AND AS ADDITIONAL SECURITY for the payment of the indebtedness aforesaid the Mortgagor does hereby assign to the Mortgagee all the rents, issues, and profits now due or which may hereafter become due for the use of the premises hereinabove described.

THAT HE WILL KEEP the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the Mortgagee against loss by fire and other hazard, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made hereinbefore.

All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss Mortgagor will give immediate notice by mail to the Mortgagee, who may make proof of loss if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this Mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

THAT if the premises, or any part thereof, be condemned under any power of eminent domain, or acquired for a public use, the damages, proceeds, and the consideration for such acquisition, to the extent of the full amount of indebtedness upon this Mortgage, and the Note secured hereby remaining unpaid, are hereby assigned by the Mortgagor to the Mortgagee and shall be paid forthwith to the Mortgagee to be applied by it on account of the indebtedness secured hereby, whether or not.

THE MORTGAGOR FURTHER AGREES that should this Mortgage and the Note secured hereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof (written statement of any officer of the Department of Housing and Urban Development or authorized agent of the Secretary of Housing and Urban Development dated subsequent to the 60 days' time from the date of this Mortgage, declining to insure said Note and this Mortgage, being deemed conclusive proof of such ineligibility), the Mortgagee or the holder of the Note may, at its option, declare all sums secured hereby immediately due and payable.

IN THE EVENT of default in making any monthly payment provided for herein and in the Note secured hereby for a period of thirty (30) days after the due date thereof, or in case of a breach of any other covenant or agreement herein stipulated, then the whole of said principal sum remaining unpaid together with accrued interest thereon, shall, at the election of the Mortgagee, without notice, become immediately due and payable.

AND IN THE EVENT that the whole of said debt is declared to be due, the Mortgagee shall have the right immediately to foreclose this Mortgage, and upon the filing of any bill for that purpose, the court in which such bill is filed may at any time thereafter, either before or after sale, and without notice to the said Mortgagor, or any party claiming under said Mortgagor, and without regard to the solvency or insolvency at the time of such applications for appointment of a receiver, or for an order to place Mortgagee in possession of the premises of the person or persons liable for the payment of the indebtedness secured hereby, and without regard to the value of said premises or whether the same shall then be occupied by the owner of the equity of redemption, as a homestead, enter an order placing the Mortgagee in possession of the premises, or appoint a receiver for the benefit of the Mortgagee with power to collect the rents, issues, and profits of the said premises during the pendency of such foreclosure suit and, in case of sale and deficiency, during the full statutory period of redemption; and such rents, issues, and profits when collected may be applied toward the payment of the indebtedness, cost, taxes, insurance, and other items necessary for the protection and preservation of the property.

Whenever the said Mortgagee shall be placed in possession of the above-described premises under an order of a court in which an action is pending to foreclose this Mortgage or a subsequent mortgage, the said Mortgagee, in its discretion, may: keep the said premises in good repair; pay such current or back taxes and assessments as may be due on the said premises; pay for and maintain such insurance in such amounts as shall have been required by the Mortgagee; lease the said premises to the Mortgagor or others upon such terms and conditions, either within or beyond any period of redemption, as are approved by the court; collect and receive the rents, issues, and profits for the use of the premises hereinabove described; and employ other persons and expend itself such amounts as are reasonably necessary to carry out the provisions of this paragraph.

AND IN CASE OF FORECLOSURE of this Mortgage by said Mortgagee in any court of law or equity, a reasonable sum shall be allowed for the solicitor's fees, and stenographers' fees of the complainant in such proceeding, and also for all outlays for documentary evidence and the cost of a complete abstract of title for the purpose of such foreclosure; and in case of any other suit, or legal proceeding, wherein the Mortgagee shall be made a party thereto by reason of this Mortgage, its costs and expenses, and the reasonable fees and charges of the attorneys or solicitors of the Mortgagee, so made parties, for services in such suit or proceedings, shall be a further lien and charge upon the said premises under this Mortgage, and all such expenses shall become so much additional indebtedness secured hereby and be allowed in any decree foreclosing this Mortgage.

AND THERE SHALL BE INCLUDED in any decree foreclosing this Mortgage and be paid out of the proceeds of any sale made in pursuance of any such decree: (1) All the costs of such suit or suits, advertising, sale, and conveyance, including attorneys', solicitors', and stenographers' fees, outlays for documentary evidence and cost of said abstract and examination of title; (2) all monies advanced by the Mortgagee, if any, for the purpose authorized in the Mortgage with interest on such advances at the rate set forth in the Note secured hereby, from the time such advances are made; (3) all the accrued interest remaining unpaid on the indebtedness hereby secured; (4) all the said principal money remaining unpaid. The overplus of the proceeds of sale, if any, shall then be paid to the Mortgagor.

If Mortgagor shall pay said Note at the time and in the manner aforesaid and shall abide by, comply with, and duly perform all the covenants and agreements herein, then this conveyance shall be null and void and Mortgagee will, within (30) days after written demand therefor by Mortgagor, execute a release or satisfaction of this Mortgage, and Mortgagor hereby waives the benefits of all statutes or laws which require the earlier execution or delivery of such release or satisfaction by Mortgagee.

IT IS EXPRESSLY AGREED that no extension of the time for payment of the debt hereby secured given by the Mortgagee to any successor in interest of the Mortgagor shall operate to release, in any manner, the original liability of the Mortgagor.

## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 17th day of June 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Mortgage"), of even date herewith, given by CHRISTINA M ZEPEDA, SPINSTER AND CHRISTOPHER E PONTA, BACHELOR ("Mortgagor") to secure Mortgagor's Adjustable Rate Note ("Note"), of even date herewith, to MARGARETTEN & COMPANY INC

a corporation organized and existing under the laws of the State of New Jersey ("Mortgagee"), covering the premises described in the Mortgage and located at 709 SUNSET CIR, STREAMWOOD, IL 60107

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agree to the following:

1. Under the Note, the initial stated interest rate of

Eight Per Centum

per centum ( 8 ) % per annum ("Initial Interest Rate") on the unpaid principal balance subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.

2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of October, 1989 (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Mortgage ("Change Date").

3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15(519). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:

(a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").

(b) Two Per Centum

percentage points ( 2 ) %; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.

(c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:

- (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
- (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
- (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
- (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).

(d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap, the new adjusted interest rate will be limited to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.

(e) Mortgagee will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted interest rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.

(f) The method set forth in this paragraph 3 of this Adjustable Rate Rider, for determining whether or not an adjustment must be made to the Existing Interest Rate incorporates the effects of the provisions of 24 CFR 203.49(e)(1) and 234.79(e)(1) which requires that changes in the Index in excess of one percentage point must be carried over for inclusion in adjustments to the Existing Interest Rate in subsequent years.

(g) If the Index is no longer available, Mortgagee will be required to use any index prescribed by the Department of Housing and Urban Development. Mortgagee will notify Mortgagor in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.

4. (a) If the Existing Interest Rate changes on any Change Date, Mortgagee will recalculate the monthly installment payments of principal and interest to determine the amount which would be necessary to repay in full, on the matur-

BY SIGNING BELOW, MORTGAGOR AGREES AND CONSENTS TO THE TERMS AND CONDITIONS CONTAINED IN THIS ADJUSTABLE RATE

5. Noticing contained in this adjustable Rate will permit Mortgagor to accomplish rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through adjustments to Mortgagor's monthly installments of principal and interest, as provided for herein.

Now with these adjustments made, we can calculate the interest rate for each payment period. The formula for calculating the interest rate is:

$$I = \frac{PMT}{PV} \times \frac{1 - (1 + r)^{-n}}{r}$$

where:

- $I$  = Interest rate per period
- $PMT$  = Payment amount
- $PV$  = Present value (loan amount)
- $r$  = Interest rate per period (calculated above)
- $n$  = Number of periods (12 months)

Plugging in the values, we get:

$$I = \frac{1000}{10000} \times \frac{1 - (1 + 0.0083)^{-12}}{0.0083} = 0.0083$$

So the monthly interest rate is 0.83%. This means that the effective annual interest rate is approximately 10% (0.0083 x 12 = 0.0996).

Mortgagee agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least thirty (30) days after the adjusted monthly installment Notice to Mortgagee. Mortgagee will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Mortgagee to Mortgagor until the first payment date which occurs at least thirty (30) days after Mortgagee has given a further Adjustment Notice to Mortgagor. Notwithstanding anything to the contrary contained in this Addendum A, if Mortgagor fails to make a payment on the due date, Mortgagor will be relieved of any obligation to pay the monthly installment amount (caused by the recalculations of such amounts under Sub-lease), any increase in the monthly installment amount (caused by the recalculations of such amounts under Sub-lease), or any increase in the monthly installment amount (caused by the recalculations of such amounts under Sub-lease), for any day preceding the day of payment.

Change Date assuming there has been no default in any payment on the Note but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. On or before the Change Date, Mortgagor will give Mortgagor written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installments of principal and interest, calculated as provided above. Each Adjustment Notice will set forth ((i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index, (vi) the method of calculating the adjust- ment to the monthly installment payments, and (vii) any other information which may be required by law from time to the month.
