Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest upon notice from Lender to Borrower requesting payment.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property, including paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

6. Preservation and Maintenance of Property; Leasehold. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall be in full extent or postpaid the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 1 or 2 the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument, immediately prior to the acquisition.

5. Hazard Insurance. Borrower shall keep the improve and now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender carries in-against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender carries in-against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender carries in-against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender carries in-

4. Changing Lien. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attach priority over this Security Instrument, and Lender shall promptly furnish to Lender receipts evidencing the payments. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied, first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amount payable under paragraph 2; fourth, to interest due; and last, to principal due.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, and until the Note is paid in full, a sum ("Funds") equal to one-twelfth of (a) yearly taxes and assessments which may attach priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These funds are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates.

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges charged under the Note.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, and Lender may agree to make other arrangements for holding and applying the Funds, including the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds and the purpose for which each debt to the Funds was made, accounting of the Funds showing credits and debits to the Funds and the purpose for which each debt to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 1 the Property is sold or encumbered by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against application as a credit against the sums secured by this Security Instrument.

11. Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the lender's written agreement or applicable law. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

12. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

13. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

14. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

15. If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemner offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

16. Lender and Borrower otherwise agree in writing any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

17. Borrower Not Released; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification of a portion of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or include the exercise of any right or remedy.

18. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note is co-signing this Security Instrument only to mortgage, grant and convey the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodation also is with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

19. Loan Chargeoff. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and the law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may elect to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

20. Limitation Affecting Lender's Rights. If enforcement or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 17. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

21. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another means. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

22. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of the Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

23. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

24. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) and Borrower is not a natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

25. Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

26. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the expiration of (a) 5 days (or such other period as applicable law may require) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (u) pays Lender all sums which then would be due under this Security Instrument and the Note had not acceleration occurred; (v) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property, and Borrower's obligation to pay the sums secured by this Security Instrument shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply if the acceleration occurred pursuant to paragraphs 13 or 17.

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) an increase in the limit on the amount of interest rate change over the full term of the Note, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in form satisfactory to Lender subordinating that lien to this Security Instrument.

If a refund reduces principal, the reduction will be treated as a partial prepayment. Lender may choose to make this refund by reducing the principal owed under the Note, or by making a direct payment to me. The permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The permitted limits; then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit so that the interest or other loan charges collected or to be collected in connection with the loan exceed the amount of the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that

If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

In no event over the full term of the Note will the interest rate be increased more than Five and 5/8 percentage points ( 5.625 %) from the Initial Rate of Interest. Before each Change Date the Note Holder will compute the new interest rate by adding Three and 1/2 percentage points ( 3.5 %) to the Current Index. However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than One percentage points ( 1 %) from the rate of interest currently being paid.

Property of Cook County Clerk's Office

To begin the conversion process in a particular month, I must telephone Lender during regular business hours sometime from the opening of business on the first business day of that month through the close of business on the fourth business day of that month at Lender's Customer Service Department (312-977-5770) or at such other number as Lender may advise me. Lender will advise me of the fixed rate then available to me and give me instructions on completing my Notice of Conversion.

Second I may not begin the conversion process earlier than the month immediately preceding the month immediately preceding the Final Change Date to occur during the Conversion Period. I may begin the conversion process during any month between these months.

2. Exercise of Conversion Option Lender will advise me of the fixed rate then available to me and give me instructions on completing my Notice of Conversion.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I am not in default or foreclosure under the Note or the Security Instrument on the date I give the Lender notice that I want to exercise the Conversion Option; (b) I am not in default or foreclosure under the Note or the Security Instrument on the date on which my present rate converts from an adjustable rate to a fixed rate (the "Conversion Date"); (c) I have not been assessed for more than one (1) late charge in the twelve (12) months immediately preceding the date I give the Lender notice that I want to exercise the Conversion Option; and I am not assessed a late charge from the time I give such notice to the Conversion Date; (d) within the times described below in Section A(2) I (i) give Lender notice of my desire to exercise the Conversion Option; (ii) pay a non-refundable fee (the "Conversion Fee") equal to \$250.00; (iii) properly complete and return to the Lender the Notice of Conversion after I obtain from the Lender the information necessary to complete the conversion; and (iv) I give Lender any additional documents and meet any additional requirements that may be necessary for exercise of the Conversion Option; and (e) no assumption of my loan has occurred. (If my loan is assumed, as may be permitted under certain conditions specified in an Assumption Certificate that may have been delivered to me by the Lender, my loan will not be convertible to a fixed rate loan). My rights under this Rider are not assignable.

The conversion can only take place on a date specified by the Note Holder during the period of time (the "Conversion Period") beginning on the Second Change Date and ending on the Tenth Change Date of my Note. Each date in which my adjustable interest rate can convert to a new fixed rate is called a "Conversion Date". I can convert my interest rate only on one of these Conversion Dates.

I have an option (the "Conversion Option") which I can exercise to convert the interest rate I am required to pay by the Note from an Adjustable Rate to a Fixed Rate calculated under Section A (1) below for the remaining term of my loan unless sections A(1) or A(2) of this Rider will not permit me to do so.

A. Fixed Interest Rate Option  
1. Option to Convert to Fixed Rate.

The Adjustable Rate Note Conversion Rider to Borrower's Note contains provisions that allow the Borrower to convert the Adjustable Rate Note to a fixed rate Note. That Rider provides as follows:

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender agree as follows:

THIS ADJUSTABLE RATE MORTGAGE CONVERSION RIDER is made this 11th day of July, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Citicorp Savings of Illinois, a Federal Savings and Loan Association (the "Lender"), and covering the property described in the Security Instrument located at: 3916 NORTH ALBANY CHICAGO, ILLINOIS 60618

3. Transfer of the property or a beneficial interest in Borrower. If the adjustable interest rate of my Note is converted to a fixed rate under this Conversion Option, all of the assumption rights available under the terms of any Assumption Certificate provided to me to supplementing the Note and Security Instrument will terminate on the Conversion Date, and the terms under which I may be required to pay in full all amounts I owe under the Note which are described in the section of the Note captioned "Default Secured Note" shall continue to be in full force and effect without exception.

5. Determination of New Payment Amount. If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

4. Calculation of Fixed Rate. My new fixed interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I deliver my Notice of Conversion and Conversion Fee to Lender, and will be equal to the Federal National Mortgage Association's 30 year A/A 60 day delivery required net yield for fixed rate mortgages as quoted with no commitment fee (the "FNMA 60-Day Rate") plus 1.00 percentage points (the "Margin"). If the FNMA 60-Day Rate is not available when I exercise my Conversion Option, Note Holder will choose a substitute rate which is based on comparable information. If I exercise my Conversion Option, any limits on interest rate changes on any Change Date or over the full term of my Note will not apply when the fixed rate is established. However, the fixed interest rate will not exceed a maximum rate of 14.00%.

3. Effective Date of Fixed Interest Rate. If I satisfy all of the conditions for exercising the Conversion Option described in Section A(2) above, the new fixed interest rate will go into effect on the first day of the month following Lender's receipt of the Notice of Conversion and Conversion Fee. This date is called the "Conversion Date". If I do not satisfy all of these conditions for exercising my Conversion Option, or I improperly complete or sign my Notice of Conversion, any attempted exercise of my Conversion Option will be of no effect. If I have timely satisfied all of these conditions for exercising my Conversion Option, I may cancel my exercise of my Conversion Option by notice signed by all Borrowers and received by Lender before the Conversion Date. If I do cancel however, my Conversion Option will become null and void, and my Note will remain an adjustable rate note until maturity.

If I decide to exercise my Conversion Option, I must complete my Notice of Conversion and return it to Lender together with the Conversion Fee. The property completed and signed Notice of Conversion and the Conversion Fee MUST be received by Lender no later than the seventh business day of that month. The Notice of Conversion and Conversion Fee must be received by Lender at its office specified during my telephone conversation required above. Delivery to one Lender's other office does not satisfy this delivery requirement, and may result in a delay that will render my attempted exercise of my Conversion Option null and void.
