B. In order to provide for the payment of taxes, assessments, insurance premiums, and other annual charges upon the property securing this indebtedness, and other insurance required or accepted, the undersigned promises to pay to the Mortgagee a non-rata portion of the current year taxes upon the disbursement of the loan and to pay monthly to the Mortgagee, in addition to the above payments, a sum estimated to be equivalent to one-twelfth of such items, which payments may, at the option of the Mortgagee, (a) be held by it and commingled with other such funds or its own funds for the payment of such items; (b) be carried in a savings account and withdrawn by it to pay such items; or (c) be credited to the unpaid balance of said indebtedness as received, provided that the Mortgagee's advances upon this obligation sums sufficient to pay said items as the same accrue and become payable. E. That it is the intent hereof to secure payment of said note and obligation whether the entire amount shall have been advanced to the Mortgagor at the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage contract;

F. That if all or any part of the property or any interest therein is sold or transferred by Mortgagor without the prior written consent of Mortgagee, excluding (a) the creation of a lien or encumbrance subordinate to this mortgage, (b) the creation of a purchased money security interest for household appliances, (c) a transfer by devise, descent, or by operation of law upon the death of a joint tenant or (d) the grant of any leasehold interest of three years or less not containing an option to purchase, Mortgagee may, at Mortgagee's option, declare without notice all of the sums secured by this mortgage to be immediately due and payable.
