If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

ADJUSTABLE PAYMENT RIDER

RIDER ATTACHED TO MORTGAGE FOR RECORDING

22nd July

88 THIS ADJUSTABLE PAYMENT RIDER is made this day of
19 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or
Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to
secure Borrower's Adjustable Payment Note to GreatAmerican Federal Savings & Loan Association (the "Lender") of
the same date (the "Note") and covering the property described in the Security Instrument and located at:

5737 WEST SUPERIOR STREET

CHICAGO, IL 60651

(Property Address)

This Note Contains Provisions Allowing For Changes In The Interest Rate And The Monthly Payment And
For Increases In The Principal Amount To Be Repaid.

The Note Also Provides For Calculations Of Two Separate Monthly Payment Amounts. One Will Be The
Amount That The Borrower Must Actually Pay Each Month. The Other Will Be An Amount That The
Borrower Would Pay Each Month To Fully Repay The Loan On The Maturity Date. This Means That The
Borrower Could Repay More Than The Amount Originally Borrowed Or That The Borrower Could Repay
The Loan Before The Maturity Date.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument,
Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial rate of%. Sections 2, 3, 4, 5 and 6 of the Note provide for changes in the
interest rate and the monthly payments, as follows:

2. INTEREST

(A) Interest Owed

Interest will be charged on that part of principal which has not been paid. Interest will be charged beginning on
the date of this Note and continuing until the full amount of principal has been paid.

Beginning on the date of this Note, I will owe interest at a yearly rate of%. The rate of interest I will
owe will change on the first day of the month of, 19 and on that day every
month thereafter. Each date on which the rate of interest could change is called an
"Interest Change Date." The new rate of interest will become effective on each Interest Change Date.

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the ~~MONTHLY~~
average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the
Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called
the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable
information. The Note Holder will give me notice of this choice.

The most recently available Index figure as of the date 30 but not more than 45 days before each Interest Change
Date is called the "Current Index."

(C) Calculation of Interest Rate Changes

Before each Interest Change Date, the Note Holder will calculate my new rate of interest by adding
percentage points (. %) to the Current Index. This amount will be my new rate of interest until the next
Interest Change Date.

(D) Interest After Default

The rate of interest required by this Section 2 is the rate I will owe both before and after any default described in
Section 9(B) below.

3. CALCULATION OF AMOUNTS OWED EACH MONTH

The Note Holder will calculate my Full Monthly Amount. The "Full Monthly Amount" is the amount of the
monthly payment that would be sufficient to repay the unpaid principal balance of the loan at the rate of interest I am
required to pay by Sections 2(A) and 2(C) above in substantially equal monthly payments over an amortization period
~~of twenty-five years~~ (25) from the date of this note. The balance of the indebtedness, if not sooner paid, shall be due and
payable on August, which is called the "maturity date". My first Full Monthly
Amount is U.S. Nine Hundred Eighty Seven and ~~987.42~~. Before each Interest Change Date, the
Note Holder will calculate the new Full Monthly Amount which I will owe each month beginning on the first monthly
payment date after the Interest Change Date.

The Full Monthly Amount I owe may be more or less than the amount I am required to pay each month. Section 5
below describes how my unpaid principal balance will change if the amount of my monthly payment and the Full
Monthly Amount are different.

4. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month. My monthly payments will be applied to inter-
est before principal.

I will make my monthly payments on the first day of each month beginning on September
19 I will make these payments every month until I have paid all the principal and interest and any other
charges described below that I may owe under this Note. If I still owe amounts under this Note on the maturity date, I
will pay those amounts in full on that date. Those amounts could be greater than the amount of my last monthly pay-
ment before the maturity date.

I will make my monthly payments at GreatAmerican Federal Savings & Loan Association, 1001 Lake Street, Oak Park, IL 60301, or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$. . . **987.42** The Note Holder will change my monthly payment as required by Section 4(C) below on the **JST** . . . Interest Change Date and on that day every **12TH** month thereafter. Each of these dates is called a "Payment Change Date." The Note Holder will also change my monthly payment on any Interest Change Date if Section 5(B) below requires me to pay the Full Monthly Amount.

(C) Calculation of Monthly Payment Changes

Before each Payment Change Date, the Note Holder will calculate a new monthly payment sufficient to repay the unpaid principal balance on my loan in full over the remaining amortization period at the Payment Rate in substantially equal payments. The "Payment Rate" is the Index on the most recent Interest Change Date plus **THREE AND 250/1000THS** percentage points (. . . **3.250%**).

I will pay the amount of my new monthly payment until the next Payment Change Date unless Section 5(B) below requires me to pay the Full Monthly Amount.

(D) Effective Date of Payment Changes

Until my monthly payment is again changed, I will pay the amount of my new monthly payment each month beginning on the first monthly payment date after the Payment Change Date, or Interest Change Date if I am required to pay the Full Monthly Amount.

5. UNPAID PRINCIPAL BALANCE

(A) Changes in my Unpaid Principal Balance

My monthly payment could be less than the amount of the interest portion of the first Full Monthly Amount I owe or less than the interest portion of my first Full Monthly Amount after an Interest Change Date. If so, the Note Holder will subtract the amount of my monthly payment from the amount of interest I owe and will add the difference to my unpaid principal balance each month until the next Interest Change Date. The Note Holder will also add interest on the amount of this difference to my unpaid principal balance each month until the next Interest Change Date when the Note Holder determines my new rate of interest on my then unpaid principal balance, the rate of interest on the interest added to principal will be the rate determined in Section 2 above.

My monthly payment could be more than the amount of the Full Monthly Amount. If so, the Note Holder will subtract the difference from the unpaid principal balance of my loan each month until the next Interest Change Date as if I had made a partial prepayment under Section 7 below.

(B) Limit on Unpaid Principal Balance: Required Full Monthly Amount

My unpaid principal balance can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed. If my paying the amount of my monthly payment after any Interest Change Date would cause the unpaid principal balance to exceed that maximum amount at any time, I must pay instead the Full Monthly Amount as my monthly payment until the next Payment Change Date.

6. NOTICE OF CHANGES

The Note Holder will mail or deliver to me a notice of any changes in the Full Monthly Amount and my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attachable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower has shall agree in writing to the payment of the obligation secured by such lien in another instrument of Lender. Borrower shall in good faith contest such lien by, or defend against enforcement of such lien in legal proceedings which, in the opinion of Lender, operate to prevent the enforcement of the lien or, if enforcement of the lien is permitted, Lender shall secure from the holder of such lien an agreement in a form satisfactory to Lender not to perfect Lender's Security Interest.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall send Borrower notice identifying such lien. Borrower shall, if necessary, take one or more of the actions set forth above within ten days of the giving of notice.

C. NOTICE

Uniform Covenant 14 of the Security Instrument is amended to read as follows:

14. Notice. Except for any notice required under applicable law to be given to another member, tenant, or agent named in Borrower provided for in this Security Instrument shall be given by delivering it to, by mailing it by first class mail addressed to Borrower at the Property Address or at such other address as Borrower may designate in writing to Lender as provided herein, and (b) any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

D. UNIFORM MORTGAGE; GOVERNING LAW; SEVERABILITY

Uniform Covenant 15 of the Security Instrument is amended to read as follows:

15. Uniform Mortgage; Governing Law; Severability. This form of Security Instrument contains uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction.
