To Have and to Hold the above-described premises, with the appurtenances and fixtures, unto the said Mortgagee, its successors and assigns, forever, for the purposes and uses herein set forth, free from all rights and benefits under and by virtue of the Homestead Exemption Laws of the State of Illinois, which said rights and benefits to said Mortgagor does hereby expressly release and waive.

And Said Mortgagor covenants and agrees:

To keep said premises in good repair, and not to do, or permit to be done, upon said premises, anything that may impair the value thereof, or of the security intended to be effected by virtue of this instrument; not to suffer any lien of mechanics men or material men to attach to said premises, to pay to the Mortgagee, as hereinafter provided, until said note is fully paid, (1) a sum sufficient to pay all taxes and assessments on said premises, or any tax or assessment that may be levied by authority of the State of Illinois, or of the county, town, village, or city in which the said land is situate, upon the Mortgagor on account of the ownership thereof; (2) a sum sufficient to keep all buildings that may at any time be on said premises, during the continuance of said indebtedness, insured for the benefit of the Mortgagee in such forms of insurance, and in such amounts, as may be required by the Mortgagee.

In case of the refusal or neglect of the Mortgagor to make such payments, or to satisfy any prior lien or incumbrance other than that for taxes or assessments on said premises, or to keep said premises in good repair, the Mortgagee may pay such taxes, assessments, and insurance premiums, when due, and may make such repairs to the property herein mortgaged as in its discretion it may deem necessary for the proper preservation thereof, and any moneys so paid or expended shall become so much additional indebtedness, secured by this mortgage, to be paid out of proceeds of the sale of the mortgaged premises, if not otherwise paid by the Mortgagor.

It is expressly provided, however (all other provisions of this mortgage to the contrary notwithstanding), that the Mortgagee shall not be required nor shall it have the right to pay, discharge, or remove any tax, assessment, or tax lien upon or against the premises described herein or any part thereof or the improvement situated thereon, so long as the Mortgagor shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

And the said Mortgagor further covenants and agrees as follows:

That he will promptly pay the principal of and interest on the indebtedness evidenced by the said note, at the times and in the manner therein provided. Privilege is reserved to pay the debt in whole or in part on any installment due date.

That, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

(a) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and

special assessments; and

(b) All payments mentioned in the preceding subsection of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (i) ground rents, if any, taxes, special assessments, fire, and other hazard insurance premiums;
- (ii) interest on the note secured hereby;
- (iii) amortization of the principal of the said note; and
- (iv) late charges.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed four cents (4¢) for each dollar (\$1) for each payment more than fifteen (15) days in arrears, to cover the extra expense involved in handling delinquent payments.

If the total of the payments made by the Mortgagor under subsection (a) of the preceding paragraph shall exceed the amount of the payments actually made by the Mortgagee for ground rents, taxes, and assessments, or insurance premiums, as the case may be, such excess, if the loan is current, at the option of the Mortgagor, shall be credited on subsequent payments to be made by the Mortgagor, or refunded to the Mortgagor. If, however, the monthly payments made by the Mortgagor under subsection (a) of the preceding paragraph shall not be sufficient to pay ground rents, taxes, and assessments, or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagor shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any balance remaining in the funds accumulated under the provisions of subsection (a) of the preceding paragraph. If there shall ever be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under subsection (a) of the preceding paragraph as a credit against the amount of principal then remaining unpaid under said note.

And as Additional Security for the payment of the indebtedness aforesaid the Mortgagor does hereby assign to the Mortgagee all the rents, issues, and profits now due or which may hereafter become due for the use of the premises hereinabove described.

That He Will Keep the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made heretofore. All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss Mortgagor will give immediate notice by mail to the Mortgagee, who may make proof

The Corollaries Herein Contained shall bind, and the pecuniary and advantages shall accrue, to the respective heirs, executors, administrators, successors, and assigns of the parties hereto.

And there shall be deposited in any depository or receptacle in this mortgagor and be paid out of the proceeds of any sale made in pursuance of any such decree: ((1)) All the costs of such suit or suits, advertising, sale, and conveyance, including attorney's fees, solicitors', and surveyors' fees, outlays for documents, every sum and cost of said abstract and examination of title; ((2)) all the money's damages awarded by the Master Judge, or the pur- pose so awarded in the mortgage which interests on such advances at the rate of four per cent per annum; ((3)) all the accrued interest remaining unpaid on the indebtedness hereby secured; and ((4)) all the said principal money remaining unpaid. The receipts of the proceeds of the sale, if any, shall then be paid to the Master Judge.

And in Case of Proceedings of this mortgage by said Mortgagor
Bags in any court of law or equity, a reasonable sum shall be
allowed for the solicitor's fees, and expenses for the
compilation of such proceedings, and also for all outlays for
documentary evidence and the cost of a complete abstract of
title for the purpose of such proceedings; and in case of any
other suit, or legal proceeding, wherein the Mortgagor shall be
made a party thereto by reason of this mortgage, his costs and
expenses, and the reasonable fees and charges of the attorney
or solicitors of the Mortgagor, so made parties, for services in
such suit or proceeding, shall be a further item and charge upon
the said premises under this mortgage, and all such charges
shall become so much additional indebtedness secured hereby.

Whichever the said Mortgagor shall be placed in possession of the above described premises under an order of a court in which action is pending to foreclose this mortgage or a subsequent mortgage, the said Mortgagor, in his discretion, may keep the said premises in good repair; pay such current or back taxes and assessments as may be due on the said premises, pay for and insure the same in such amounts as shall have been required by the Mortgagor; lease the said premises to the holder of the security or others upon such terms and conditions as the Mortgagor may prescribe; lease the said amounts to the holder of the security or others upon such terms and conditions as the Mortgagor may prescribe; and receive the rents and profits for the use and occupation of the premises heretofore described; and employ other persons and expend such amounts as are reasonably necessary to carry out the provisions of this paragraph.

In the event of default in making any monthly payment pro-
vided for herein and in the note secured hereby for a period of
thirty (30) days after the due date thereof, or in case of a breach of
any other covenant or agreement herein stipulated, then the whole
of said principal sum remaining unpaid together with accrued in-
terest thereon, shall, at the election of the Mortgagor, without
notice, become immediately due and payable.

**That if the premises, or any part thereof, be condemned under
any power of eminent domain, or acquired for a public use, the
damages, proceeds, and the consideration for such acquisition, to
the circuit of the full amount of indebtedness upon this mortgage,
and the Note secured hereby remaining unpaid, are hereby assigned
by the Mortgagor to the Assignee and shall be paid notwithstanding to
the Mortgagor to be paid by it on account of the indebtedness**

ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 9TH day of AUGUST, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Mortgage"), of even date herewith, given by the undersigned ("Mortgagor") to secure Mortgagor's Adjustable Rate Note ("Note"), of even date hereinafter, to Draper and Kramer, Inc., 32 West Monroe Street, Chicago, Illinois 60603 ("Mortgagee"), covering the premises described in the Mortgage and located at 1185 CHESAPEAKE LANE, PALATINE, IL 60067.

Notwithstanding anything to the contrary set forth in the Mortgage, Mortgagor and Mortgagee hereby agree to the following:

1. Under the Note, the initial stated interest rate of 9.500 per centum (9.500%) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of OCTOBER 19 89 (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year during the term of the Mortgage ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"); the Index is published in the **Federal Reserve Bulletin** and made available by the United States Treasury Department in Statistical Release H. 15 (519). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate if any as follows:
 - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
 - (b) 2.59 percentage points (2.59%; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
 - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
 - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
 - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
 - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
 - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point, less than the Existing Interest Rate (subject to the 5% Cap).

(5) Mortgagor agrees to pay the adjusted monthly installments amount beginning on the first payment date which occurs at least thirty (30) days after Mortgagor has given the adjusted monthly installments amount notice to Mortgagor. Mortgagor will continue to pay the adjusted monthly installments amount set forth in the last adjusted monthly installment notice given by Mortgagor to pay the adjusted monthly installments amount set forth in the last adjusted monthly installment notice given by Mortgagor to pay the adjusted monthly installments amount notice to Mortgagor. Mortgagor will pay the first payment date which occurs at least thirty (30) days after Mortgagor has given the adjusted monthly installments amount notice to Mortgagor.

(8) If the index is no longer available, Morigagoe will be required to use any index prepared by the Department or all necessary information for Morigagoe to obtain such index) and after the date of such notice (the subsistence index will be deemed to be the index hereunder.

(b) method set forth in this Paragraph 3 or this Adjustment Rate, whichever of the two is higher.

The new adjusted rate will be determined by the formula: $R_{new} = R_{old} \times \frac{1 + \frac{P}{100}}{1 + \frac{I}{100}}$, where R_{old} is the old interest rate, P is the principal amount, and I is the interest rate.

(d) Notwithstanding anything contained in this Article, in no event will any new adjustable interest rate be more than five percentage points higher or lower than the initial interest rate. If any increase or decrease of interest rate would cause the new adjusted interest rate to exceed the 5% Cap, the new adjusted interest rate will be limited to five percentage points higher or lower, whichever is applicable, than the initial interest rate.
