- e. That the Borrower may reinstate the Mortgage after acceleration; and
- f. That Borrower may bring suit in court to argue that all promises were kept and to present any other defenses Borrower has to acceleration.

Lender need not send the notice if the promise Borrower failed to keep consists of Borrower's sale or transfer of all or a part of the Property or any rights in the Property without Lender's written consent. If the Borrower does not correct the failure by the date stated in the notice, Lender may accelerate. If Lender accelerates, Lender may foreclose this Mortgage according to law. Borrower also agrees to pay Lender's attorneys' fees and costs for the foreclosure in the maximum amount allowed by law. Lender will apply the proceeds of the foreclosure sale to the amount Borrower owes under this Mortgage, and to the costs of the foreclosure and Lender's attorneys' fees.

24. Obligations After Assignment. Any person who takes over Borrower's right or obligations under this Mortgage with Lender's consent will have Borrower's rights and will be obligated to keep all of the promises Borrower made in this Mortgage. If another person takes over Borrower's rights or obligations under this Mortgage, Borrower will not be released. Any person or organization who takes over Lender's rights or obligations under this Mortgage will have all of Lender's rights and must keep all of Lender's obligations under this Mortgage.

25. Waiver of Homestead. Under the exemption laws, Borrower's homestead is usually free from the claims of creditors. Borrower gives up the homestead exemption right for all claims arising out of this Mortgage. This includes Borrower's right to demand that property other than Borrower's homestead that has been mortgaged to Lender be foreclosed first, before the homestead is foreclosed.

26. Condemnation. If all or part of the Property is condemned, Borrower directs the party condemning the Property to pay all of the money to Lender. Lender will apply the money to pay the amount Borrower owes Lender, unless Lender agrees in writing that the proceeds can be used differently. If Lender uses the money to reduce the amount Borrower owes under the Agreement, Borrower will still have to make regular monthly payments until everything Borrower owes is paid.

27. Paragraph Headings. The headings of the paragraphs are for convenience only, and are not a part of this Mortgage.

Lender figures the Daily Periodic Rate by dividing the Daily Balance of Borrower's Account on the last day of the billing cycle by 365 (or 366, in any leap year).
