## B. OBLIGATIONS OF OWNER

The Owner agrees to do the following:

1. Establish and maintain a Reserve for Replacements to cover the cost of major replacements.

- a. Owner agrees to make an initial deposit in the amount of \$21,500.00 with the Mortgagee on the date insured loan proceeds are disbursed. Owner agrees to make monthly deposits to the Reserve in the amount of \$1,670.83, commencing on the date that amortization is scheduled to begin and continuing each month thereafter, unless the Mortgagee establishes a different amount in accordance with the Secretary's administrative requirements. Owner agrees to make the Reserve deposits on the first day of each month. The amount of the monthly deposit may be increased or decreased from time to time without amending this Agreement.
- b. The Reserve for Replacements will be held by the Mortgagee or by a safe and responsible depository designated by the Mortgagee. Such Reserve shall at all times remain under the control of the Mortgagee.
- c. Owner acknowledges that, in order to prevent or cure a default, the Mortgagee may, in accordance with the Secretary's administrative procedures, use Reserve funds to pay amounts due under the Mortgage. If the Mortgage debt is accelerated pursuant to a default under the Mortgage, the Owner agrees that the Mortgagee may apply the balance in such Reserve to the amount due on the Mortgage debt, as accelerated.
- d. Owner agrees to analyze the adequacy of the Reserve for Replacements when and as required by the Mortgagee. If the Mortgagee determines, in accordance with the administrative requirements of the Secretary, that a higher monthly deposit is needed to ensure the future adequacy of the Reserve, Owner agrees to increase the monthly deposit as directed by the Mortgagee.

e. Owner agrees to direct the Mortgagee to invest the Reserve for Replacements only in accordance with the administrative requirements of the Secretary. All earnings received from investments of the Reserve shall accrue to the benefit of the Project. At the option of the Owner, such earnings may be deposited in either the Reserve for Replacements or in the Project operating account. Amounts earned on investments are not a substitute for the regular monthly deposits required by Paragraph B.1.a. of this Agreement.

2. a. Request and implement rent increases only as provided next to the boxes checked below.

(1)  (For Projects endorsed after Nov. 30, 1983) Owner may adjust rents for all unsubsidized units without obtaining the lender's approval.

(2)  HUD (or the Public Housing Agency (PHA) Contract Administrator in the case of Projects assisted under the Section 8 Moderate Rehabilitation Program) will adjust rents for units receiving Section 8 assistance as provided in the HAP Contract and the Secretary's regulations and administrative procedures.

(3)  (For Projects endorsed prior to November 30, 1983) Owner must obtain the lender's written approval for any rent increase. Rents will be processed in accordance with the Secretary's regulations and administrative procedures, using the

(a)  Cost Approach (See Paragraph 7-5.a. of HUD Handbook 4566.1.)

(b)  Market Approach (See Paragraph 7-5.b. of HUD Handbook 4566.1.)

b. For units receiving Section 8 assistance, obtain the Secretary's written approval of charges for facilities and services of the Project not included in rent.

  - d. Not permit any part of the Project to be rented for transient or hotel purposes. The term rental for transient or hotel purposes means (1) rental for any period less than 30 days; or (2) any rental, if the occupants of the housing accommodations are provided customary hotel services, such as room service for food and beverages, maid service, furnishings and laundering of linens, or bellboy service.
  - e. Rent commercial facilities only in accordance with applicable regulations and other administrative requirements of the Secretary and upon such terms as approved by the Mortgagee.
  - f. If the Mortgagee has approved rents based on a cost approach, notify the Mortgagee when State or local government action causes a reduction in property taxes, utilities or other Project expenses. If the Mortgagee determines that the reduction in those expenses is not offset by an increase in other expenses or by an increase in deposits to the Reserve for Replacements, the Owner agrees to reduce rents accordingly. The Owner agrees to provide the Mortgagee sufficient information to make the determination discussed in this paragraph. The Owner agrees to reduce the rents within sixty days of the date of the Mortgagee's directive to do so.
  - g. Obtain the Mortgagee's written approval before leasing the Project or any part of it for other than individual apartment units.
3. a. Deposit all rents and other receipts of the Project in the name of the Project in accounts which are fully insured as to principal by an agency of the Federal government. Any Owner receiving property of the Project in violation of this Agreement must immediately deliver such property to the Project and failing so to do must hold such property in trust. At such time as the Owner shall have lost control and/or possession of the Project, all funds held in trust must be delivered to the Mortgagee to the extent that the Mortgage indebtedness has not been satisfied.
  - d. Deposit and maintain residents' security deposits in a trust account separate and apart from all other funds of the Project. This trust account must be held in the name of the Project and the balance in the account must at all times equal or exceed the Project's liability for resident's security deposits. The Owner must comply with any state or local laws regarding investment of security deposits and distribution of any interest or other income earned thereon. Any earnings received from the investment of security deposits must accrue to the benefit of the Project or the Project residents.
4. a. Make, or receive and retain, Distributions of cash or other assets of the Project only as authorized by this Agreement.

(b) The Project has significant uncorrected physical deficiencies.

(c) There is a default under this Agreement.

b. Limit distributions in any one fiscal period to the amount specified below and calculate Distributions in accordance with the administrative requirements of the Secretary.

(1) No Distributions are permitted on Projects owned by non-profit entities.

(2) On Projects owned by limited distribution entities, distributions may not exceed the lesser of Surplus Cash available at the end of the prior fiscal period or the distributions earned and unpaid as of the end of the prior fiscal period. Distributions

5. a. Deposit the following amounts with the Mortgagee within sixty days after the end of each annual or semi-annual fiscal period in which Surplus Cash is generated. The funds deposited pursuant to this paragraph are referred to as Residual Receipts. The Residual Receipts must at all times remain under the control of the Secretary, who will have the power and authority to direct how the Residual Receipts or any part thereof, may be used for such purposes as he/she may determine.
