This assignment consists of parts of value to both teachers and students of the Preperiodic Table. It is intended as a remedy of Lederer's neglect of applicable law in his treatment of the records and applications of patents as provided herein.

If the rents of the Property are not paid in full to meet the costs, if any, of letting or managing the Property and occupying the premises, the lessor may sue for the payment of the same and may distrain for the same.

Borrower hereby certifies that **Borrower** has not executed any prior assignment of said rents and revenues of such property as **Lender** may from time to time require.

From time to time as Lender deems necessary to protect Lender's interests, Borrower shall, upon request of Lender and subject to the conditions of the Property and such other documents which relate to the construction or the Property and which Borrower may have signed, and by prior supplemental letter, make written representations to Lender concerning the status and condition of the Project and the Project's financial position.

22. **WAIVERS OF MASTERSHIPPING.** No limitation or waiver of the exercise of any other power or right of the Proprietor under this Agreement shall be valid unless it is in writing and signed by the Proprietor and by all the parties thereto.

Uniform Covenants. Borrower and Lender covenant and agree as follows:

1. PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, any prepayment and late charges provided in the Note and all other sums secured by this Instrument.

2. FUNDS FOR TAXES, INSURANCE AND OTHER CHARGES. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly installments of principal or interest are payable under the Note (or on another day designated in writing by Lender), until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of (a) the yearly water and sewer rates and taxes and assessments which may be levied on the Property, (b) the yearly ground rents, if any, (c) the yearly premium installments for fire and other hazard insurance, rent loss insurance and such other insurance covering the Property as Lender may require pursuant to paragraph 5 hereof, (d) the yearly premium installments for mortgage insurance, if any, and (e) if this Instrument is on a leasehold, the yearly fixed rents, if any, under the ground lease, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Any waiver by Lender of a requirement that Borrower pay such Funds may be revoked by Lender, in Lender's sole discretion, at any time upon notice in writing to Borrower. Lender may require Borrower to pay to Lender, in advance, such other Funds for other taxes, charges, premiums, assessments and impositions in connection with Borrower or the Property which Lender shall reasonably deem necessary to protect Lender's interests (herein "Other Impositions"). Unless otherwise provided by applicable law, Lender may require Funds for Other Impositions to be paid by Borrower in a lump sum or in periodic installments, at Lender's option.

The Funds shall be held in an institution(s) the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said rates, rents, taxes, assessments, insurance premiums and Other Impositions so long as Borrower is not in breach of any covenant or agreement of Borrower in this Instrument. Lender shall make no charge for so holding and applying the Funds, analyzing said account or for verifying and compiling said assessments and bills, unless Lender pays Borrower interest, earnings or profits on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires interest, earnings or profits to be paid, Lender shall not be required to pay Borrower any interest, earnings or profits on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds in Lender's normal format showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Instrument.

If the amount of the Funds held by Lender at the time of the annual accounting thereof shall exceed the amount deemed necessary by Lender to provide for the payment of water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, such excess shall be credited to Borrower on the next monthly installment or installments of Funds due. If at any time the amount of the Funds held by Lender shall be less than the amount deemed necessary by Lender to pay water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may apply, in any amount and in any order as Lender shall determine in Lender's sole discretion, any Funds held by Lender at the time of application: (i) to pay rates, rents, taxes, assessments, insurance premiums and Other Impositions which are now or will hereafter become due, or (ii) as a credit against sums secured by this Instrument. Upon payment in full of all sums secured by this Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender from Borrower under the Note or this Instrument shall be applied by Lender in the following order of priority: (i) amounts payable to Lender by Borrower under paragraph 2 hereof; (ii) interest payable on the Note; (iii) principal of the Note; (iv) interest payable on advances made pursuant to paragraph 8 hereof; (v) principal of advances made pursuant to paragraph 8 hereof; (vi) interest payable on any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the amounts of interest payable on the Future Advances in such order as Lender, in Lender's sole discretion, may determine; (vii) principal of any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the principal balances of the Future Advances in such order as Lender, in Lender's sole discretion, may determine; and (viii) any other sums secured by this Instrument in such order as Lender, at Lender's option, may determine; provided, however, that Lender may, at Lender's option, apply any sums payable pursuant to paragraph 8 hereof prior to interest on and principal of the Note, but such application shall not otherwise affect the order of priority of application specified in this paragraph 3.

4. CHARGES; LIENS. Borrower shall pay all water and sewer rates, rents, taxes, assessments, premiums, and Other Impositions attributable to the Property at Lender's option in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof, or in such other manner as Lender may designate in writing. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph 4, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has, or may have, priority over or equality with, the lien of this Instrument, and Borrower shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Property. Without Lender's prior written permission, Borrower shall not allow any lien inferior to this Instrument to be perfected against the Property.

5. HAZARD INSURANCE. Borrower shall keep the improvements now existing or hereafter erected on the Property insured by carriers at all times satisfactory to Lender against loss by fire, hazards included within the term "extended coverage", rent loss and such other hazards, casualties, liabilities and contingencies as Lender (and, if this Instrument is on a leasehold, the ground lease) shall require and in such amounts and for such periods as Lender shall require. All premiums on insurance policies shall be paid, at Lender's option, in the manner provided under paragraph 2 hereof, or by Borrower making payment, when due, directly to the carrier, or in such other manner as Lender may designate in writing.

All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy in form satisfactory to Lender. If this Instrument is on a leasehold, Borrower shall furnish Lender a duplicate of all policies, renewal notices, renewal policies and receipts of paid premiums if, by virtue of the ground lease, the originals thereof may not be supplied by Borrower to Lender.

In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and empowers Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Lender's expenses incurred in the collection of such proceeds; provided however, that nothing contained in this paragraph 5 shall require Lender to incur any expense or take any action hereunder. Borrower further authorizes Lender, at Lender's option, (a) to hold the balance of such proceeds to be used to reimburse Borrower for the cost of reconstruction or repair of the Property or (b) to apply the balance of such proceeds to the payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof (subject, however, to the rights of the lessor under the ground lease if this Instrument is on a leasehold).

If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its original condition or such other condition as Lender may approve in writing. Lender may, at Lender's option, condition disbursement of said proceeds on Lender's approval of such plans and specifications of an architect satisfactory to Lender, contractor's cost estimates, architect's certificates, waivers of liens, sworn statements of mechanics and materialmen and such other evidence of costs, percentage completion of construction, application of payments, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this Instrument, any such application of proceeds to principal shall not extend or postpone the due dates of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amounts of such installments. If the Property is sold pursuant to paragraph 27 hereof or if Lender acquires title to the Property, Lender shall have all of the right, title and interest of Borrower in and to any insurance policies and unearned premiums thereon and in and to the proceeds resulting from any damage to the Property prior to such sale or acquisition.

6. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOOLDS. Borrower (a) shall not commit waste or permit impairment or deterioration of the Property, (b) shall not abandon the Property, (c) shall restore or repair promptly and in a good and workmanlike manner all

Borrower shall not initiate or acquiesce in a change in the zoning classification of the Property without Lender's prior written consent.

B. PROTECTION OF LENDER'S SECURITY. If Borrower fails to perform the covenants and agreements contained in this instrument, or if any action or proceeding is commenced which affects the Property or title thereto or the interest of Lender therein, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, disburse such sums and take such action as Lender deems necessary, in its sole discretion, to protect Lender's interest, including, but not limited to, (i) disbursement of attorney's fees, (ii) entry upon the Property to make repairs, (iii) procurement of satisfactory insurance as provided in paragraph 5 hereof, and (iv) if this instrument is on a leasehold, exercise of any option to renew or extend the ground lease on behalf of Borrower and the curing of any default of Borrower in the terms and conditions of the ground lease.

Any amounts disbursed by Lender pursuant to this paragraph 8, with interest thereon, shall become additional indebtedness of Borrower secured by this instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the rate stated in the Note unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. Borrower hereby covenants and agrees that Lender shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the indebtedness secured hereby. Nothing contained in this paragraph 8 shall require Lender to incur any expense or take any action hereunder.

9. INSPECTION. Lender may make or cause to be made reasonable entries upon and inspections of the Property.

10. BOOKS AND RECORDS. Borrower shall keep and maintain at all times at Borrower's address stated below, or such other place as Lender may approve in writing, complete and accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property and copies of all written contracts, leases and other instruments which affect the Property. Such books, records, contracts, leases and other instruments shall be subject to examination and inspection at any reasonable time by Lender. Upon Lender's request, Borrower shall furnish to Lender, within one hundred and twenty days after the end of each fiscal year of Borrower, a balance sheet, a statement of income and expenses of the Property and a statement of changes in financial position, each in reasonable detail and certified by Borrower and, if Lender shall require, by an independent certified public accountant. Borrower shall furnish, together with the foregoing financial statements and at any other time upon Lender's request, a rent schedule for the Property, certified by Borrower, showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable and the rent paid.

11. CONDEMNATION. Borrower shall promptly notify Lender of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, and Borrower shall appear in and prosecute any such action or proceeding unless otherwise directed by Lender in writing. Borrower authorizes Lender, at Lender's option, as attorney-in-fact for Borrower, to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any condemnation or other taking of the Property, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking. The proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Lender subject, if this instrument is on a leasehold, to the rights of lessor under the ground lease.

Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to restoration or repair of the Property or to payment of the sums secured by this instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof, with the balance, if any, to Borrower. Unless Borrower and Lender otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards, proceeds, damages or claims arising in connection with such condemnation or taking as Lender may require.

12. BORROWER AND LIEN NOT RELEASED. From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Borrower, Borrower's successors or assigns or of any junior lienholder or guarantor, without liability on Lender's part and notwithstanding Borrower's breach of any covenant or agreement of Borrower in this instrument, extend the time for payment of said indebtedness or any part thereof, reduce the payments thereon, release anyone liable on any of said indebtedness, accept a renewal note or notes therefor, modify the terms and time of payment of said indebtedness, release from the lien of this instrument any part of the Property, take or release other or additional security, reconvey any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, join in any extension or subordination agreement, and agree in writing with Borrower to modify the rate of interest or period of amortization of the Note or change the amount of the monthly installments payable thereunder. Any actions taken by Lender pursuant to the terms of this paragraph 12 shall not affect the obligation of Borrower or Borrower's successors or assigns to pay the sums secured by this instrument and to observe the covenants of Borrower contained herein, shall not affect the guaranty of any person, corporation, partnership or other entity for payment of the indebtedness secured hereby, and shall not affect the lien or priority of lien hereof on the Property. Borrower shall pay Lender a reasonable service charge, together with such title insurance premiums and attorney's fees as may be incurred at Lender's option, for any such action if taken at Borrower's request.

13. FORBEARANCE BY LENDER NOT A WAIVER. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of any sum secured by this instrument after the due date of such payment shall not be a waiver of Lender's right to either require prompt payment when due or all other sums so secured or to declare a default for failure to make prompt payment. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this instrument, nor shall Lender's receipt of any awards, proceeds or damages under paragraphs 5 and 11 hereof operate to cure or waive Borrower's default in payment of sums secured by this instrument.
