UNIFORM COVENANTS, Borrower and Lender covenants and agreements as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligation in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remonstrate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument delayed until any remedy provided to the earlier of: (a) 5 days (or such other period as applicable law may specify) for remonstrance before sale of the Property pursuant to any power of sale contained in this instrument or (b) entry of a judgment enforcing this Security Instrument. Those conditions that Borrower must meet to remonstrate are set forth in the following section.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of less than 30 days from the date the notice is delivered or mailed to Borrower to pay all sums secured by this Security Instrument without further notice or demand on Borrower.

Interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred prior written consent of Lender may, at its option shall not be exercised by Lender if exercise is prohibited by federal law under the rules of the Securities and Exchange Commission) unless Borrower is not a natural person (or if a beneficial interest in Borrower is sold or transferred prior written consent of Lender may, at its option shall not be exercised by Lender if exercise is prohibited by federal law under the rules of the Securities and Exchange Commission).

Any notice to Borrower shall be given by delivery in writing to the address set forth above or to such other address as Borrower may designate in writing.

13. **Legislations Affecting Lennder's Rights.** If enactment of application of applicable laws has the effect of rendering any provision of the Note or this Security Instrument ineffective, according to its terms, Lennder, at its option, may require immediate payment by Lender of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take any steps specified in the second paragraph 17.

12. Loan Charges. If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it does not affect other loans charged or collected or to be collected in connection with the loan, the lender may collect the amount necessary to reduce the charge to the permitted limit; and (b) any such loan charge shall be reduced by the amount of the permitted limits will be reduced to Borrower's lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. (A) Option to Convert to Fixed Rate

5. FIXED INTEREST RATE OPTIONS

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate as follows:

The Note holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of monthly payment before the effective date of any change.

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment

The interest rate I am required to pay at the first change date will not be greater than 11.25%. It is less than 9.25%. Therefore, my adjustable interest rate will never be greater than 11.25%. The interest rate will never be greater than 11.25%.

The above holder will then determine the amount to be paid in accordance with the Change Order. The amount paid will then be deducted from the new bill.

(2) **Comparison of changes**
Before each Change Date, the Note Holder will calculate my new interest rate by adding one-eighth of one percentage point (0.125%). Subsequent to the limits stated in Section 4(1) below, this rounded amount will be my new interest rate until the next Change Date.

Begunning with the first change date, my adjustable interest rate will be based on an index. The "index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index". The most recent index figure available as of the date 45 days before each Change Date is called the "Previous Index". The Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(B) The Index Date
The adjustable rate will pay monthly change on the first day of January, 1951, and so that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date".

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

is incorporated into and shall be deemed to amend and supplement the Mortgagor's Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the Undersigned (the "Borrower") to secure Borrower's Adjustment Note (the "Note") to LILIENTHAL, MORTGAGERS, ATTORNEYS, LTD., 811 CASSATION, Suite 1000, Berkeley, California, 94710, dated April 1, 1988, (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

Holder, I must pay the Note Holder a conversion fee of U.S. \$.....500.00.....; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(B) Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(B) will not be greater than the Maximum Rate stated in Section 4(D) above.

(C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the Maturity Date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. Until Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

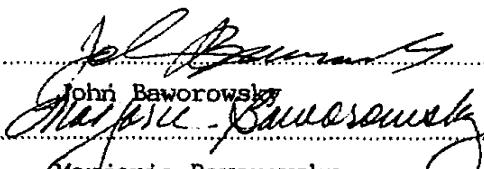

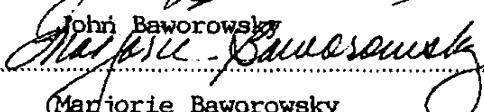

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. If Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in Section C 1 above shall then cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
