies of Assignee under this Assignment are cumulative and are not in lieu of, but are in addition to any other rights or remedies which Assignee shall have under the Note, the Loan Agreement, the Mortgage, the other Loan Documents, or any other instrument constituting security for the Note, or at law or in equity.

This Assignment shall be construed in accordance with and governed by the laws of the State of Illinois. If any term of this Assignment, or the application thereof to any person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Assignment, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent permitted by law.

All notices to be given pursuant to this Assignment shall be sufficient and shall be deemed served (i) on the third Business Day after the deposit thereof in the United States Mail by certified or registered mail, return receipt requested, first class postage prepaid, to the above-described addresses of the parties hereto, or to such other address as a party may request in writing, or (ii) upon actual delivery to such addressee at its address set out above. "Business Day" shall mean any day when Assignee is open for business, other than Saturday, Sunday or any other day on which banks in Milwaukee, Wisconsin are not open for business.
