20. Member in Possession. Upon acceleration under Paragraph 19 or abandonment prior to the expiration of the period of redemption, the property shall be entitled to center upon, take possession of and manage the property and to collect the rents of the property including those past due. Any rents collected by the receiver shall be applied first to payment of the costs of management of the property and collection of rents, including, but not limited to, receiver's fees, premiums on receivers bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument.

22. Waivers of Foreclosure. Borrower waives all right of homestead exception in the Property.
23. Powers to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument [Check applicable box(es)]

19. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless acceleration is provided otherwise); The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in the sums secured by this Security Instrument foreclosed by judicial proceeding and sale of the Property. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sum already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

EQUITY LOAN MORTGAGE RIDER

(Adjustable Rate and Payment)
(Revolving Line of Credit)

Form No. 02726172

0 0 2 9 7 3 6 2

THIS EQUITY LOAN MORTGAGE RIDER is made this 23RD day of JUNE,
1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of
the same date given by the undersigned (the "Borrower") to secure Borrower's Equity Loan Note to BELL FEDERAL
SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date (the "Note") and covering the property described in
the Security Instrument and located at:

1404 INDIGO DRIVE, MT. PROSPECT, IL 60056

(PROPERTY ADDRESS)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE. IF THE INTEREST RATE INCREASES, THE BORROWER'S MONTHLY PAYMENTS WILL BE HIGHER. IF THE INTEREST RATE DECREASES, THE BORROWER'S MONTHLY PAYMENTS WILL BE LOWER.

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE, MONTHLY PAYMENT CHANGES AND BILLING NOTICES

Section 2.a., 3, and 4, of the Equity Note provides for changes in the interest rate and the monthly payments and for billing notices, as follows:

2. INTEREST

a. Interest Rate

The interest rate may change monthly. Interest rate changes may occur on the first day of any billing cycle beginning on 08-01-1988 and on the first day of every billing cycle thereafter. Billing cycles shall begin on the first day of each month.

b. The Index

Interest rate changes will be based on an interest rate index which will be called the "Index." The "Index" is the Prime Rate, the base rate on corporate loans at large U.S. money center commercial banks as published in the Money Rates section of the Midwest Edition of the Wall Street Journal on the last day the Journal is published each month. If more than one Prime Rate is listed on that day, the Index in effect for your Equity Loan will be an average of the Prime Rates listed.

If the Index ceases to be made available the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of its choice.

c. Setting the Interest Rate

The Note Holder shall calculate the per annum interest rate for any given billing cycle by adding two percentage points (2%) to the Index as published on the last day the Journal is published the previous month. However, the interest rate on this loan will never exceed 16,000 percent per annum.

3. PAYMENTS

Monthly payments of principal and interest shall be due on the first day of each month beginning the first of the month following the first advance under the Note. The monthly payment shall be sufficient to repay in full the principal of my loan in substantially equal payments by the maturity date at the interest rate effective for the billing cycle immediately prior to the payment. The interest rate on this Note may change from time to time. An increase in interest rate will result in an increased payment and a decrease in the interest rate will result in a decreased payment unless offset by prepayments or advances. Prepayment in whole or in part shall be permitted without penalty or fee, but prepayment shall not excuse my subsequent failure to pay principal or interest as it becomes due.

31. LINE OF MORTGAGE. The line of this Mortgage secures payment of any existing indebtedness and future advances made pursuant to the Equity Loan Note to the same extent as if such future advance were made at the date of the execution of this Mortgage without regard to whether or not there is any indebtedness outstanding at the time this Mortgage is made and without regard to whether or not there is any advance made at the time this Mortgage is made.

30. ASSUMPTION. Notwithstanding anything in Paragraph 17 of the Mortgage to the contrary, all or any part of the property of any natural person in it is sold or transferred (or if a beneficiary of Credit pursuant to this paragraph is not a natural person) the Line of Credit will be terminated. Termination of the Line of Credit pursuant to this paragraph will not affect or negate any of Lender's other rights and remedies under Paragraph 17 of the Mortgage.

29. DEFAULT. In the event of any default under the terms of the Mortgage, the Equity Loan Note, Lender will notify Borrower in writing, pursuant to Paragraphs 13, 17 and 19 of the Mortgage, of acceleration of this loan. Upon the giving of notice of acceleration, no future advances under the Line of Credit will be permitted. If Borrower cures the default to Lender's satisfaction, future advances under the Line of Credit may be made.

28. STAFF ATTORNEYS, FEE. The sum, attorney's fees, shall include reasonable fees charged by the Lender for the services of attorneys on its staff.

27. DEFERRAL OF TAX AND INSURANCE ESCROWS. This mortgage provides for payments to be made for tax and insurance escrows. As long as the mortgage referred to in Paragraph 26 is outstanding and all taxes and premiums due paid, the Borrower will begin making escrow payments in accordance with this mortgage.

26. PRIOR MORTGAGE. The Borrowers affirm that they permit a note of mortgage under a note recorded in the Recorder's Office of Cook County, Illinois, as Document No. 88299362 and recorded on June 23, 1988.

25. RELEASE FEE. Notwithstanding Paragraph 21 of the Security Instrument to the contrary, this Security Instrument shall be released upon cancellation of the line of credit and payment to the Lender of the indebtedness secured hereby pursuant to the terms hereof and the payment of its reasonable release fee.

24. ADDITIONAL INSURANCE. In the event that any, either or all of the undersigned Borrowers shall elect to secure life or disability insurance or both, or insurance of similar nature, in an amount, term and company acceptable to the Lender with insurance policies, and add the amount so advanced in payment of premiums as additional debt secured hereby, such insurance premiums on such insurance policies; and further agree that the Lender may advance any premiums due and payable on additional security for the indebtedness hereby secured, the Borrowers agree to pay or provide for the payment of all premiums to the Lender in full of all sums due and payable on the indebtedness secured hereby.

23. ADDITIONAL COVENANTS. Each month that there is an outstanding principal balance I will receive a billing which will show the outstanding principal balance carried forward from the last billing date, the date and amount of interest added at the end of the billing cycle, the annual percentage rate, periodic rate, payment due, late charge date, new balance, available balance and other items the Note Holder may choose to disclose.

22. BILLING NOTICES. Each month that there is an outstanding principal balance I will receive a billing which will show the outstanding principal balance carried forward from the last billing date, the date and amount of additional advance(s) of principal or payment(s) since the last billing date, new balance, available balance and other items the Note Holder may choose to disclose.
