If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and cover the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note; (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument, or the Note without the Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; and (b) any sums already collected from the Borrower which exceeded permitted limits will be returned to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, as its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in this second paragraph of paragraph 17.

14. Notice. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Sovereignty. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument and the Note which can be given effect without the conflicting provision. This and the provisions of this Security Instrument and the Note are deemed to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercised in prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay those sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstatement. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 60 days for such other period as applicable law may specify for reinstatement before a judgment of the Property pursuant to this Security Instrument; or (b) the entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other government or governmental agency; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument shall continue together with the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall remain fully unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully in effect as if no acceleration had occurred. However, this right to reinstatement shall not apply in the case of acceleration under paragraphs 13 or 17.

Adjustable Rate
Mortgage Conversion
Rider

Citicorp Savings of Illinois
A Federal Savings and Loan Association

Loan Number: 1019165

THIS ADJUSTABLE RATE MORTGAGE CONVERSION RIDER is made this 29TH day of JULY, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Citicorp Savings of Illinois, A Federal Savings and Loan Association (the "Lender"). Borrower is referred to herein as "I", "me", "my" and "mine". Lender or any one who takes the Adjustable Rate Note by transfer and who is entitled to receive payments under the Note is referred to herein as "Note Holder". This covers the property described in the Security Instrument located at:

3007 KATHLEEN LANE, FLOSSMOOR, ILLINOIS 60422

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender agree as follows:

The Adjustable Rate Note Conversion Rider to Borrower's Note contains provisions that allow the Borrower to convert the Adjustable Rate Note to a Fixed Rate Note. That Rider provides as follows:

A. Fixed Interest Rate Option.

1. **Option to Convert to Fixed Rate.** I have an option (the "Conversion Option"), which I can exercise to convert the interest rate I am required to pay by the Note from an Adjustable Rate to a Fixed Rate calculated under Section A(1) below for the remaining term of my Loan unless Sections A(1) or A(2) of this Rider will not permit me to do so.

The conversion can only take place on a date specified by the Note Holder during the period of time (the "Conversion Period") beginning on the 2ND Change Date and ending on the 10TH Change Date of my Note. Each date on which my adjustable interest rate can convert to a new fixed rate is called a "Conversion Date". I can convert my interest rate only on one of these Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I am not in default or foreclosure under the Note or the Security Instrument on the date I give the Note Holder notice that I want to exercise the Conversion Option, or on the date the Note Holder receives my signed Notice of Conversion; (b) I am not in default or foreclosure under the Note or the Security Instrument on the date on which my interest rate converts from an adjustable rate to a fixed rate (the "Conversion Date"); (c) I have not been assessed for more than one (1) late charge in the twelve (12) months immediately preceding the date I give the Note Holder notice that I want to exercise the Conversion Option, and I am not assessed a late charge from the time I give such notice to the Conversion Date; (d) within the times described below in Section A(2) I (i) give Note Holder notice of my desire to exercise the Conversion Option; (ii) pay a non-refundable fee (the "Conversion Fee") equal to \$ 250.00; (iii) properly complete and return to the Note Holder the Notice of Conversion after I obtain from the Note Holder the information necessary to complete it; and (iv) I give Note Holder any additional documents and meet any additional requirements that may be necessary for exercise of the Conversion Option; and (e) no assumption of my loan has occurred. (If my loan is assumed, as may be permitted under certain conditions specified in an Assumption Certificate that may have been delivered to me by the Lender, my loan will no longer be convertible to a fixed rate loan). My rights under this Rider are not assignable.

2. **Exercise of Conversion Option.** I may not begin the conversion process earlier than the month immediately preceding the SECOND Change Date. My last opportunity to begin the conversion process is the month immediately preceding the Final Change Date to occur during the Conversion Period. I may begin the conversion process during any month between those months.

To begin the conversion process in a particular month, I must telephone Note Holder during regular business hours some time from the opening of business on the first business day of that month through the close of business on the fourth business day of that month at Note Holder's Customer Service Department (977-5770) or at such other number as Note Holder may advise me. Note Holder will advise me of the fixed rate then available to me and give me instructions on completing my Notice of Conversion.

If I decide to exercise my Conversion Option, I must complete my Notice of Conversion and return it to Note Holder together with the Conversion Fee. The properly completed and signed Notice of Conversion and the Conversion Fee MUST be received by Note Holder no later than the seventh business day of that month. The Notice of Conversion and Conversion Fee must be received by Note Holder at its office specified during my telephone conversation required above. Delivery to one of Note Holder's other offices does not satisfy this delivery requirement, and may result in a delay that will render my attempted exercise of my Conversion Option null and void.

3. **Effective Date of Fixed Interest Rate.** If I satisfy all of the conditions for exercising the Conversion Option described in Section A(2) above, the new fixed interest rate will go into effect on the first day of the month following Note Holder's receipt of the Notice of Conversion and Conversion Fee. This date is called the "Conversion Date". If I do not satisfy all of these conditions for exercising my Conversion Option, or I improperly complete or sign my Notice of Conversion, any attempted exercise of my Conversion Option will be of no effect. If I have timely satisfied all of these conditions for exercising my Conversion Option, I may cancel my exercise of my Conversion Option by notice signed by all Borrowers and received by Note Holder before the Conversion Date. If I do cancel however, my Conversion Option will become null and void, and my Note will remain an adjustable rate note until maturity.

4. **Calculation of Fixed Rate.** My new fixed interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I deliver my Notice of Conversion and Conversion Fee to Note Holder, and will be equal to the Federal National Mortgage Association's 30 year A/A 60 day delivery required net yield for fixed rate mortgages as quoted with no commitment fee (the "FNMA 60-Day Rate") plus .625 percentage points (the "Margin").

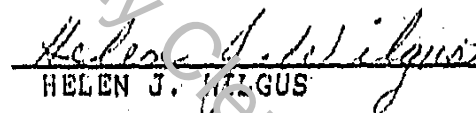

If the FNMA 60-Day Rate is not available when I exercise my Conversion Option, Note Holder will choose a substitute rate which is based on comparable information. If I exercise my Conversion Option, any limits on interest rate changes on any Change Date or over the full term of my Note will not apply when the fixed rate is established. However, the fixed interest rate will not exceed a maximum rate of 14.000 %.

5. **Determination of New Payment Amount.** If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

B. **Transfer of the property or a Beneficial interest in Borrower.** If the adjustable interest rate of my Note is converted to a fixed rate under this Conversion Option, all of the assumption rights available under the terms of any Assumption Certificate provided to me supplementing the Note and Security instrument will terminate on the Conversion Date, and the terms under which I may be required to pay in full all amounts I owe under the Note which are described in the section of the Note captioned "Uniform Secured Note" shall continue to be in full force and effect without exception.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Mortgage Conversion Rider.

Adjustable Rate Mortgage Rider

Loan Number: 1019165

NOTICE: The Security Instrument secures a Note which contains a provision allowing for changes in the interest rate. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

This Rider is made this 29TH day of JULY, 19 88, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Citicorp Savings of Illinois, A Federal Savings and Loan Association, (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at

3007 KATHLEEN LANE, FLOSSMOOR, ILLINOIS 60422

Property Address

MODIFICATIONS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Interest Rate and Monthly Payment Changes. The Note has an "Initial Interest Rate" of 6.875%. The Note interest rate may be increased or decreased on the day of the month beginning on FEBRUARY 1, 19 89, and on that day of the month every 6 month(s) thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: (Check one box to indicate Index.)

- (1) [] The weekly average yield on United States Treasury securities adjusted to a constant maturity of _____ year(s), as made available by the Federal Reserve Board.
(2) [X] The weekly auction average (investment) yield on six month United States Treasury Bills.
(3) [] Other:

In no event over the full term of the Note will the interest rate be increased more than 7.125 percentage points (7.125 %) from the Initial Rate of Interest.

Before each Change Date the Note Holder will calculate the new interest rate by adding 3.125 percentage points (3.125 %) to the Current Index. However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than ONE percentage points (1.000 %) from the rate of interest currently being paid.

If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. Loan Charges. It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial payment.

C. Prior Liens. If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

D. Transfer of the Property. If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) an increase in the limit on the amount of interest rate change over the full term of the Note, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.
