and interest of Borrower and Beneficiary in, to and under the leases of the real estate described in Exhibit "A" attached hereto and made a part hereof ("Premises") whether now in existence or hereafter entered into, including the leases described in Exhibit "B" attached hereto and made a part hereof and all guarantys, amendments, extensions and renewals of said leases and any of them, all of which are hereafter called the "Leases" and all rents, income and profits which may now or hereafter be or become due or owing under the Leases, and any of them or on account of the use of the Premises. Assignor covenants and agrees with Assignee as follows:

1. That the sole ownership of the entire Lessor's interest in the Leases is or shall be vested in Borrower or Beneficiary, or both of them, and that Borrower and Beneficiary have not, and each shall not, perform any acts or execute any other instruments which might prevent Assignee from fully exercising its rights under any of the terms, covenants and conditions of this Assignment.

2. That the Leases are and shall be valid and enforceable in accordance with their terms and have not been altered, modified, amended, terminated, cancelled, renewed or surrendered nor have any of the terms and conditions thereof been waived in any manner whatsoever except as approved in writing by Assignee.

3. That none of the Leases shall be altered, modified, amended, terminated, cancelled or surrendered without Assignee's consent; nor will rental be collected more than one month in advance nor any term or condition thereof be waived nor shall Assignor consent to any assignment or subletting by any lessee without the prior written approval of the Assignee.

4. That there are no defaults now existing under any of the Leases and there exists no state of facts which, with the giving of notice or lapse of time or both, would constitute a default under any of the Leases.

5. That Assignor shall give prompt notice to Assignee of any notice received by Borrower and/or Beneficiary claiming that a default has occurred under any of the Leases on the part of the Borrower or Beneficiary, together with a complete copy of any such notice.

6. That Assignor will not permit any Lease to become subordinate to any lien except the lien of the Mortgage (as hereinafter defined) and the lien of general real estate taxes.

7. There shall be no merger of the Leases, or any of them, by reason of the fact that the same person may acquire or hold directly or indirectly the Leases, or any of them, as well as the fee estate in the Premises or any interest in such fee estate.

8. This Assignment is absolute and is effective immediately. Notwithstanding the foregoing, until a notice is sent to the Assignor in writing that a default has occurred under the terms and conditions of the Note of even date herewith in the principal sum of Six Hundred Thousand Dollars (\$600,000.00) (the "Note") and the Mortgage of even date herewith encumbering the Premises (the "Mortgage"), or any other instrument constituting additional security for the Note (which notice is hereafter called a "Notice"), Assignor may receive, collect and enjoy the rents, income and profits accruing from the Premises.

9. In the event of any default at any time in the Note, Mortgage or any other instrument constituting additional security for the Note, Assignee may, at its option after service of a Notice, receive and collect all such rents, income and profits as they become due, from the Premises and under any and all Leases of all or any part of the Premises. Assignee shall thereafter continue to receive and collect all such rents, income and profits, as long as such default or defaults shall exist, and during the pendency of any foreclosure proceedings, and if there is a deficiency, during any redemption period.

10. From and after the service of a Notice, Assignee shall have the right in its own name to demand, collect, receive and give complete acquittances for any and all rents, income and profits accruing from the Premises, and to file any claim or take any other action or proceeding and make any settlement of any claims, which Assignee may deem necessary or desirable in order to collect and enforce the payment of the rents, income and profits. Lessees of the Premises are hereby expressly authorized and directed to pay any and all amounts due Borrower and/or Beneficiary pursuant to the Leases to Assignee or such nominee as Assignee may designate in writing delivered to and received by such lessees who are expressly relieved of any and all duty, liability or obligation to Borrower and/or Beneficiary in respect of all payments so made.

11. From and after service of a Notice, Assignee is hereby vested with full power to use all measures, legal and equitable, deemed by it necessary or proper to enforce this Assignment and to collect the rents, income and profits assigned hereunder, including

the right of Assignee or its designee to enter upon the Premises, or any part thereof, with or without force and with or without process of law, and take possession of all or any part of the Premises together with all personal property, fixtures, documents, and copies of books, records, papers and accounts of Assignor relating thereto, and may exclude the Assignor, its agents and servants, wholly therefrom. Assignor hereby grants full power and authority to Assignee to exercise all rights, privileges and power herein granted at any and all times after service of a Notice, without further notice to Assignor, with full power to use and apply all of the rents and other income herein assigned to the payment of the costs of managing and operating the Premises and of any indebtedness or liability of Borrower to Assignee, including but not limited to the payment of taxes, special assessments, insurance premiums, damage claims, the costs of maintaining, repairing, rebuilding and restoring the improvements on the Premises or of making the same rentable, reasonable attorneys' fees incurred in connection with the enforcement of this Assignment, and/or principal and interest payments due from the Borrower to Assignee on the Note and the Mortgage, all in such order as Assignee may determine. Assignee shall be under no obligation to exercise or prosecute any of the rights or claims assigned to it hereunder or to perform or carry out any of the obligations of the lessor under any of the Leases and does not assume any of the liabilities in connection with or arising or growing out of the covenants and agreements of Assignor in the Leases until the exercise of this Assignment pursuant to the Notice. It is further understood that this Assignment shall not

operate to place responsibility for the control, care, management or repair of the Premises, or parts thereof, upon Assignee, nor shall it operate to make Assignee liable for performance of any of the terms and conditions of any of the Leases, or for any waste of the Premises by any lessee under any of the Leases or any other person, or for any dangerous or defective condition of the Premises or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any lessee, licensee, employee or stranger.

12. Waiver or acquiescence by Assignee in any default by the Assignor, or failure of the Assignee to insist upon strict performance by the Assignor of any covenants, conditions or agreements in this Assignment, shall not constitute a waiver of any subsequent or other default or failure, whether similar or dissimilar.

13. The rights and remedies of assignee under this Assignment are cumulative and are not in lieu of, but are in addition to any other rights or remedies which Assignee shall have under the Note, the Mortgage or any other instrument constituting security for the Note, at law or in equity.

14. If any term of this Assignment, or the application thereof to any person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Assignment, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent permitted by law.
