2. TDC has advised Lessor that:

KEEP PREMISES IN REPAIR

9. Lessor shall not be obliged to incur any expense for repairing any improvements upon said demised premises or connected therewith, and the Lessee at his own expense will keep all improvements in good repair (injury by fire, or other causes beyond Lessor's control excepted) as well as in a good, reasonable and wholesome condition, and will comply with all local or general regulations, laws and ordinances applicable thereto, as well as lawful requirements of all competent authorities in that behalf. Lessee will, as far as possible, keep said improvements from deterioration due to ordinary wear and from falling temporarily out of repair. Lessee shall not be liable for any such deterioration or falling out of repair, subject to the provisions of paragraph 22 herein contained in this lease.

10. If Lessee shall abandon or vacate the Premises, or if Lessee's right to occupy the Premises be terminated by Lessor by reason of Lessee's breach of any of the covenants herein, the same may be re-let by Lessor for such rent and upon such terms as Lessor may deem fit; and if a sufficient sum shall not thus be realized monthly, after paying the expenses of such re-letting and collecting to satisfy the rent hereby received, Lessee agrees to satisfy and pay all deficiency monthly during the remaining period of the lease.

EXTRA FIRE HAZARD

12. There shall not be allowed, kept, or used on the Premises any inflammable or explosive liquids or materials save such as may be necessary for use in the business of the Lessor, and in such case, any such substances shall be de-livered and stored in amount, and used, in accordance with the rules of the applicable Board of Underwriters and tenancy and ordinances now or hereafter in force.

CONFESSION OF JUDGMENT

of the United States, attorney for him and in his name, from time to time, to waive the issuance of process and service thereof to be rendered by jury, to consent judgment in favor of Lessor, his heirs, executors, administrators, successors or assigns, and against Lessee, for the amount of rent which may be in default by virtue of the terms hereof, with the costs of such proceedings, and a reasonable sum for plaintiff's attorney's fees in or about the entry of said judgment, and for the purposes to file in said court his consent thereto, and to make an agreement in said court, or elsewhere, waiving or releasing all errors which may intervene in any such proceeding, and waiving and releasing all right of appeal and right to writ of error, and consenting to or immediate execution upon said judgment. If there be more than one attorney in either party, the number of attorneys in each party shall be equal, and shall authorize the entry of appearance of, waiver of number of process and trial by jury by and confession of judgment against any one or more of such Lessee, and shall authorize the performance of every other act in the name of and on behalf of any one or more of such Lessee, and Lessee hereby consents all that said attorney may lawfully do by virtue hereof. The power conferred by this paragraph shall be deemed to be in full force and effect.

FIRE AND CASUALTY

option, terminate this lease, or repair the Premises, and failing so to do, or upon the default of Lessee, to sell the Premises, and to apply the proceeds of such sale to the payment of the rent due by Lessee.

PAYMENT OF FEES

14. Each party shall pay and discharge all reasonable legal attorney's fees and expenses that may be incurred by Lessor in enforcing the covenants and agreements of this lease, and this lease and all covenants and agreements herein contained shall be binding upon, apply, and enforce to their respective heirs, executors, administrators, and assigns of all parties to this lease.

- (15) (A) In addition to the rental specified above in this Lease, the Lessee shall pay to the Lessor during the entire term of this Lease an amount equal to the general real estate taxes which may be levied, assessed or imposed upon the demised premises, but for only the term of the Lease.
(B) Lessee shall pay the full amount of such yearly taxes to the Lessor at the rate of one-twelfth (1/12) of said amount monthly in advance with the rent payment for the term of this Lease.
(C) The amount of the tax payments shall be adjusted each year upon receipt of the previous year's tax bill, and if the payments for that previous year do not aggregate the actual amount of the taxes due or paid, Lessee shall, upon demand, pay the difference. If the Lessee has paid an aggregate amount in excess of said tax bill, Lessee shall receive one dollar for any overplus.
(D) The last available tax bill is for the year 1976 in the amount of \$20,155.41 for the demised premises. Lessee shall pay Lessor \$1,680.00 monthly until adjustments shall be made upon receipt of subsequent tax bills.
(E) The Lessor reserves the right to contest the general real estate taxes levied and assessed against the property during the term of this lease providing that such contest be made with dispatch and in a lawful manner and not in any way jeopardize Lessor's interest in the property.

(16) It is further expressly agreed by the lessee that it will conduct its business in a lawful manner, obtaining at its own expense from time to time during the entire period of this lease, such licenses and permits and paying such fees as may be necessary for the conduct of its business under Municipal Ordinances and Regulations or State or Federal Statutes or requirements, and that the Lessee will, at its own expense, furnish and maintain, if necessary, such bonds as may be required from time to time by the City of Chicago in the maintenance of and driveways, curbs, or sidewalk openings which lessee may deem necessary in the operation of its business.

(17) Lessee shall, during the entire term of this lease, take out, with responsible carriers, maintain, and pay for fire, extended coverage (including tornado damage) and vandalism and malicious mischief insurance in the amount of not less than \$ 500,000. From time to time Lessor may require an increase or decrease in such sum upon determination of a different replacement value. Notwithstanding the foregoing, the parties will use their best efforts to at all times maintain the amount of such insurance at the premises replacement value.

In addition thereto, Lessee shall take out, with responsible carriers, maintain and pay for boiler and pressure vehicle insurance coverage at a sum not less than \$100,000.

Certificates of insurance will be furnished to Lessor naming Lessor as an additional insured in the above insurance as its interest may appear.

Lessee shall take out, with responsible carriers, maintain, and pay for third party bodily insurance and bodily damage insurance and cause Lessor to be named as an additional insured thereunder in respect to the premises as Lessor's interest may appear in a minimum amount of \$1,000,000 each per son and \$2,000,000 each occurrence.

(18) Lessor reserves the right at any time during the term of this lease to convey the demised premises by mortgage or trust deed to any person, firm or corporation, to secure the payment of any note or notes evidencing any loan or loans, which Lessor in Lessor's discretion may decide to make, and this lease shall be subject and subordinate to any such mortgage, mortgages, trust deed or trust deeds and the note or notes evidenced and secured thereby. However, while the holder of such mortgage trust deed shall have the right in event of default under the terms of the above mortgage trust deed and may proceed to foreclose its lien thereunder, as long as there remains no uncured default in this Lease on the part of the Lessee, the Lessee shall have the right of quiet enjoyment of the premises hereunder, as long as it continues to make rental payments as directed by the holder of said mortgage or trust deed, and the holder of said mortgage trust deed recognizes the option on the part of the Lessee to extend the term of this Lease and the option on the part of the Lessee to purchase the demised premises. Such subordination agreement shall also be binding upon any purchaser or purchasers under any foreclosure sale of the demised premises. The Lessee shall execute any and all documents required by the Lender to give effect to this provision.

(19) It is understood and agreed that Lessee intends to bring in assembly lines and other equipment and machinery to the demised premises in furtherance of the purposes set forth in the first page of this lease, which may require certain alterations. It is agreed that in respect to the installation of the equipment thereof, Lessee will submit to Lessor in writing its proposed plans for installation and Lessor agrees within forty-eight hours after receipt thereof, to transmit to Lessee any objections to such proposed plans and its suggestions for the proper method of installation. Nevertheless, Lessee shall not make any alterations or additions at all to the demised premises without first obtaining written approval from Lessor, which approval the Lessor shall not unreasonably or arbitrarily withhold.

(20) (A) Lessee shall maintain the exterior grounds, lawns and shrubbery, and shall at all times keep those areas neat and clear of rubbish or debris. Lessee shall maintain exterior building lighting and flood lighting. Lessee shall maintain existing exterior fences and gates.

(B) Upon receipt of written request from Lessee, Lessor shall during the term of this lease make any and all necessary repairs to the roof and exterior walls of the demised premises, and as necessary paint the exterior of the window and door sashes, except in case of damage thereto caused by any act or neglect on the part of the Lessee.

(21) (A) If the demised building is substantially destroyed and made wholly untenable by fire or other casualty, Lessor may elect:

(1) to terminate this lease by service on Lessee of an advance thirty (30) day written notice, in which event this lease shall terminate thirty (30) days after receipt thereof; or

(2) Lessor may elect to repair, restore or rehabilitate said building at Lessor's expense and give notice of his intention so to do in writing within thirty (30) days from the date of such destruction, in which event Lessor shall have one hundred twenty (120) days from the date Lessor is unable to take possession of the injured premises to undertake reconstruction or repairs, in which latter event the lease shall not terminate, but rent shall be abated on a per diem basis while the premises are untenable. If Lessor elects so to repair, restore or rehabilitate the building, and does not substantially complete the work within said 120 day period, either party may terminate this lease by the service of a thirty day notice at the expiration of said 120 day period. If Lessor substantially completes said building within said thirty (30) day period, this lease shall remain in full force and effect, and if not, the lease shall automatically terminate at the end of said thirty day period. In the event of termination of this lease pursuant to this provision, all rental shall be paid to the date of the destruction of said premises on a per diem basis.

(B) If the demised building shall be partially damaged by fire or other casualty, the building shall be repaired, restored or rehabilitated by and at the expense of Lessor, and all rentals due from Lessee, until the damaged portion of the premises is substantially ready for occupancy by Lessee, shall be apportioned according to the portion of the demised building usable by Lessee, and the remainder of the rentals will be abated until said building is substantially ready for occupancy.

(C) In all cases requiring completion of the repair, restoration or rehabilitation of the demised building within a specified time, due allowance shall be made for delays which may be caused by adjustment of insurance, strikes, labor difficulties, Acts of God or any other causes beyond Lessor's control, and the time for substantial completion will be deemed automatically extended to the extent of the time consumed by such delay or delays.

(22) Lessor shall have the right at the termination of this lease by lapse of time or otherwise to re-enter upon and take possession of the demised premises and, at Lessor's option, either retain without cost or charge all of the improvements, building fixtures or other structures installed in or on the building or demised premises by Lessee or in Lessee's behalf, or at Lessor's option may remove therefrom all or any part thereof at Lessee's expense. Notwithstanding the foregoing, Lessee's machinery or equipment may be removed by Lessee but all damage to the premises caused by such removal shall be repaired by Lessee at Lessee's expense.

(23) Lessee shall have the right and option to elect to renew the Lease of the demised premises for an additional term of ten years commencing on the expiration date of the original term of this Lease and expiring on the tenth anniversary date of such commencement.

(A) The yearly base rental of the extended term shall be determined by adding three percent (3%) to the national average mortgage rate for a one story net lease industrial building in Chicago, Illinois at the time of the commencement of the additional term (or if such publication or information is not then available, then by adding three percent to the highest mortgage rate of interest then in effect by the First National Bank of Chicago) and multiplying that percentage times \$450,000.00; 1/12th of that base yearly rental shall be payable each month for the extended term, plus the general real estate taxes as provided in this lease.

(B) If lessee shall elect to exercise this option it must give lessor written notice of such election prior to the end of the thirteenth (13th) year of the original lease term in person or sent by U. S. Registered Mail or certified mail addressed to the lessor.

(C) All other terms and conditions of the Lease shall remain in full force and effect, unchanged, unmodified and unaltered for the extended term of the lease.

(24) (A) Lessee shall have the right and option to elect to purchase the demised premises at the end of the original lease term for the sum of \$450,000.00. If lessee shall elect to exercise this option it must give lessor written notice of such election prior to the end of the thirteenth (13th) year of the original lease term (in person or by U. S. Registered or certified mail addressed to the lessor).

(B) Lessor shall thereupon procure a letter of title commitment from the Chicago Title and Trust Company showing title free and clear of mortgage liens or encumbrances (or satisfy any which may appear thereon at or before the time of closing) and in exchange for the full purchase price by means of the usual escrow agreement with the Chicago Title and Trust Company, if demanded by either party, deliver a deed conveying clear title to grantee subject only to current general real estate taxes and assessments, if any, and easements of record and to the usual standard exceptions contained in owner's policies then being issued by the Chicago Title and Trust Company.

(25) Concurrently with the execution of this lease, the Lessee has leased the adjacent property commonly known as 1120-50 East 57th Street, Chicago. It is hereby agreed by Lessee and Lessor that if the Lessee elects to exercise either the Lease renewal in Paragraph 23 or the purchase option in Paragraph 24, the Lessee shall simultaneously exercise the same option for said adjacent property, as provided in that lease.

(26) (a) Lessor agrees that it will cause the work generally described in the memorandum dated December 1, 1977 (re: Condition of the premises) to be carried out and performed by Klarich Construction Company, or its subcontractors, in a good and workmanlike manner in a manner consistent with the reasonable needs of lessee and its operations without undue delay consistent with weather conditions and only to acts beyond the control of Klarich Construction Company. year. The aforesaid memorandum has been initialed on behalf of the parties hereto for identification. Lessee shall cooperate in entering into suitable memorandum evidencing the fact that the work for each item has been done. Subsequent damage being incurred thereafter shall be the responsibility of Lessee. Lessor agrees that it will keep Klarich Construction Company and its subcontractors, agents and employees performing such work to be covered by the liability insurance of Klarich Construction Company with such insurance naming Lessor and Lessee, Gateway Industries Inc., the officers, agents and employees also insured thereunder with such coverage being deemed and providing that it is primary and non-contributory to any other coverage of such parties. Lessor further agrees that it will cause, prior to the commencement of any such work, Klarich Construction Company to agree in writing for the specific benefit and in a manner enforceable by Lessee, Lessor, Gateway Industries Inc., their officers, agents, and employees that Klarich Construction Company and its subcontractors will indemnify and hold their agents, companies and persons harmless from injury and death to the workmen of Klarich Construction Company or its subcontractors, including any such injuries or death to workmen arising from the negligence or alleged negligence of Lessor, Lessee, Gateway Industries Inc., their officers, agents or employees. In addition thereto there shall be a suitable provision which effectively indemnifies and holds lessor and lessee free and harmless for damage to any of the property or the injury or death to the employees of lessor, lessee or Gateway Industries Inc.

(B) It is agreed that lessee shall remove its machinery and equipment and restore the premises at the end of the term or extended term. By way of example, but not by way of limitation, storage racks and slab foundation thereof whether now upon the premises or whether added thereto by lessee shall be removed together with their piping, mechanical and related work, leaving only the floors, walls and ceilings all neatly patched, together with the improvements such as electrical, wiring, heating, ventilation, air conditioning and the like.

R I D E R

(16) It is further expressly agreed by the Lessee that it will conduct its business in a lawful manner, obtaining at its own expense from time to time during the entire period of this Lease, such licenses and permits and paying such fees as may be necessary for the conduct of its business under Municipal Ordinances and Regulations or State or Federal Statutes or requirements, and that the Lessee will, at its own expense, furnish and maintain, if necessary, such bonds as may be required from time to time by the City of Chicago in the maintenance of and driveways, curbs, or sidewalk openings which Lessee may deem necessary in the operation of its business.

(17) Lessee shall, during the entire term of this Lease, take out, with responsible carriers, maintain, and pay for fire, extended coverage (including tornado damage) and vandalism and malicious mischief insurance in the amount of not less than \$2,500,000. From time to time Lessor may require an increase or decrease in such sum upon determination of a different replacement value. Notwithstanding the foregoing, the parties will use their best efforts to at all times maintain the amount of such insurance at the premises replacement value.

In addition thereto, Lessee shall take out, with responsible carriers, maintain and pay for boiler and pressure vehicle insurance coverage at a sum not less than \$100,000.

Certificates of insurance will be furnished to Lessor naming Lessor as an additional insured in the above insurance as its interest may appear.

Lessee shall take out, with responsible carriers, maintain, and pay for third party bodily insurance and bodily damage insurance and cause Lessor to be named as an additional insured thereunder in respect to the premises as Lessor's interest may appear in a minimum amount of \$1,000,000 each person and \$2,000,000 each occurrence.

(18) Lessor reserves the right at any time during the term of this lease to convey the demised premises by mortgage or trust deed to any person, firm or corporation, to secure the payment of any note or notes evidencing any loan or loans, which Lessor in Lessor's discretion may decide to make, and this lease shall be subject and subordinate to any such mortgage, mortgages, trust deed or trust deeds and the note or notes evidenced and secured thereby. However, while the holder of such mortgage or trust deed shall have the right in event of default under the terms of the above mortgage trust deed and may proceed to foreclose its lien thereunder, as long as there remains no uncured default in this Lease on the part of the Lessee, the Lessee shall have the right of quiet enjoyment of the premises hereunder, as long as it continues to make rental payments as directed by the holder of said mortgage or trust deed, and the holder of said mortgage trust deed recognizes the option on the part of the Lessee to extend the term of this Lease and the option on the part of the Lessee to purchase the demised premises. Such subordination agreement shall also be binding upon any purchaser or purchasers under any foreclosure sale of the demised premises. The Lessee shall execute any and all documents required by the Lender to give effect to this provision.

88324271

(19) It is understood and agreed that Lessee intends to bring in assembly lines and other equipment and machinery to the demised premises in furtherance of the purposes set forth in the first page of this lease, which may require certain alterations. It is agreed that in respect to the installation of the equipment thereof, Lessee will submit to Lessor in writing its proposed plans for installation and Lessor agrees within forty-eight hours after receipt thereof, it shall transmit to Lessee any objections to such proposed plans and its suggestions for the proper method of installation. Nevertheless, Lessee shall not make any alterations or additions at all to the demised premises without first obtaining written approval from Lessor, which approval the Lessor shall not unreasonably or arbitrarily withhold.

(20) (A) Lessee shall maintain the exterior grounds, lawns and shrubbery, and shall at all times keep those areas neat and clear of rubbish or debris. Lessee shall maintain exterior building lighting and flood lighting. Lessee shall maintain existing exterior fences and gates.

(B) Upon receipt of written request from Lessee, Lessor shall during the term of this Lease make any and all necessary repairs to the roof and exterior walls of the demised premises, and as necessary paint the exterior of the window and door sashes, except in case of damage thereto caused by any act or neglect on the part of the Lessee.

(21) (A) If the demised building is substantially destroyed and made wholly untenable by fire or other casualty, Lessor may elect:

(1) to terminate this lease by service on Lessee of an advance thirty (30) day written notice, in which event this lease shall terminate thirty (30) days after receipt thereof; or

(2) Lessor may elect to repair, restore or rehabilitate said building at Lessor's expense and give notice of his intention so to do in writing within thirty (30) days from the date of such destruction, in which event Lessor shall have one hundred twenty (120) days from the date Lessor is unable to take possession of the injured premises to undertake reconstruction or repairs, in which latter event the lease shall not terminate, but rent shall be abated on a per diem basis while the premises are untenable. If Lessor elects not to repair, restore or rehabilitate the building, and does not substantially complete the work within said 120 day period, either party may terminate this lease by the service of a thirty day notice at the expiration of said 120 day period. If Lessor substantially completes said building within said thirty (30) day period, this lease shall remain in full force and effect, and if not, the lease shall terminate at the end of said thirty day period. In the event of termination of this lease pursuant to this provision, all rental shall be paid to the date of the destruction of said premises on a per diem basis.

24 219 194

(B) If the demised building shall be partially damaged by fire or other casualty, the building shall be repaired, restored or rehabilitated by and at the expense of Lessor, and all rentals due from Lessee, until the damaged portion of the premises is substantially ready for occupancy by Lessee, shall be apportioned according to the part of the demised building usable by Lessee, and the remainder of the rentals will be abated until said building is substantially ready for occupancy.

(C) In all cases requiring completion of the repair, restoration or rehabilitation of the demised building within a specified time, due allowance shall be made for delays which may be caused by adjustment of insurance, strikes, labor difficulties, Acts of God or any other causes beyond Lessor's control, and the time for substantial completion will be deemed automatically extended to the extent of the time consumed by such delay or delays.

8832.1271

(22) Lessor shall have the right at the termination of this Lease by lapse of time or otherwise to re-enter upon and take possession of the demised premises and, at Lessor's option, either retain without cost or charge all of the improvements, building fixtures or other structures installed in or on the building or demised premises by Lessee or in Lessee's behalf, or at Lessor's option may remove therefrom all or any part thereof at Lessee's expense. Notwithstanding the foregoing, Lessee's machinery or equipment may be removed by Lessee but all damage to the premises caused by such removal shall be repaired by Lessee at Lessee's expense.

88324271

(23) Lessee shall have the right and option to elect to renew the Lease of the demised premises for an additional term of ten years commencing on the expiration date of the original term of this Lease and expiring on the tenth anniversary date of such commencement.

(A) The yearly base rental of the extended term shall be determined by adding three percent (3%) to the national average mortgage rate for a one story net lease industrial building in Chicago, Illinois at the time of the commencement of the additional term (or if such publication or information is not then available, then by adding three percent to the highest mortgage rate of interest then in effect by the First National Bank of Chicago) and multiplying that percentage times \$1,900,000.00; 1/12th of that base yearly rental shall be payable each month for the extended term, plus the general real estate taxes as provided in this lease.

(B) If Lessee shall elect to exercise this option it must give Lessor written notice of such election prior to the end of the thirteenth (13th) year of the original lease term in person or sent by U. S. Registered Mail or certified mail addressed to the Lessor.

(C) All other terms and conditions of the Lease shall remain in full force and effect, unchanged, unmodified and unaltered for the extended term of the Lease.

(24) (A) Lessee shall have the right and option to elect to purchase the demised premises at the end of the original lease term for the sum of \$1,900,000.00. If Lessee shall elect to exercise this option it must give Lessor written notice of such election prior to the end of the thirteenth (13th) year of the original lease term (in person or by U. S. Registered or certified mail addressed to the Lessor).

(B) Lessor shall thereupon procure a letter of title commitment from the Chicago Title and Trust Company showing title free and clear of mortgage liens or encumbrances (or satisfy any which may appear thereon at or before the time of closing) and in exchange for the full purchase price by means of the usual escrow agreement with the Chicago Title and Trust Company, if demanded by either party, deliver a deed conveying clear title to grantee subject only to current general real estate taxes and assessments, if any, and easements of record and to the usual standard exceptions contained in owner's policies then being issued by the Chicago Title and Trust Company.

(25) Concurrently with the execution of this Lease, the Lessee has leased the adjacent property commonly known as 8801-25 S. GREENWOOD AVE, CHICAGO. It is hereby agreed by Lessee and Lessor that if the Lessee elects to exercise either the Lease renewal in Paragraph 23 or the purchase option in Paragraph 24, the Lessee shall simultaneously exercise the same option for said adjacent property, as provided in that lease.

88324271

(26) (A) Lessor agrees that it will cause the work generally described in the memorandum dated December 1, 1977 (re: Condition of the premises) to be carried out and performed by Klarich Construction Company, or its subcontractors, in a good and workmanlike manner in a manner consistent with the reasonable needs of Lessee and its operations without undue delay consistent with weather conditions and only to acts beyond the control of Klarich Construction Company. year. The aforesaid memorandum has been initialed on behalf of the parties hereto for identification. Lessee shall cooperate in entering into suitable memorandum evidencing the fact that the work for each item has been done. Subsequent damage being incurred thereafter shall be the responsibility of Lessee. Lessor agrees that it will keep Klarich Construction Company and its subcontractors, agents and employees performing such work to be covered by the liability insurance of Klarich Construction Company with such insurance naming Lessor and Lessee, Gateway Industries Inc., the officers, agents and employees also insured thereunder with such coverage being deemed and providing that it is primary and non-contributory to any other coverage of such parties. Lessor further agrees that it will cause, prior to the commencement of any such work, Klarich Construction Company to agree in writing for the specific benefit and in a manner enforceable by Lessee, Lessor, Gateway Industries Inc., their officers, agents, and employees that Klarich Construction Company and its subcontractors will indemnify and hold their agents, companies and persons harmless from injury and death to the workmen of Klarich Construction Company or its subcontractors, including any such injuries or death to workmen arising from the negligence or alleged negligence of Lessor, Lessee, Gateway Industries Inc., their officers, agents or employees. In addition thereto there shall be a suitable provision which effectively indemnifies and holds lessor and lessee free and harmless for damage to any of the property or the injury or death to the employees of lessor, lessee or Gateway Industries Inc.

(B) It is agreed that Lessee shall remove its machinery and equipment and restore the premises at the end of the term or extended term. By way of example, but not by way of limitation, storage tanks and slab foundation thereof whether now upon the premises or whether added thereto by Lessee shall be removed together with their piping, mechanical and related work, leaving only the floors, walls and ceilings all neatly patched, together with the improvements such as electrical, wiring, heating, ventilation, air conditioning and the like.

(C) Lessor shall have the option to decide which partitions and other related work shall be removed upon notice as provided in the lease. All partitions and related work that are left on the premises shall be neatly patched at Lessee's expense.

(D) Any and all openings in the exterior walls shall be neatly patched upon removal of any and all mechanical equipment owned by Lessee, at Lessee's expense.

(E) Lessee shall be responsible to maintain, or at its option to remove windbreaking partition along the east loading dock in building number 5. Lessee shall maintain the Gateway installed offices in building number 6 or remove the same at any time. Said offices are located along the east wall north of the phone equipment room and along the west wall north and south of the electrical equipment room.
