UNIFORM COVENANTS. The terms and conditions are as follows:

88243866

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. A charge assessed by Lender in connection with Borrower's entering into this Security Instrument to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied, first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to his Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender fails to pay the premium required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's notice of termination of coverage upon written agreement of the parties, Lender shall pay the premium required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's notice of termination of coverage upon written agreement of the parties.

8. Inspection. Lender or his agent may make reasonable entries upon reasonable notice for the inspection of any condominium or other unit or part of the property, or for any purpose in connection with the conduct of business or the administration of the property, without unreasonable interference by Borrower, who shall be liable for all costs of inspection and shall be liable to Borrower for all damages resulting from his conduct in inspecting the property, unless otherwise provided in the lease or other agreement under which the property is held.

9. Condemnation. The proceeds of any award for damage, or for removal of any portion of the property or any condemnation or other taking of any part of the property before the taking of the property, shall be paid to Borrower, or if, after notice to Borrower that the condominium offers to make an award for removal of a portion of the property, whether or not there is an award by the court, to Lender in the amount of such payment.

If the property is abandoned by Borrower, or if, after notice to Borrower that the condominium offers to make an award for removal of a portion of the property, whether or not there is an award by the court, Lender shall be liable for all costs of inspection and shall be liable to Borrower for all damages resulting from his conduct in inspecting the property, unless otherwise provided in the lease or other agreement under which the property is held.

10. Borrower Not Responsible. Borrower is not responsible for any amounts paid to Lender under this Note, except for amounts accrued during the period from the date of the last payment of principal on this Note to the date of final payment of principal and interest on this Note.

11. Successors and Assigns; General Security Instruments. This covenant and agreements of this Note shall not be liable for amounts accrued by Lender under this Note for periods after the date of final payment of principal and interest on this Note.

12. Loan Charges. If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount of any prepayment premium charged under the Note, or by making a deposit to Borrower, Lender shall take steps appropriate to the Note, and (b) if Lender exercises his option under the Note to make any accommodation with respect to the Note, then (c) agrees to make this security instrument or the Note.

13. Legislation Affecting Lender's Rights. If enactment of applicable law or regulations of the Note permits immediate payment of all sums secured by this security instrument and any remedies may therefore be available to Lender, he may invoke them without notice to Borrower, Lender shall be liable for amounts paid to Borrower by reason of any such exercise.

14. Notice. Any notice to Borrower provided for in this security instrument shall be given by registered mail to Borrower in this security instrument, or by certified mail to the address designated in the Note, or by telephone or telegraph if Borrower consents in writing to receive notices in that manner.

15. Government Laws; Severability. This security instrument shall be governed by general laws of the state in which it is located. In the event that any provision of this security instrument is held illegal, invalid or unenforceable, it shall be severable.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this security instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, in his option, require immediate payment by Borrower of all sums secured by this security instrument. However, if Borrower fails to pay the same prior to the date of acceleration of this security instrument, Lender shall be entitled to pay all expenses incurred in enforcing this security instrument, including, but not limited to, reasonable attorney's fees; and (d) takes such action as Lender deems necessary to assure that the lien of this security instrument shall continue unaffected, Lender's rights in the property and Borrower's responsibility to pay the same are not limited to any clause or agreement among the parties.

18. Borrower's Right to Remedy. If Borrower meets certain conditions set forth in this security instrument, Borrower shall have the right to have remedies permitted by this security instrument.

19. Security Instruments. Lender may require that Borrower make any payment or contribution to him when the same is due, notwithstanding any provision of this security instrument to the contrary, and Lender may invoke any federal law as of the date of this security instrument.

If Lender exercises his option under the Note to make any payment of the security instrument, Lender may invoke any federal law to pay the sum secured by this security instrument, but only if Lender's right to do so is not limited by any provision of this security instrument, or if Lender has made any payment or contribution to him under this security instrument.

20. Security Instruments; Remedies. If Borrower fails to pay the same within which Borrower might pay all sums secured by this security instrument, Lender may invoke any federal law as of the date of this security instrument.

21. Security Instruments; Remedies. If Borrower fails to pay the same within which Borrower might pay all sums secured by this security instrument, Lender may invoke any federal law as of the date of this security instrument.

22. Security Instruments; Remedies. If Borrower fails to pay the same within which Borrower might pay all sums secured by this security instrument, Lender may invoke any federal law as of the date of this security instrument.

## ADJUSTABLE RATE RIDER (1 Year Treasury Index—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 1ST day of JUNE , 19 88, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to CONCOR FINANCIAL SERVICES, INC., ITS SUCCESSORS AND/OR ASSIGNS (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

164 WEST GOETHE-UNIT D, CHICAGO, ILLINOIS 60610  
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 6.900 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The interest rate I will pay may change on the first day of JULY , 19 89, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND SEVEN EIGHTHS percentage points (2.875 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 8.900 % or less than 4.900 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 12.900 %.

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

## ADDENDUM TO ADJUSTABLE RATE RIDER (Fixed Rate Conversion Option)

340-003096-5

THIS ADDENDUM TO ADJUSTABLE RATE RIDER is made this **1ST** day of **JUNE, 1988**, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note, with Addendum To Adjustable Rate Note, to:

**CONCOR FINANCIAL SERVICES, INC., ITS SUCCESSORS AND/OR ASSIGNS,  
AN ILLINOIS CORPORATION** (the "Lender") and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

**164 WEST GOETHE-UNIT D, CHICAGO, ILLINOIS 60610**  
(Property Address)

**07-04-215-1004**

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

### A. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

#### 1. Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section A 1 will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to the fixed rate calculated by the Note Holder under Section A 2 below.

The conversion can only take place on (a) if the first Change Date is 21 months or less from the date of the Note, the third, fourth or fifth Change date, or (b) if the first Change Date is more than 21 months from the date of the Note, the first, second or third Change Date. Each Change Date on which my interest rate can convert from an adjustable rate to a fixed rate also is called the "Conversion Date." **can convert my interest rate only on one of the three Conversion Dates.**

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I want to do so at least 15 days before the next Conversion Date; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S. \$ **100.00**; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

#### 2. Calculation of Fixed Rate

My new, fixed interest rate will be determined by the Note Holder based on the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of the Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%), or (ii) if the original term of the Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section A 2 will not be greater than the Maximum Rate stated in the Note.

#### 3. New Payment Amount and Effective Date

If I am permitted to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date of the Note at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date of the Note.

### B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If Borrower's adjustable interest rate is converted to a fixed rate as stated in Section A of this Addendum To Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in the Rider shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

THIS CONDOMINIUM RIDER is made this **1ST** day of **JUNE**, **198**,  
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the  
"Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to  
**CONCOR FINANCIAL SERVICES, INC.,**  
**ITS SUCCESSORS AND/OR ASSIGNS**  
of the same date and covering the Property described in the Security Instrument and located at:

**164 WEST GOETHE-UNIT D, CHICAGO, ILLINOIS 60610**  
(Property Address)

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium project known as:

**WEST GOETHE**

(Name of Condominium Project)

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

**CONDONIUM COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. Condominium Obligations.** Borrower shall perform all of Borrower's obligations under the Condominium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which creates the Condominium Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent documents. Borrower shall promptly pay, when due, all taxes and assessments imposed pursuant to the Constituent Documents.

**B. Hazard Insurance.** So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to Borrower.

**C. Public Liability Insurance.** Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

**D. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Uniform Covenant 9.

**E. Lender's Prior Consent.** Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of Lender;

(iii) termination of professional management and assumption of self-management of the Owners Association; or

(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

**F. Remedies.** If Borrower does not pay condominium dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium Rider.
