ROBERT BRANDT, being first duly sworn on oath, deposes and says that he has made a true and impartial assessment of the cost of the said improvement upon the property benefited by such improvement; that he verily believes that the amounts assessed against the public and against each lot, block, tract and parcel of land assessed in the said assessment roll made by him in pursuance thereof, attached hereto, are just and equitable and do not exceed the benefits which will be in each case derived from said improvements; that no lot, block, tract or parcel of land has been assessed more than its proportionate share of the cost of said improvement.
